Women and the Authority of Scripture Sarah Heaner Lancaster, 2002-09-01 The theological impact of accepting the absolute authority of biblical scripture is enormous especially for women who attend and serve churches But until now few books have been willing to address this issue head on Sarah Lancaster looks at the way women in the church have dealt with the question of scriptural authority and how they can address it in the future Some women she says accept the authority of the Bible without question and stay in church without change of attitude or action Others deny that the Bible has any authority completely leaving Christianity in the belief that the Bible and Christian tradition are irredeemably patriarchal Still others recognize that while scripture is largely patriarchal it is authoritative for

their life of faith The Bible possesses a narrative coherence its story resonating in our own lives For women the Bible can continue to ring true to their experience letting them acknowledge scripture s authority in spite of its problems The Bible is not about patriarchy it is about how God is present to us and interacts with us in order to bring us to fullness of life Lancaster says that women can criticize those things in scripture that help maintain a patriarchal world without invalidating scripture s authority Scripture she argues informs forms and transforms With its combination of narrative and feminist theology Women and the Authority of Scripture brings a powerful new perspective to the doctrine of biblical authority in the contemporary world Sarah Heaner Lancaster is Associate Professor of Theology Methodist Theological School in Delaware Ohio She is an ordained elder in the North Texas Conference of the United Methodist Church She lives in Westerville Ohio The Unfinished Drama of Scripture , **How Bible Stories Work** Leland Ryken,2021-10-21 This is the first of a projected six volume series called Reading the Bible as Literature the second volume being Sweeter Than Honey Richer Than Gold An expert at exploring the intersection of the Bible and literature Ryken shows pastors and students and teachers of the Bible how to appreciate the craftsmanship and beauty of biblical narrative and how to interpret it correctly Dr Ryken goes one step further than merely explaining the genre of story he includes exercises to help students master this rich literary treasure

Davis, Richard B. Hays, 2003-10-02 The difficulty of interpreting the Bible is felt all over today Is the Bible still authoritative for the faith and practice of the church If so in what way What practices of reading offer the most appropriate approach to understanding Scripture The church's lack of clarity about these issues has hindered its witness and mission causing it to speak with an uncertain voice to the challenges of our time This important book is for a twenty-first century church that seems to have lost the art of reading the Bible attentively and imaginatively The Art of Reading Scripture is written by a group of eminent scholars and teachers seeking to recover the church's rich heritage of biblical interpretation in a dramatically changed cultural environment Asking how best to read the Bible in a postmodern context the contributors together affirm up front Nine Theses that provide substantial guidance for the church The essays and sermons that follow both amplify and model the approach to Scripture outlined in the Nine Theses Lucidly conceived carefully written and shimmering with fresh insights The Art of Reading Scripture proposes a far-reaching revolution in how the Bible is taught in theological seminaries and calls pastors and teachers in the church to rethink their practices of using the Bible Contributors Gary A. Wall,2019-02-19 This volume written by a theologian and a biblical scholar offers a fresh model for understanding Scripture as God's Word. The authors work out the four Nicene marks of the church: one, holy, catholic, and apostolic, as marks of Scripture, offering a new way of thinking about the Bible that bridges theology and interpretation. Their ecclesial analogy invites us to think of Scripture in similar terms to how we think of the church, countering the incarnational model propagated by Peter Enns and others. The Drama of Scripture Craig G. Bartholomew, Michael W. Goheen, 2024 This updated edition of a bestselling textbook surveys the grand narrative of the Bible, demonstrating how the biblical story forms the foundation of a Christian worldview. The Bible in Pastoral Practice Paul H. Ballard, Stephen R. Holmes, 2006 A New York Review Books Original Whether you call her a coldhearted grifter or the soul of modern capitalism, there's no question that *Aimee* is a killer and a more than professional one. Now she's set her eyes on a backwater burg where, while posing as an innocent albeit drop-dead gorgeous newcomer to town, she means to sniff out old grudges and engineer new opportunities, deftly playing different people and different interests against each other the better, as always, to make a killing. But then something snaps: the master manipulator falls prey to a pure and wayward passion. *Aimee* has become the avenging angel of her own nihilism, exacting the destruction of a whole society of destroyers. An unholy original, Jean Patrick Manchette transformed the modern detective novel into a weapon of gleeful satire and anarchic fun. In *Fatale*, he mixes equal measures of farce, mayhem, and madness to prepare a rare literary cocktail that packs a devastating punch. The People, the Land, and the Future of Israel Darrell L. Bock, 2014-09-10 What does the Bible teach about the role of the Jewish people and the nation of Israel today? What is God's plan for the future of Israel and the neighboring countries? How can believers in Jesus be part of God's peace process in the Middle East? *The People, the Land, and the Future of Israel* walks through the Bible's account of the role of Israel and the Jewish people both now and in the future. Each contributor offers a profound insight into God's unfolding plan and purpose for the nation of Israel as the Scripture depicts them. Readers will gain a deeper understanding of both current and future events in the Middle East as described in both the Hebrew Scriptures and the New Testament. Features an extensive foreword by best-selling author Joel Rosenberg who addresses the question: Will there ever be peace for Israel and her neighbors? Each chapter includes a scannable QR code that links to a short video introduction by the author of that chapter introducing its topic. Discussion questions in each chapter aid book group and classroom discussion. **Desiring the Kingdom (Cultural Liturgies)** James K. A. Smith, 2009-08-01 Malls, stadiums, and universities are actually liturgical structures that influence and shape our thoughts and affections. Humans, as Augustine noted, are desiring agents full of longings and passions. In brief, we are what we love. James K. A. Smith focuses on the themes of liturgy and desire in *Desiring the Kingdom*, the first book in what will be a three-volume set on the theology of culture. He redirects our yearnings to focus on the greatest good: God. Ultimately, Smith seeks to re-vision education through the process and practice of worship. Students of philosophy, theology, worldview, and culture will welcome *Desiring the Kingdom*, as will those involved in ministry and other

