Andrew Knapp

Long Row Of Candles Memoirs And Diaries 1934 1954:

A Long Row of Candles Cyrus Leo Sulzberger,1969 Contains primary source material **Along Row of Candles ; Memoirs and Diaries (1934-1954)** Cyrus Leo Sulzberger,1969 **Foreign Relations of the United States** United States. Department of State,1986 *Foreign Relations of the United States* United States. Dept. of State,1956 Charles de Gaulle Andrew Knapp,2020-11-02 In this new biography Andrew Knapp concisely dissects each of the major controversies surrounding General Charles de Gaulle leader of the Free French during the Second World War and President of France from 1959 to 1969 From the beginning of de Gaulle s military career in 1909 to an analysis of legacies and myths after his death in 1970 this study examines the path by which the French came to honour him as the greatest Frenchman of all time and as the twentieth century s pre eminent world statesman In each chapter Knapp analyses de Gaulle s participation in key events such as the development of France s resistance against Nazi Germany the decolonisation of Algeria the birth of the French Fifth Republic and the gigantic upheaval of May 1968 Simultaneously this study questions de Gaulle s actions and motives throughout his life By exploring the justification of the contemporary de Gaulle myth Knapp concludes by shedding new light on the influence of de Gaulle in the political culture of twenty first century France Through careful analysis of primary sources as well as recent scholarship this biography is an invaluable source for scholars and students of modern history the history of France political institutions and international relations **British Labour Government and The Greek Civil War** Athanasios D Sfikas,2019-08-07 The British Labour Government and The Greek Civil War 1945 49 **When Lions Roar** Thomas Maier,2015-10-27 The first comprehensive history of the deeply entwined personal and public lives of the Churchills and the Kennedys and what their special relationship meant for Great Britain and the United States When Lions Roar begins in the mid 1930s at Chartwell Winston Churchill s country estate with new revelations surrounding a secret business deal orchestrated by Joseph P Kennedy the soon to be American ambassador to Great Britain and the father of future American president John F Kennedy From London to America these two powerful families shared an ever widening circle of friends lovers and political associates soon shattered by World War II spying sexual infidelity and the tragic deaths of JFK s sister Kathleen and his older brother Joe Jr By the 1960s and JFK s presidency the Churchills and the Kennedys had overcome their bitter differences and helped to define the greatness in each other Acclaimed biographer Thomas Maier tells this dynastic saga through fathers and their sons and the remarkable women in their lives providing keen insight into the Churchill and Kennedy families and the profound forces of duty loyalty courage and ambition that shaped them He explores the seismic impact of Winston Churchill on JFK and American policy wrestling anew with the legacy of two titans of the twentieth century Maier also delves deeply into the conflicted bond between Winston and his son Randolph and the contrasting example of patriarch Joe Kennedy a failed politician who successfully channeled his personal ambitions to his children By approaching these iconic figures from a new perspective Maier not only illuminates the intricacies of this all

