Second Mencken Chrestomathy:

Second Mencken Chrestomathy H.L. Mencken, 2013-03-20 Before there was any such thing as political correctness H L Mencken was flouting it He was also cheerfully deriding the precursors of family values and lambasting the guardians of public virtue This historic new collection is further evidence that Mencken was our most astute stylish and biliously funny commentator on the eternal American quackeries A Second Mencken Chrestomathy a word meaning a collection of choice passages from an author or authors was compiled by the sage of Baltimore before he suffered the stroke that ended his career and has only now been retrieved from his private papers by the columnist and Mencken biographer Terry Teachout Its 238 selections many of which have never before been published in book form encompass subjects from Americana The Commonwealth of Morons to men and women Sex on the Stage and from criminology More and Better Psychopaths to the pursuit of happiness Alcohol The result is Mencken at his most engaging maddening heretical and hilarious A Second Mencken Chrestomathy H. L. Mencken, 2006-11-02 With a style that combined biting sarcasm with the language of the free lunch counter Henry Louis Mencken shook politics and politicians for nearly half a century With a style that combined biting sarcasm with the language of the free lunch counter Henry Louis Mencken shook politics and politicians for nearly half a century Now fifty years after Mencken s death the Johns Hopkins University Press announces The Buncombe Collection newly packaged editions of nine Mencken classics Happy Days Heathen Days Newspaper Days Prejudices Treatise on the Gods On Politics Thirty Five Years of Newspaper Work Minority Report and A Second Mencken Chrestomathy Discovered among his private papers and edited by columnist Terry Teachout this collection is full of the iconoclastic common sense that marked Mencken s astonishing career as the premier American social critic of the twentieth century This chrestomathy a collection of literary passages incorporates writings about a variety of subjects politics war music literature men and women lawyers and the brethren of the cloth **A Second Mencken Chrestomathy** H. L. Mencken, 2006-11-02 With a style that combined biting sarcasm with the language of the free lunch counter Henry Louis Mencken shook politics and politicians for nearly half a century With a style that combined biting sarcasm with the language of the free lunch counter Henry Louis Mencken shook politics and politicians for nearly half a century Now fifty years after Mencken s death the Johns Hopkins University Press announces The Buncombe Collection newly packaged editions of nine Mencken classics Happy Days Heathen Days Newspaper Days Prejudices Treatise on the Gods On Politics Thirty Five Years of Newspaper Work Minority Report and A Second Mencken Chrestomathy Discovered among his private papers and edited by columnist Terry Teachout this collection is full of the iconoclastic common sense that marked Mencken s astonishing career as the premier American social critic of the twentieth century This chrestomathy a collection of literary passages incorporates writings about a variety of subjects politics war music literature men and women lawyers and the brethren of the cloth **Freedom's Furies** Timothy Sandefur, 2022-11-01 In 1943 three books appeared that changed American politics forever Isabel Paterson s The

God of the Machine Rose Wilder Lane's *The Discovery of Freedom* and Ayn Rand's *The Fountainhead* Together they laid the groundwork for what became the modern libertarian movement Even more striking were the women behind these books Paterson a brilliant but misanthropic journalist whose weekly column made her one of the nation's most important literary critics Lane a restless writer who secretly coauthored the *Little House on the Prairie* novels with her mother and Rand a philosophically inclined Russian immigrant ferociously devoted to heroic individualism Working against the backdrop of changes in literature and politics they joined forces to rally the nation to the principles of freedom that had come under attack at home and abroad Sometimes friends at other times bitterly estranged they became known as the three furies of libertarianism Now for the first time author Timothy Sandefur examines their lives ideas and influences in the context of their times Not a biography but a story about personalities and ideas about the literary political and cultural influences that shaped the destiny of freedom in America *Freedom's Furies* tells the dramatic story of three writers who strove to keep liberty alive in an age of darkness

American Conservatism Bruce Frohnen, Jeremy Beer, Nelson O. Jeffrey, 2014-05-20 A must own title National Review Online *American Conservatism: An Encyclopedia* is the first comprehensive reference volume to cover what is surely the most influential political and intellectual movement of the past half century More than fifteen years in the making and more than half a million words in length this informative and entertaining encyclopedia contains substantive entries on those persons events organizations and concepts of major importance to postwar American conservatism Its contributors include iconic patriarchs of the conservative and libertarian movements celebrated scholars well known authors and influential movement activists and leaders Ranging from abortion to Zoll Donald Atwell and written from viewpoints as various as those which have informed the postwar conservative movement itself the encyclopedia's more than 600 entries will orient readers of all kinds to the people and ideas that have given shape to contemporary American conservatism This long awaited volume is not to be missed

