Rediscoveries Literature And Place In Illinois:

Rediscoveries, Literature and Place in Illinois Robert C. Bray,1982 *Rediscoveries, Literature and Place in Illinois* Robert C. Bray,1982 **Dictionary of Midwestern Literature, Volume 1** Philip A. Greasley,2001-05-30 The Dictionary of Midwestern Literature Volume One surveys the lives and writings of nearly 400 Midwestern authors and identifies some of the most important criticism of their writings The Dictionary is based on the belief that the literature of any region simultaneously captures the experience and influences the worldview of its people reflecting as well as shaping the evolving sense of individual and collective identity meaning and values Volume One presents individual lives and literary orientations and offers a broad survey of the Midwestern experience as expressed by its many diverse peoples over time Philip A Greasley s introduction fills in background information and describes the philosophy focus methodology content and layout of entries as well as criteria for their inclusion An extended lead essay The Origins and Development of the Literature of the Midwest by David D Anderson provides a historical cultural and literary context in which the lives and writings of individual authors can be considered This volume is the first of an ambitious three volume series sponsored by the Society for the Study of Midwestern Literature and created by its members Volume Two will provide similar coverage of non author entries such as sites centers movements influences themes and genres Volume Three will be a literary history of the Midwest One goal of the series is to build understanding of the nature importance and influence of Midwestern writers and literature Another is to provide information on writers from the early years of the Midwestern experience as well as those now emerging who are typically absent from existing reference works *The Oxford Handbook of Midwestern History* Jon Lauck,2025 The Midwest region holds a pivotal place in the tapestry of American history The Oxford Handbook of Midwestern History delves into this rich heritage with chapters on topics ranging from the early Native American and French Midwest to the impact of the Northwest Ordinance and the Great Lakes the emergence of Midwest regional consciousness after the Civil War and the role of the Midwest s natural resources in the region s economic success and later decline It presents the newest research on race ethnicity culture politics and economic development It also considers the role of religion organized labor the presence of a diverse population of Germans Irish Dutch and Latinos and the influence of sports nostalgia populism and isolationism This handbook moves beyond the examination of traditional topics in Midwestern history to provide significant attention to matters such as architecture literary realism visual culture and constitutionalism This treatment of Midwestern history marks a major turn towards the history of the American interior In many ways The Oxford Handbook of Midwestern History marks the coming of age of what scholars and commentators are calling the New Midwestern History **Encyclopedia of the Chicago Literary Renaissance** Jan Pinkerton,Randolph H. Hudson,2009 The Chicago Renaissance began in the early 1900s and lasted until approximately 1930 The leading writers of the period including Theodore Dreiser Sister Carrie **Finding a New Midwestern History** Jon K. Lauck,Gleaves Whitney,Joseph Hogan,2018-11-01 In comparison to such regions as the

South the far West and New England the Midwest and its culture have been neglected both by scholars and by the popular press Historians as well as literary and art critics tend not to examine the Midwest in depth in their academic work And in the popular imagination the Midwest has never really ascended to the level of the proud literary South the cultured democratic Northeast or the hip innovative West Coast Finding a New Midwestern History revives and identifies anew the Midwest as a field of study by promoting a diversity of viewpoints and lending legitimacy to a more in depth rigorous scholarly assessment of a large region of the United States that has largely been overlooked by scholars The essays discuss facets of midwestern life worth examining more deeply including history religion geography art race culture and politics and are written by well known scholars in the field such as Michael Allen Jon Butler and Nicole Etcheson

Illinois Women Novelists in the Nineteenth Century Bernice E. Gallagher, 1994

The Chicago Literary Experience Frederik Byrn K hlert, 2011 The Chicago Literary Experience is a concise literary history of the city of Chicago Taking as its thematic starting point the city s famous World s Columbian Exposition of 1893 the book provides an account of the city s rapid and in many ways unprecedented development from trading post to metropolis and examines the many literary responses to this new urban environment By contextualizing literature written about the city in these formative years the book shows not only how the city influenced its writers but also how these writers struggled to transform their urban environment into literary forms Covering such aspect as the emergence of the novel of the businessman as cultural hero the humorous newspaper columns of the late nineteenth century and the Depression era revitalization of Chicago literature from its ethnic neighborhoods the book moves beyond the obvious classics and rediscovers a vibrant literary tradition that restores almost forgotten writers such as Eugene Field and Floyd Dell to their place in American literary history Given the historical approach and the breadth of material covered the book will be valuable to anyone wanting to understand how American literature in this defining period moved from the farm to the city and what happened to it once it had arrived Authors discussed include Jane Addams George Ade Nelson Algren Sherwood Anderson Saul Bellow Gwendolyn Brooks Willa Cather Floyd Dell Theodore Dreiser James T Farrell Eugene Field Henry B Fuller Hamlin Garland Robert Herrick Jack London Frank Norris Carl Sandburg Upton Sinclair and Richard Wright Frederik Byrn K hlert is a doctoral student at the University of Montreal He has an MA in English from the University of Oregon and an MA in English and Scandinavian Literature from the University of Aarhus Denmark

