## **Schisms Of Reality:**

**Schisms of Reality** Billy W. Mitchell, 2005-09-01 Schisms of Reality is a collection of works penned over a period of 15 years Writing the poetry was a stress relieving technique used to vent feelings of frustration anger depression loneliness and loss Later I was inspired by other active events in my life such as church life love and romance As a movie lover and avid reader I would also be inspired by these mediums The title for this collection comes from the various themes and schisms which came alive through my poetry Each poem has a life of its own and therefore its own voice Schisms of Reality has only been an agenda of mine for the past year but I have loved the challenge of trying to blend this collection of poems together I hope that it will be an enjoyable read for many many people for years to come **From Solidarity to Schisms**, 2009-01-01 From Solidarity to Schisms is the first collection to expand discussions of the effects the events of 11 September 2001 and their aftermath have had on fiction and film beyond an exclusively US based focus The essays brought together here go beyond critiquing the US to examine the cultural shifts taking place in fiction and cinema from places such as Britain France Germany Australia Pakistan Canada Israel and Iran From these many sites of production the works discussed in this collection illustrate more precisely how 9 11 was global without succumbing to neat categorizations such as us vs them East vs West Christianity vs Islam and so on From Solidarity to Schisms is an important supplement to the US centered cultural and critical production addressing 9 11 providing researchers and teachers alike with resources and contexts that will allow them to broaden their own examinations of novels and films by Americans and about the US It also provides a valuable resource for students and scholars of contemporary global history and international politics who are interested in approaching 9 11 terrorism and counter terrorism and related topics from a cultural standpoint **Called Out** E. Carrington Heath, 2022-09-27 The experience of growing up different coming out in a disapproving environment having one s identity and relationships questioned or downright rejected shapes the faith of lesbian gay bisexual trans and queer Christians in ways those outside the community cannot fully understand LGBTQ Christians need spiritual resources that speak to the unique joys and challenges of their journey E Carrington Heath offers one hundred devotions on such topics as authenticity coming out relationships chosen family religious trauma and more to nurture the faith of our LGBTQ siblings and help friends family and allies grow in understanding and faith Fully affirming of all sensitive to the diversity of the entire LGBTQ community and backed by theological depth these devotions will lift the reader up and empower them for the work of transforming the world **A Critical Study of Hans Küng's Ecclesiology** C. Simut, 2008-07-07 The book presents the transition from traditionalism to modernism in connection to two of Küng s most important books on ecclesiology Structures of the Church 1962 as representing Küng s traditional theology and On Being a Christian 1974 as a reflection of his modern approach to Christianity **Quantum Theory and the Schism in Physics** Karl Popper, 2013-04-15 Quantum Theory and the Schism in Physics is one of the three volumes of Karl Popper s Postscript to the Logic of scientific Discovery The

Postscript is the culmination of Popper's work in the philosophy of physics and a new famous attack on subjectivist approaches to philosophy of science. Quantum Theory and the Schism in Physics is the third volume of the Postscript. It may be read independently but it also forms part of Popper's interconnected argument in the Postscript. It presents Popper's classic statement on quantum physics and offers important insights into his thinking on problems of method within science and physics as a whole.

**American Schism** Seth David Radwell, 2021-06-29 An enlightened exploration of history to unite a deeply divided America. The political dialogue in America has collapsed. Raw and bitter emotions such as anger and resentment have crowded out any logical debate. In this investigative tracing of our nation's divergent roots, author Seth David Radwell explains that only reasoned analysis and historical perspective can act as salves for the irrational political discourse that is raging at present. Two disparate Americas have always coexisted, and Radwell discovered that the surprising origin of these dual Americas was not an Enlightenment but two distinct Enlightenments that have been fiercely competing since the founding of our country. Radwell argues that it is only by embracing Enlightenment principles that we can build a civilized, progressive, and tolerant society. American Schism reveals the roots of the rifts in America since its founding and what is really dividing red and blue America: the core issues that underlie all of today's bickering. A detailed, effective plan to move forward, commencing what will be a long process of repair and reconciliation. Seth David Radwell changes the nature of the political debate by fighting unreason with reason, allowing Americans to firmly ground their differing points of view in rationality.