[A Study Guide for H. L. Mencken's "The American Language"](#) Gale, Cengage Learning, 2016

A Traveler's Guide to the Afterlife Mark Mirabello, 2016-09-15 A grand survey of the world's death and afterlife traditions throughout history Examines beliefs from many different cultures on the soul heaven hell and reincarnation instructions for accessing the different worlds of the afterlife how one may become a god and how ethics and the afterlife may not be connected Explores techniques to communicate with the dead including s'ance instructions Includes an extensive bibliography of more than 900 sources from around the world Drawing on death and afterlife traditions from cultures around the world Mark Mirabello explores the many forms of existence beyond death and each tradition's instructions to access the afterlife He examines beliefs on the soul heaven hell and reincarnation and wisdom from Books of the Dead such as the Book of Going Forth by Day from Egypt the Katha Upanishad from India the Bardo Thodol from Tibet the Golden Orphic Tablets from Greece Lieh Tzu from China and Heaven and its Wonders and Hell from Things Heard and Seen from 18th century Europe Considering the question What is Death Mirabello provides answers from a

wide range of ancient and modern thinkers including scientist Nicholas Maxwell the seer Emanuel Swedenborg 1st century Buddhist philosopher Nagarjuna and Greek philosopher Euripides who opined that we may already be dead and only dreaming we are alive He explores the trek of the soul through life and death with firsthand accounts of the death journey and notes that what is perceived as death here may actually be life somewhere else He reveals how in many traditions ethics and the afterlife are not connected and how an afterlife is possible even without a god or a soul Sharing evidence that consciousness is not simply a product of the brain he offers a strong rebuttal to nihilists materialists and the Lokayata philosophical school of India who believe in the finality of death He explains how specters and ghosts are produced and offers techniques to communicate with the dead as well as instructions for an out of body experience and the complete procedure for a sance With an extensive bibliography of more than 900 sources this guide offers comprehensive information on afterlife beliefs from the vast majority of cultures around the world and throughout history a veritable traveler s guide to the afterlife

The Freedom of Peaceful Action Stuart K. Hayashi, 2014-04-23 The Freedom of Peaceful Action is the first installment of the trilogy The Nature of Liberty which makes an ethical philosophic case for individual liberty and the free market against calls for greater government regulation and control The trilogy makes a purely secular and nonreligious ethical case for the individual s rights to life liberty private property and the pursuit of happiness as championed by the U S Founding Fathers Inspired by such philosophic defenders of free enterprise as John Locke Herbert Spencer and Ayn Rand The Nature of Liberty shows that such individual rights are not imaginary or simply assertions but are institutions of great practical value making prosperity and happiness possible to the degree that society recognizes them The trilogy demonstrates the beneficence of the individual rights approach by citing important findings in the emerging science of evolutionary psychology Although the conclusions of evolutionary psychology have been long considered to be at odds with the philosophies of individual liberty and free markets The Nature of Liberty presents a reconciliation that reveals their ultimate compatibility as various important findings of evolutionary psychology being logically applied confirm much of what philosophic defenders of liberty have been saying for centuries Moreover proceeding from the viewpoint of Rand this work argues that the structure of society most conducive to practical human well being is commensurately the most moral and humane approach as well The trilogy s first installment The Freedom of Peaceful Action focuses on the secular philosophic foundation for a society based on individual rights Starting from a defense of the efficacy of observational reason against criticisms from Immanuel Kant and Karl Popper it demonstrates how a philosophic position of individual liberty and free markets is the logical result of the consistent application of human reason to observing human nature This installment demonstrates that any political system that wishes for its citizens to thrive must take human nature into account and that an accounting of human nature reveals that a system of maximum liberty and property protection is the one most conducive to peace and human well being *The Cambridge Companion to F. Scott Fitzgerald* Ruth Prigozy, 2001-10-25 Eleven specially commissioned essays by major

Fitzgerald scholars present a clearly written and comprehensive assessment of F Scott Fitzgerald as a writer and as a public and private figure No aspect of his career is overlooked from his first novel published in 1920 through his more than 170 short stories to his last unfinished Hollywood novel Contributions present the reader with a full and accessible picture of the background of American social and cultural change in the early decades of the twentieth century The introduction traces Fitzgerald s career as a literary and public figure and examines the extent to which public recognition has affected his reputation among scholars critics and general readers over the past sixty years This volume offers undergraduates graduates and general readers a full account of Fitzgerald s work as well as suggestions for further exploration of his work Motivate Your Writing! Stephen P. Kelner,2005 Energize and organize your writing life by tapping your fundamental motivators