Writing Illinois James Hurt, 1992

Dictionary of Midwestern Literature, Volume Two Philip A. Greasley, 2016-08-08 The Midwest has produced a robust literary heritage Its authors have won half of the nation s Nobel Prizes for Literature plus a significant number of Pulitzer Prizes This volume explores the rich racial ethnic and cultural diversity of the region It also contains entries on 35 pivotal Midwestern literary works literary genres literary cultural historical and social movements state and city literatures literary journals and magazines as well as entries on science fiction film comic strips graphic novels and environmental writing Prepared by a team of scholars this second volume

of the Dictionary of Midwestern Literature is a comprehensive resource that demonstrates the Midwest's continuing cultural vitality and the stature and distinctiveness of its literature *Illinois English Bulletin*, 2004 Cities of the Heartland Jon C. Teaford, 1993-04-22 During the 1880s and 90s the rise of manufacturing the first soaring skyscrapers new symphony orchestras and art museums and winning baseball teams all heralded the midwestern city's coming of age In this book Jon C Teaford chronicles the development of these cities of the industrial Midwest as they challenged the urban supremacy of the East The antebellum growth of Cincinnati to Queen City status was followed by its eclipse as St Louis and then Chicago developed into industrial and cultural centers During the second quarter of the twentieth century emerging Sunbelt cities began to rob the heartland of its distinction as a boom area In the last half of the century however midwestern cities have suffered some of their most trying times With the 1970s and 80s came signs of age and obsolescence the heartland had become the rust belt Teaford examines the complex heartland consciousness of the industrial Midwest through boom and bust Geographically economically and culturally the midwestern city is a legitimate subspecies of urban life book jacket

American Studies Jack Salzman, 1986-08-29 This is an annotated bibliography of 20th century books through 1983 and is a reworking of American Studies An Annotated Bibliography of Works on the Civilization of the United States published in 1982 Seeking to provide foreign nationals with a comprehensive and authoritative list of sources of information concerning America it focuses on books that have an important cultural framework and does not include those which are primarily theoretical or methodological It is organized in 11 sections anthropology and folklore art and architecture history literature music political science popular culture psychology religion science technology medicine and sociology Each section contains a preface introducing the reader to basic bibliographic resources in that discipline and paragraph length non evaluative annotations Includes author title and subject indexes ISBN 0 521 32555 2 set 150 00 **Governors' Mansions of the Midwest** Ann Liberman, 2003 Governors Mansions of the Midwest explores the history of 12 prominent mansions in the Midwest Liberman focuses on architectural history from the houses construction to various alterations made by later occupants to renovations of recent years *Early American Nature Writers* Daniel Patterson, 2007-11-30 At a time when the environment is of growing concern to students and general readers nature writing is especially meaningful This book profiles the literary careers of 52 early American nature writers such as John James Audubon Ralph Waldo Emerson Caroline Stansbury Kirkland Thomas Jefferson Henry David Thoreau and Mabel Osgood Wright Each entry is written by an expert contributor and discusses the writer's life and works Entries close with primary and secondary bibliographies and the encyclopedia ends with suggestions for further reading Global warming pollution and other issues have made the environment a topic of constant discussion these days Many environmental concerns were treated by early American nature writers who recognized the beauty of the natural world in an age of commercial expansion Some of the most famous writers of the 18th and 19th centuries wrote about nature and their works are stylistic masterpieces At a time when students are

being encouraged to read and write about nonfiction these masterworks of early American nature writing are all the more important This book gives students and general readers a welcome introduction to early American nature writers

A Place Called Home Richard O. Davies, David R. Pichaske, Joseph Anthony Amato, 2003 2004 Minnesota Book Award Winner The Midwestern small town has long held an iconic place in American culture from the imaginings of Sinclair Lewis's Main Street and Sherwood Anderson's Winesburg, Ohio to Garrison Keillor's Lake Wobegon But the reality is much more complex as the small town has been a study in transition from its very inception In A Place Called Home editors Richard O. Davies, Joseph A. Amato and David R. Pichaske offer the first comprehensive examination of the Midwestern small town and its evolving nature from the 1800s to the present This rich collection gleaned from the best writings of historians, novelists, social scientists, poets and journalists features not only such well-known authors as Sherwood Anderson, Carol Bly, Willa Cather, Hamlin Garland, Langston Hughes, Garrison Keillor, William Kloefkorn, Sinclair Lewis, Susan Allen Toth and Mark Twain but also many lesser-known and exceptionally talented writers Five chronological sections trace the founding, growth and decline of the Midwestern town and introductory comments illuminate its ever-changing face The result is a wide-ranging collection of writings on the community at the heart of America