**Australia's Schism in the Soul** Julie Macken, 2025-07-21 How has it become possible for the Australian state to gain public acquiescence to develop one of the world's most punitive systems of processing asylum seekers, one that not only contravenes Australia's international humanitarian commitments but that, in the words of activists, medical professionals, and the detainees themselves, amounts to torture? In this highly readable account, academic journalist and advocate Dr Julie Macken takes a psychoanalytic approach to both the country and its public to uncover why. Dr Macken's investigation begins by outlining how the nation's failure to mourn its colonial past has led to a state of collective melancholia, with the result that denial and psychological splitting have prevented genuine reconciliation with First Nations peoples. The central part of the book offers a compelling account of the development of Australia's current system of privatised immigration detention and the political, economic, and media forces that have sustained it, that will resonate globally. In conclusion, the book posits that political action in these circumstances, however distressing and visceral, should be adopted as a mental health strategy for both the person and the nation. This timely work offers fresh insights for those working and studying in the areas of human rights, media, refugee studies, race theory, politics, mental health, and psychosocial studies.

**The Christian Schism in Jewish History and Jewish Memory** Joshua Ezra Burns, 2016-02-11 How did Jews perceive the first Christians? By what means did they come to appreciate Christianity as a religion distinct from their own? In *The Christian Schism in Jewish History and Jewish Memory*, Professor

Joshua Ezra Burns addresses those questions by describing the birth of Christianity as a function of the Jewish past. Surveying a range of ancient evidences he examines how the authors of Judaism's earliest surviving memories of Christianity speak to the perspectives of rabbinic observers who were conditioned by the unique circumstances of their encounters with Christianity to recognize its adherents as fellow Jews. Only upon the decline of the Church's Jewish demographic were their successors compelled to see Christianity as something other than a variation of Jewish cultural expression. The evolution of thought in the classical Jewish literary record thus offers a dynamic account of Christianity's separation from Judaism counterbalancing the abrupt schism attested in contemporary Christian texts.

**A Companion to the Great Western Schism (1378-1417)** Joëlle Rollo-Koster, Thomas M. Izbicki, 2009. The division of the Church or Schism that took place between 1378 and 1417 had no precedent in Christianity. No conclave since the twelfth century had acted as had those in April and September 1378 electing two concurrent popes. This crisis was neither an issue of the authority claimed by the pope and the Holy Roman Emperor nor an issue of authority and liturgy. The Great Western Schism was unique because it forced upon Christianity a rethinking of the traditional medieval mental frame. It raised questions of personality, authority, human fallibility, ecclesiastical jurisdiction and taxation and in the end responsibility in holding power and authority. This collection presents the broadest range of experiences center and periphery, clerical and lay, male and female, Christian and Muslim. Theology including exegesis of Scripture, diplomacy, French literature, reform, art and finance all receive attention.

**A History of the Episcopal Church Schism in South Carolina** Ronald James Caldwell, 2017-08-09. In 2012 the Episcopal Diocese of South Carolina declared its independence from the Episcopal Church. It was the fifth of the 111 dioceses of the Church to do so since 2007. A History of the Episcopal Church Schism in South Carolina is the sweeping story of how one diocese moved from the mainstream of the Episcopal Church to separate from the church. It examines the underlying issues, the immediate causes and the initiating events as well as the nature and results of the schism. The book traces the escalating conflict between the diocese and the church that led up to the schism. It also examines the legal war between the two post-schism dioceses, the majority in the independent Diocese of South Carolina and the minority in the Episcopal Church in South Carolina. This is the first scholarly history of a diocesan schism from the Episcopal Church. It is extensively researched from original and secondary sources and documented in over 2,000 notes citing nearly 900 works. This story stands as a cautionary tale of what happens in a major Christian denomination when majority and minority factions increasingly differentiate themselves and what impact that can have for both parties.

