Male to Male Edward Tejirian,2013-04-03 Explore the feelings of men toward other men without the pigeonholing found in terms like gay and straight Male to Male Sexual Feeling Across the Boundaries of Identity starts with the evidence that most studies on male sexuality have ignored the same sex feelings of men whose identities are heterosexual Of the more than fifty men in this book almost half were aware of some degree of same sex feeling But beyond percentages the primary focus of Male to Male is the exploration through their own words of how these men experienced same sex feelings what these feelings meant to them the fears surrounding them and the consequences of the collision between their heterosexual identities and their same sex feelings In addition to comparative data on women s same sex feelings as well as on what men say in regard to their feelings about women Male to Male includes material from two in depth case studies The first is on Clark an African American man who moved into sex with men in prison His story shows that the need to see gay men as feminine is really a cultural defense against the powerful pull toward the male to male bond and points to the movement to fulfill that bond when this defense is dropped The second is on Zack a gay police officer His story explores the different dimensions and meanings of the male to male bond as these unfolded in his own life while telling about the heterosexually identified men who came out to him about their own same sex feelings Male to Male will help you explore same sex feelings in heterosexual men and women same sex feelings in the military prison culture and the heterosexual role the fear of domination the aesthetics of fear and power the dynamics of rape compassionate relationships between heterosexual identified men and much more Male to Male provides evidence showing that the identity that really counts constituting the deepest source from which men s sexual feelings for

each other spring is not specifically a gay or heterosexual identity That source is rather a male identity and beyond that a human identity

Sexuality of Men Andy Metcalf, Martin Humphries, 1990 Sex Equity and Sexuality in Education Susan S. Klein, 1992-01-01 Gelijke behandeling en seksuele vorming in het onderwijs staan centraal in deze bundeling essays Nieuw zijn deze thema's niet voor leerkrachten maar wel is er nog maar weinig aandacht gegaan naar de combinatie van deze twee onderwerpen De samenstellers zijn ervan overtuigd dat een goede seksuele vorming op school seksuele gelijkheid in de hand kan werken De eerste hoofdstukken zijn bedoeld als introductie op het thema De evolutie van ideeën over seksuele vorming seksualiteit en gelijke behandeling is het onderwijs worden in hun historische context geschetst Daarop voortbouwend worden een aantal doelstellingen geformuleerd waaraan seksuele vorming in het onderwijs zou kunnen voldoen Verder is er ook aandacht voor volgende onderwerpen seksuele intimidatie homoseksualiteit en seksualiteit en gehandicapten