Rooted David R. Pichaske, 2009-05 David Pichaske has been writing and teaching about midwestern literature for three decades In Rooted by paying close attention to text, landscape and biography he examines the relationship between place and art His focus is on seven midwestern authors who came of age toward the close of the twentieth century: their lives and their work grounded in distinct places Dave Etter in small-town upstate Illinois, Norbert Blei in Door County, Wisconsin, William Kloefkorn in southern Kansas and Nebraska, Bill Holm in Minnetonka, Minnesota, Linda Hasselstrom in Hermosa, South Dakota, Jim Heynen in Sioux County, Iowa, and Jim Harrison in upper Michigan The writers' intimate knowledge of place is reflected in their use of details of geography, language, environment and behavior Yet each writer reaches toward other geographies and into other dimensions of art or thought: jazz, music and formalism in the case of Etter, gender issues in the case of Hasselstrom, time past and present in the case of Kloefkorn, ethnicity and the role of the artist in the case of Blei, magical realism in the case of Heynen, the landscape of literature in the case of Holm, and the curious worlds of academia, best-selling novels and Hollywood films in the case of Harrison The result, Pichaske notes, is the growing away from roots, the explorations and alter egos of these writers of place and the tension between the here and there that gives each writer's art the complexity it needs to transcend provincial boundaries Quoting generously from the writers, Pichaske employs a practical, jargon-free literary analysis, fixed in the text, making Rooted interesting, readable and especially useful in treating the literary categories of memoir and literary essay that have become important in recent decades

Heartland James H. Madison, 1988 Contains chapters on Minnesota, Michigan, Wisconsin, Missouri, North Dakota, Illinois, Indiana, South Dakota, Ohio, Nebraska, Kansas and Iowa

Reading With Lincoln Robert Bray, 2010-09-03 Through extensive reading and reflection Abraham Lincoln fashioned a mind as powerfully

intellectual and superlatively communicative as that of any other American political leader Reading with Lincoln uncovers the how of Lincoln s inspiring rise to greatness by connecting the content of his reading to the story of his life At the core of Lincoln s success was his self education centered on his love of and appreciation for learning through books From his early studies of grammar school handbooks and children s classics to his interest in Shakespeare s Macbeth and the Bible during his White House years what Lincoln read helped to define who he was as a person and as a politician This unique study delves into the books pamphlets poetry plays and essays that influenced Lincoln s thoughts and actions Exploring in great depth and detail those readings that inspired the sixteenth president author Robert Bray follows Lincoln s progress closely from the young teen composing letters for illiterate friends and neighbors to the politician who keenly employed what he read to advance his agenda Bray analyzes Lincoln s radical period in New Salem during which he came under the influence of Anglo American and French Enlightenment thinkers such as Thomas Paine C F Volney and Voltaire and he investigates Lincoln s appreciation of nineteenth century lyric poetry which he both read and wrote Bray considers Lincoln s fascination with science mathematics political economics liberal social philosophy theology and the Bible and devotes special attention to Lincoln s enjoyment of American humor While striving to arrive at an understanding of the role each subject played in the development of this remarkable leader Bray also examines the connections and intertextual relations between what Lincoln read and how he wrote and spoke This comprehensive and long awaited book provides fresh insight into the self made man from the wilderness of Illinois Bray offers a new way to approach the mind of the political artist who used his natural talent honed by years of rhetorical study and practice to abolish slavery and end the Civil War *Spoon River America* Jason Stacy,2021-05-11 From Main Street to Stranger Things how poetry changed our idea of small town life A literary and cultural milestone Spoon River Anthology captured an idea of the rural Midwest that became a bedrock myth of life in small town America Jason Stacy places the book within the atmosphere of its time and follows its progress as the poetry took root and thrived Published by Edgar Lee Masters in 1915 Spoon River Anthology won praise from modernists while becoming an ongoing touchstone for American popular culture Stacy charts the ways readers embraced debated and reshaped Masters s work in literary controversies and culture war skirmishes in films and other media that over time saw the small town as idyllic then conflicted then surreal and as the source of three archetypes populist elite and exile that endure across the landscape of American culture in the twenty first century A wide ranging reconsideration of a literary landmark Spoon River America tells the story of how a Midwesterner s poetry helped change a nation s conception of itself

Rediscoveries Literature And Place In Illinois Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Rediscoveries Literature And Place In Illinois PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Rediscoveries Literature And Place In Illinois PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free

downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Rediscoveries Literature And Place In Illinois free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
