

The background of the book cover is a detailed, stylized illustration. On the right, a man in a white long-sleeved shirt with a dark, fringed sash and a wide-brimmed hat stands prominently. On the left, a group of men in military uniforms with many medals are shown in a dynamic, almost chaotic arrangement. In the lower left, an older man in a white poncho and hat is depicted. The overall style is reminiscent of mid-20th-century Latin American political art.

Silencios Y Las Voces En America Latina Los:

Los silencios y las voces en América Latina Alcira Argumedo, 1993 El pensamiento alternativo en la Argentina del siglo XX Arturo Andrés Roig, Carlos Alemián, 2004 A New Social Contract in a Latin American Education Context D. Streck, 2010-12-20 A New Social Contract in a Latin American Education Context is committed to what has become known as perspective of the South understanding the South not as a geographical reference but as a vindication of the existence of ways of knowing and of living which struggle for their survival and for a legitimate place in a world where the respect for difference is balanced with the right for equality The metaphor of the new social contract stands for the desire to envision another world which paradoxically cannot but spring out of the entrails of the existing one Could the same contract under which the colonial orders were erected serve as a tool for decolonizing relations knowledge and power Consequently what kind of education could effectively help structure a new social contract These are some of the questions Streck addresses