The Lady with the Borzoi Laura Claridge,2016-04-12 The untold story of Blanche Knopf the singular woman who helped define American literature Left off her company s fifth anniversary tribute but described by Thomas Mann as the soul of the firm Blanche Knopf began her career when she founded Alfred A Knopf with her husband in 1915 With her finger on the pulse of a rapidly changing culture Blanche quickly became a driving force behind the firm A conduit to the literature of Langston Hughes and the Harlem Renaissance Blanche also legitimized the hard boiled detective fiction of writers such as Dashiell Hammett James M Cain and Raymond Chandler signed and nurtured literary authors like Willa Cather Elizabeth Bowen and Muriel Spark acquired momentous works of journalism by John Hersey and William Shirer and introduced American readers to Albert Camus Andr Gide and Simone de Beauvoir giving these French writers the benefit of her consummate editorial taste As Knopf celebrates its centennial Laura Claridge looks back at the firm s beginnings and the dynamic woman who helped to define American letters for the twentieth century Drawing on a vast cache of papers Claridge also captures Blanche s witty loyal and amusing personality and her charged yet oddly loving relationship with her husband An intimate and often surprising biography The Lady with the Borzoi is the story of an ambitious seductive and impossibly hardworking woman who was determined not to be overlooked or easily categorized The Annotated Mansfield Park Jane Austen,2017-04-18 From the editor of the popular Annotated Pride and Prejudice comes an annotated edition of Jane Austen s Mansfield Park that makes her story of an impoverished girl living with her wealthy relatives an even more satisfying read Here is the complete text of Austen s own favorite novel with more than 2 300 annotations on facing pages including Explanations of historical context Citations from Austen s life letters and other writings Definitions and clarifications Literary comments and analysis Maps of places in the novel An introduction bibliography and detailed chronology of events More than 225 informative illustrations Filled with fascinating details about the characters clothes houses and carriages as well as background information on such relevant issues as career paths in the British navy contemporary attitudes toward slavery and the legal and social consequences of adultery David M Shapard s Annotated Mansfield Park brings Austen s world into richer focus Damning Words Hart, D. G.,2016 Recounts a famously outspoken agnostic s surprising relationship with

Christianity H L Mencken 1880 1956 was a reporter literary critic editor author and a famous American agnostic From his role in the Scopes Trial to his advocacy of science and reason in public life Mencken is generally regarded as one of the fiercest critics of Christianity in his day In this biography D G Hart presents a provocative iconoclastic perspective on Mencken s life Even as Mencken vividly debunked American religious ideals says Hart it was Christianity that largely framed his ideas career and fame Mencken s relationship to the Christian faith was at once antagonistic and symbiotic Using plenty of Mencken s own words *Damning Words* superbly portrays an influential figure in twentieth century America and at the same time casts telling new light on his era

American Humor Arthur Power Dudden,1989 Originally appearing as an issue of *American Quarterly* these essays take a close look at American humor from revolutionary times to the present day focusing in particular on the neglected trends of the past fifty years

Celluloid Soldiers Michael E. Birdwell,1999-05-01 During the 1930s many Americans avoided thinking about war erupting in Europe believing it of little relevance to their own lives Yet the Warner Bros film studio embarked on a virtual crusade to alert Americans to the growing menace of Nazism Polish Jewish immigrants Harry and Jack Warner risked both reputation and fortune to inform the American public of the insidious threat Hitler s regime posed throughout the world Through a score of films produced during the 1930s and early 1940s including the pivotal *Sergeant York* the Warner Bros studio marshaled its forces to influence the American conscience and push toward intervention in World War II *Celluloid Soldiers* offers a compelling historical look at Warner Bros s efforts as the only major studio to promote anti Nazi activity before the outbreak of the Second World War

The Woman and the Dynamo Stephen Cox,2017-10-24 Novelist columnist cultural critic political theorist Isabel Paterson was one of the most extraordinary personalities of the 1930s renowned for her incisive wit and her unique interpretation of the American experience *The Woman and the Dynamo* is the first biography of a woman who has long been a source of rumor and legend From interviews private papers and her millions of published words Stephen Cox weaves a narrative that brings Paterson vividly to life A radical individualist in both theory and practice Paterson spent her early life on the Western frontier lavished two years on formal education set a record for high altitude flight became a journalist by accident and made herself a fearless chronicler and conscience of New York literary life At the same time she made a permanent contribution to American political thought Paterson identified the fundamental issues at stake in the crises of the twentieth century and responded with an original theory of history and political economy In her view the individual mind is the dynamo of history working through the long circuit of institutions that maintain and enhance individual liberty and America is the place where the advanced forms of those institutions were invented and are currently undergoing their severest trial While other intellectuals derided the American ideal of progress and called for the restraint or abolition of the capitalist system Paterson demanded a scrupulous application of the engineering principles on which American civilization had been built *The Woman and the Dynamo* provides one of the few broad and detailed accounts of the origins of the American political Right emphasizing the