important cross Atlantic allegiance but also enriches our understanding of the tumultuous time in which they lived and the world events they so greatly influenced With deeply human portraits of these flawed but larger than life figures When Lions Roar explores the special relationship between the Churchills and Kennedys and between Great Britain and the United States highlighting all of its emotional complexity and historic significance Richard M. Nixon Conrad Black,2008-10-23 From the late 1940s to the mid 1970s Richard Nixon was a polarizing figure in American politics admired for his intelligence savvy and strategic skill and reviled for his shady manner and cutthroat tactics Conrad Black whose epic biography of FDR was widely acclaimed as a masterpiece now separates the good in Nixon his foreign initiatives some of his domestic policies and his firm political hand from the sinister in a book likely to generate enormous attention and controversy Black believes the hounding of Nixon from office was partly political retribution from a lifetime s worth of enemies and Nixon s misplaced loyalty to unworthy subordinates and not clearly the consequence of crimes in which he participated Conrad Black s own recent legal travails though hardly comparable have undoubtedly given him an unusual insight into the pressures faced by Nixon in his last two years as president and the first few years of his retirement **The Invincible Quest** Conrad Black,2009-02-24 The Invincible Quest is an authoritative biography of one of the most accomplished and controversial leaders of the twentieth century Beginning with Richard Nixon s birth to Quaker parents in 1913 and ending with his death in 1994 Conrad Black traces Nixon s career assessing both his achievements and the evolution of popular and historical thinking about him since his death Drawing on recently opened tapes and documents and on Black s personal interviews with many of the major players in Nixon s administration The Invincible Quest reveals a new side of Nixon a man who didn t have the advantage of charisma but was surprisingly self assured and effective a man dogged by political scandal yet seemingly unstoppable Opinionated balanced and perceptive The Invincible Quest makes a significant contribution to re evaluating the idiosyncratic president s entire eventful career **The Price of Truth** Richard Fine,2023-04-15 In The Price of Truth Richard Fine recounts the intense drama surrounding the German surrender at the end of World War II and the veteran Associated Press journalist Edward Kennedy s controversial scoop On May 7 1945 Kennedy bypassed military censorship to be the first to break the news of the Nazi surrender executed in Reims France Both the practice and the public perception of wartime reporting would never be the same While at the behest of Soviet leaders Allied authorities prohibited release of the story Kennedy stuck to his journalistic principles and refused to manage information he believed the world had a right to know No action by an American correspondent during the war proved more controversial The Paris press corps was furious at what it took to be Kennedy s unethical betrayal military authorities threatened court martial before expelling him from Europe Kennedy defended himself insisting the news was being withheld for suspect political reasons unrelated to military security After prolonged national debate when the dust settled Kennedy s career was in ruins This story of Kennedy s surrender dispatch and the meddling by Allied Command which was already being called a fiasco in May 1945 revises what we know

about media military relations Discarding Good War nostalgia Fine challenges the accepted view that relations between the media and the military were amicable during World War II and only later ran off the rails during the Vietnam War The Price of Truth reveals one of the earliest chapters of tension between reporters committed to informing the public and generals tasked with managing a war *Ike's Final Battle* Kasey S. Pipes, 2007 He called it one of the hardest things he ever did as difficult as leading the D Day invasion When Dwight Eisenhower sent the 101st Airborne to Little Rock to integrate Central High School in September 1957 he couldn't know that he was fighting the last great battle of his career one that would change forever both him and his country This is the story of how one of America's greatest leaders confronted America's greatest sin This is the unlikely tale of how Ike became a civil rights president Ike represents is a revolution in scholarship on Eisenhower and civil rights Though not uncritical the book credits his steady personal advance on the issue as well as his accomplishments in the military and as president Drawing on thousands of primary documents including newly released material Ike's Last Battle builds to its climax at Little Rock one of the most pivotal events of the civil rights movement Little Rock is at the epicenter but the book will also look at the cause and the aftermath **A Force So Swift** Kevin Peraino, 2018-09-18 New York Times Book Review Editors Choice Winner of the 2018 Truman Book Award A gripping narrative of the Truman Administration's response to the fall of Nationalist China and the triumph of Mao Zedong's Communist forces in 1949 an extraordinary political revolution that continues to shape East Asian politics to this day In the opening months of 1949 U.S. President Harry S. Truman found himself faced with a looming diplomatic catastrophe perhaps the greatest that this country has ever suffered as the journalist Walter Lippmann put it Throughout the spring and summer Mao Zedong's Communist armies fanned out across mainland China annihilating the rival troops of America's one time ally Chiang Kai-shek and taking control of Beijing Shanghai and other major cities As Truman and his aides including his shrewd ruthless secretary of state Dean Acheson scrambled to formulate a response they were forced to contend not only with Mao but also with unrelenting political enemies at home Over the course of this tumultuous year Mao would fashion a new revolutionary government in Beijing laying the foundation for the creation of modern China while Chiang Kai-shek would flee to the island sanctuary of Taiwan These events transformed American foreign policy leading ultimately to decades of friction with Communist China a long standing U.S. commitment to Taiwan and the subsequent wars in Korea and Vietnam Drawing on Chinese and Russian sources as well as recently declassified CIA documents Kevin Peraino tells the story of this remarkable year through the eyes of the key players including Mao Zedong President Truman Secretary of State Acheson Minnesota congressman Walter Judd and Madame Chiang Kai-shek the influential first lady of the Republic of China Today the legacy of 1949 is more relevant than ever to the relationships between China the United States and the rest of the world as Beijing asserts its claims in the South China Sea and tensions endure between Taiwan and the mainland *The Media Offensive* Alexander G. Lovelace, 2022-05-25 World War II was a media war President Franklin D. Roosevelt used the press to