**The Schism Of Mind And Heart** Sana Afreen, 2021-07-07. We all go through certain situations in our life where we are torn apart by the conflict of heart and mind. While our mind uses all of its intellect and wit to guide us to rational solutions, our heart tends to stick to its bosom interests. This book is a window to the brimming and undulating emotions of all those who

**Journal, Vol. One** ISKCON Studies Institute, *Church Schism & Corruption: Book 3* Achim Nkosi Maseko,2009-06-06 Book 3 is a series that appears as Part Three in *Church Schism Corruption* a published volume consisting of more than 600 pages *Church Schism Corruption* has been separately published in this series which comprises of Books 1 6 to afford readers some choice of content For there are some readers who cannot afford to read through more than 600 pages of Christological

history therefore it is for this reason that Church Schism Corruption has been republished into these books numbering 1 6 with specific Parts 1 6 forming corresponding Books 1 6 **Church Schism & Corruption: Book 6** Achim Nkosi Maseko, The Schism of Unification Church and the Tree of Life Jongsuk Kim, 2024-07-02 This book The Schism of Unification Church and the Tree of Life Part I is a revised version of the 4th volume of the History of the Korean Messianic Movement published in 2016 and contains the core of the extensive data used in the 5th volume A Study of the Canonization the Unification Movement 2017 the 6th volume Unification Church and the Phenomenon of the Only Begotten Daughter 2017 the 7th volume The Veritable Records of Unification Church Schism 2021 and the 8th volume The only begotten daughter phenomenon seen from the Unification Principle 2023 This book also contains content not covered in the first edition and the changed situation of Unification Church since 2016 Nonetheless I put the word part 1 in the title because the detailed story of the schism of Unification Church after the founder s Seunghwa which could not be contained in this book on the page will be covered soon in the other book The reason why I titled this book The Schism of Unification Church and the Tree of Life is that although the division of the Unification Movement caused by the failure of Han Hak ja to do her responsibilities led to tragic results providence and anti providence principle and non principle good and evil were distinguished during the process of division and certainly the Unification Movement will soon be overcome and enter the path of revitalization by the Tree of Life of the heavenly lineage that has risen from the dead This book focused on comparing the identities and deeds of the major figures identified in the process of Unification Church s split namely Han Hak ja Moon Hyung jin and Moon Hyun jin based on the identity of the founder and the Unification Principle which is the core teaching Through this book readers will be able to accurately understand the causes processes and consequences of Unification Church schism and will be able to predict the future In the conclusion of the first edition I mentioned that the phenomenon of Han Hak ja s only begotten daughter is a new religious phenomenon with a different identity from the phenomenon of Unification Church of the founder Although divided I predicted that Unification Church would not collapse but would go the path of revitalization and that the third son of the founder Moon Hyun jin would lead the revitalization In retrospect my prediction was correct to some extent Han Hak ja who was the cause of the schism in Unification Church became one with the fallen archangel figures who destroyed the providence of the True Family and created a new religion to worship the only begotten daughter Heavenly Parents Holy Community which clashed with the Unification Principle On the other hand Moon Hyun jin who was expelled from the Unification Movement by Han Hak ja and the anti Moon Hyun jin forces who tried to wipe out his providential mission won nearly a decade of persecution and more than 30 lawsuits and declared that he would re establish the ideal of the True Family and True Parents which had been incomplete due to the fall of Han Hak ja and dedicate the original Foundation Day before Heaven As time passes the inner story and truth of Unification Church schism will become clearer I wrote this book from both the perspectives of a new religion researcher an objective observer and an insider a believer The

collection and analysis of data to understand the facts and inner story of the incident was done from the perspective of an observer and the internal causes of Unification Church split changes in identity and doctrine and the nature and religious significance of various events and situations that are difficult to understand for a simple observer was described from an insider s point of view