International Handbook of the Religious, Moral and Spiritual Dimensions in Education

Marian de Souza, Gloria Durka, Kathleen Engebretson, Robert Jackson, Andrew McGrady, 2007-06-04 Traditionally spirituality has resided and been contained within religious frameworks but while the links between the two areas are still acknowledged by many in the contemporary world spirituality is perceived by some as an aspect of human life that is distinct from religion Consequently many are searching for meaning within and without religious traditions today and seeking answers to ethical and moral questions that have been generated by the knowledge and technological explosion One outcome is the renewed interest in the religious spiritual and moral dimensions of education throughout the life cycle This International Handbook presents the research and professional practice of scholars who are daily engaged in the consideration of these dimensions in education The result is a collection of essays which reflects the discipline in all of its internationality as it is today Embedded within the chapters is also an agenda for the future where the religious moral and spiritual dimensions in education are proposed as an exciting and challenging way forward for educators at all levels in society As well it offers a vision for the emergence of a peaceful and just world

Our Story

Jon Woodroof, 2020-11-11 What is our story What is this life all about Over the past five years I've been compiling text and audio clips the text of the Old and New Testament scriptures trying to weave together a solid overview of the great themes and consistent threads of the Bible This narrative Our Story is the result I've tried to select clips of scripture the scripture clips are taken from the English Standard Version of the Bible that will give an honest searcher a good and condensed overview of this eternal redemptive story At the heart of the story is Jesus the Messiah We cannot prove beyond doubt much of anything in life life is just not like that Every approach to life requires a faith of some kind When I look at the magnificence of the creation around me the wonder of the subatomic world the intricacy of a newborn the beauty of oceans and mountains the vastness of the universe I cannot believe that it all just happened through chance and time some very intelligent people do believe it all just happened but this also demands faith on their part There is so much design and order and complexity and purpose in what I see that it forces me to believe that it all was created not by an incomprehensible energy source randomness and time but by a Creator and for a purpose So what I'm searching to know is Who is this Creator and For what purpose did He create all this and place us here The Bible gives me a picture of this it was written over a period of some 1 500 years by over 40 different authors from all walks of life shepherds farmers tent makers physicians fishermen priests philosophers and kings Despite this diversity the Bible tells a remarkably consistent and compelling story what philosophers call a meta narrative that reveals the Creator's reason for doing all this The Bible tells of a great redemptive story God created this universe and created us for His eternal purposes This life is full of sign posts that point us home to Him and events designed to bring us to an end of ourselves God offered us an intimate relationship with Him if we would keep covenant with Him and choose to walk in His ways and obey His commandments Time and time again God would covenant with man Adam Noah and Abraham Moses and man would decide to break

covenant with God and to go it alone to call his own shots to be his own god Then God through Jacob made a nation of Israel to play out His redemptive story before the nations Calling Moses God redeemed Israel from captivity in Egypt through the Red Sea gave them His law picturing what being in relationship with God looks like set up His presence among them in the Tabernacle and brought them across the Jordan into the promised land Though Moses pled with Israel to Choose life yet again Israel broke covenant with God Over and over God sent His prophets to warn Israel about going its own way and also to tell them of a coming Messiah who would be the path back to God In the fullness of time God came in the form of Jesus the Messiah Immanuel God with us into our world to live among us to experience every aspect of our life and to show us life with God So that sinful man the covenant breakers could be reconciled back to God God gave Jesus as our covenant Isaiah 42 6 took our guilt and died in our place so that we might be granted life in Him Salvation requires believing in this redemptive story surrendering one s will life and following this Jesus into the life for which God created us And in the fullness of time God will return and make all things new renewing His people along with the whole cosmos and God will dwell among His people forever