a great extent of course but as the war progressed the media also came to influence commanders decisions on the battlefield Rescuing General Douglas MacArthur from the Philippines in deference to public opinion forced the Allies to divide the Pacific War between two competing theaters Omar Bradley s concern over US public opinion convinced General Dwight D Eisenhower to include Americans in the final assault against Axis forces in Tunisia General George S Patton Jr raced across Sicily to gain media attention and British respect General Mark Clark s hunger for publicity and the glory of capturing Rome allowed an entire German army to escape destruction Negative media pressure and the fear of V 1 bombs damaging British morale provided the impetus for the breakout of Normandy and the unsuccessful attempt to liberate the Netherlands in the fall of 1944 British general Bernard Montgomery s remarks to the press during the Battle of the Bulge almost caused him to lose his command and created tremendous ill feelings among the Allies Soon afterward Eisenhower was forced to hold the dangerously exposed city of Strasbourg because of French public opinion By V E Day even Eisenhower was attempting to get more publicity for American as opposed to Allied units The Media Offensive offers a new way to understand military media relations during World War II The press and public opinion shaped not only how the conflict was seen but also how it was fought Alexander Lovelace demonstrates that the US military repeatedly discovered that the best effects resulted from accurate news stories Truthful news reporting defined as news reporting that accurately depicts the events it describes could not be created by the military or even the media but could only emerge through a free press searching for it Lovelace recasts World War II in a new and unique fashion by placing media and public opinion at the center of battlefield decision making Unlike past scholarship on the media during World War II that focused on censorship propaganda or the adventure stories of war correspondents The Media Offensive takes the historiography of war reporting in a new direction In what could be called the new history of war reporting the focus is switched from how the military controlled reporters to how military decisions were shaped by the press *The Eagle and the Rising Sun* Alan Schom,2004 A fresh and provocative account of the greatest naval campaign of the twentieth century *Malraux* Axel Madsen,2015-03-17 The authorized biography of the most important man of letters in twentieth century France Andr Malraux French novelist art theorist and France s Minister of Cultural Affairs *John Foster Dulles* Richard H. Immerman,1999 John Foster Dulles was one of the most influential and controversial figures in the history of twentieth century U S foreign relations Active in the field for decades Dulles reflected and was a reflection of the tension that pervaded U S international conduct from its evolution as a global power in the early twentieth century through its emergence as the leader of the Free World during the Cold War His life and career embody the best and most troubling aspects of American foreign policy as it progressed toward international supremacy while swaying between altruism and self interest In this biography Richard Immerman traces Dulles s path from his early days growing up in the parsonage of the First Presbyterian Church of Watertown N Y through his years of amassing influence and power as an international business lawyer and adviser to his service as President Eisenhower s secretary of state This volume illuminates

not only the history of modern U S foreign policy but its search for a twentieth century identity Sophisticated yet accessible John Foster Dulles Piety Pragmatism and Power in U S Foreign Policy is an important resource for graduate and undergraduate courses in U S history and U S foreign relations ieth century identity Sophisticated yet accessible John Foster Dulles Piety Pragmatism and Power in U S Foreign Policy is an important resource for graduate and undergraduate courses in U S history and U S foreign relations ieth century identity Sophisticated yet accessible John Foster Dulles Piety Pragmatism and Power in U S Foreign Policy is an important resource for graduate and undergraduate courses in U S history and U S foreign relations ieth century identity Sophisticated yet accessible John Foster Dulles Piety Pragmatism and Power in U S Foreign Policy is an important resource for graduate and undergraduate courses in U S history and U S foreign relations