special role that women and imaginative writers played in its creation and posing new questions about what it means to be left or right liberal or conservative in America This will be compelling reading for those interested in twentieth century intellectual history literature and politics New World Coming Nathan Miller,2010-05-11 A vibrant fast paced exploration of the pivotal and dynamic 1920s era focusing on many of the colorful characters of the time and on three presidents Harding Coolidge and Hoover The images of the 1920s have been indelibly imprinted on the American imagination jazz bootleggers flappers talkies the Model T Ford Babe Ruth Charles Lindbergh s history making flight over the Atlantic But it was also the era of the hard won vote for women racial injustice censorship widespread social conflict and the birth of organized crime Chronicling what he views as the most consequential decade of the past century Nathan Miller an award winning journalist and five time Pulitzer nominee paints a vivid portrait of the 1920s focusing on the men and women who shaped that extraordinary time including ironically three of America s most conservative presidents Harding Coolidge and Hoover In the twenties the American people soared higher and fell lower than they ever had before As unprecedented economic prosperity and sweeping social change dazzled the public the sensibilities and restrictions of the nineteenth century vanished and many of the institutions ideas and preoccupations of our own age emerged With scandal sex and crime the lifeblood of the tabloids the contemporary culture of celebrity and sensationalism took root and journalism became popular entertainment By discarding Victorian idealism and embracing twentieth century skepticism America became for the first time thoroughly modernized There is hardly a dimension of our present world from government to popular culture that doesn t trace its roots to the 1920s and few decades are more intriguing or significant today The first comprehensive view of the era since Only Yesterday Frederick Lewis Allen s 1931 classic New World Coming reveals this remarkable age from the vantage point of nearly a century later It s all here the images and the icons the celebrities and the legends in a book that will resonate with history readers 1920s aficionados and Americans everywhere Translating Modernism Ronald Berman,2010-09-23 In Translating Modernism Ronald Berman continues his career long study of the ways that intellectual and philosophical ideas informed and transformed the work of America s major modernist writers Here Berman shows how Fitzgerald and Hemingway wrestled with very specific intellectual artistic and psychological influences influences particular to each writer particular to the time in which they wrote and which left distinctive marks on their entire oeuvres Specifically Berman addresses the idea of translating or translation for Fitzgerald the translation of ideas from Freud Dewey and James among others and for Hemingway the translation of visual modernism and composition via C zanne Though each writer had distinct interests and different intellectual problems to wrestle with as Berman demonstrates both had to wrestle with transmuting some outside influence and making it their own *To Build a Better Teacher* Robert G. Holland,2003-09-30 Throughout the 20th century grade school teachers were trained in schools of education where progressive theories largely held sway and were licensed by state bureaucracies philosophically compatible with the education schools Vested education interests now

seek to make the monopoly even more controlling by requiring that all teachers be products of education schools accredited by a single national agency dedicated to progressive ideals Holland proposes an alternative vision compatible with the emerging 21st century paradigm of a competitive education industry Lower unnecessary barriers to teaching so that bright persons of diverse background and disposition can become teachers Set up an alternative track as in New Jersey so that bright liberal arts graduates or persons with valuable real world experience can be hired as teachers and put under the supervision of experienced mentors Apply value added assessment as in Tennessee to these new teachers and to veteran teachers as well so that principals can see how much each teacher has helped each child progress academically or not from school year to school year Holland s plan to break up the teacher prep monopoly is bound to be controversial and as such should be of great interest to all from parents and administrators to teachers and policy makers concerned with improving the state of American education

The Brazen Age David Reid,2016 In the 1930s the rise of Hitler and World War II would send some of Europe s most talented men and women to America s shores vastly enriching the fields of science architecture film and arts and letters the list includes Albert Einstein Erwin Panofsky Walter Gropius George Grosz Andr Kert sz Robert Capa Thomas Mann Hannah Arendt Vladimir Nabokov and John Lukacs Reid draws a portrait of the frenzied creative energy of a bohemian Greenwich Village from the taverns to the salons Revolutionaries socialists and intelligentsia in the 1910s were drawn to the highly provocative monthly magazine The Masses which attracted the era s greatest talent from John Reed to Sherwood Anderson Djuna Barnes John Sloan and Stuart Davis And summoned up is a chorus of witnesses to the ever changing landscape of bohemia from Malcolm Cowley to Ana s Nin