The Origins of the Cold War in the Near East Bruce Robellet Kuniholm,2014-07-14 Bruce Kuniholm takes a regional perspective to focus on postwar diplomacy in Iran Turkey and Greece and efforts in these countries to maintain their independence from the Great Powers Drawing on a wide variety of secondary sources government documents private papers unpublished memoirs and extensive interviews with key figures he shows how the traditional struggle for power along the Northern Tier was a major factor in the origins and development of the Cold War between the U S and the U S S R Originally published in 1980 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 The President and the Apprentice Irwin F. Gellman,2015-07-28

More than half a century after Eisenhower left office the history of his presidency is so clouded by myth partisanship and outright fraud that most people have little understanding of how Ike s administration worked or what it accomplished We know or think we know that Eisenhower distrusted his vice president Richard Nixon and kept him at arm s length that he did little to advance civil rights that he sat by as Joseph McCarthy s reckless anticommunist campaign threatened to wreck his administration and that he planned the disastrous 1961 Bay of Pigs invasion of Cuba None of this is true The President and the Apprentice reveals a different Eisenhower and a different Nixon Ike trusted and relied on Nixon sending him on many sensitive overseas missions Eisenhower not Truman desegregated the military Eisenhower and Nixon not Lyndon Johnson pushed the Civil Rights Act of 1957 through the Senate Eisenhower was determined to bring down McCarthy and did so Nixon never contrary to recent accounts saw a psychotherapist but while Ike was recovering from his heart attack in 1955 Nixon was overworked overanxious overmedicated and at the limits of his ability to function **The British Press and the Greek Crisis, 1943-1949** Gioula Koutsopanagou,2020-02-01 This book provides the first detailed analysis of how interactions between government policy and Fleet Street affected the political coverage of the Greek civil war one of the first

major confrontations of the Cold War During this period the exponential growth of media influence was an immensely potent weapon of psychological warfare Throughout the 1940s the press maintained its position as the most powerful medium and its influence remained unchallenged The documentary record shows that a British media consensus was more fabricated than spontaneous and the tools of media persuasion and manipulation were extremely important in building acceptance for British foreign policy Gioula Koutsopanagou examines how this media consensus was influenced and molded by the British government and how Foreign Office channels were key to molding public attitudes to British foreign policy These channels included system of briefings given by the News Department to the diplomatic correspondents and the contacts between embassies and the British foreign correspondents

Ike in Love and War Richard Striner, 2023-09-12 Dwight D Eisenhower is one of America's greatest and least appreciated presidents Behind the demeanor that made Dwight D Ike Eisenhower so popular was a cold as steel intelligence that kept his country prosperous and out of danger Because his operating methods were so deeply hidden it is only in the past few decades that historians have grasped the full extent of his achievements Ike in Love and War shows the hidden sacrifices that made Eisenhower remarkable It probes the mission that was driving him the quest to reconcile his skill as a fighter with his mother's pacifism which led him to become the greatest peacekeeper of his age More than other biographies this one explores the man's emotions It puts the long standing dispute about his romance with Kay Summersby in a new perspective tragedy Here is the story of a unique American the passion and brilliance he kept concealed the ambition that propelled him the sacrifices that wore down his health and the sheer self mastery that made it all look easy It never was His achievements are timely as Americans face unprecedented dangers This is the story of the world Ike made the things he achieved and the surprises that may still be in store for us as we strive to understand his life in full

The Top Books of the Year Long Row Of Candles Memoirs And Diaries 1934 1954 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have enthralled audiences this year. Long Row Of Candles Memoirs And Diaries 1934 1954 : Colleen Hoovers "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
