Authentic Writing Jeffrey Rice,2021-04-20 In typical academic circles texts must be critiqued mined for the obfuscated meanings they hide and shown to reveal larger broader meanings than what are initially evident To engage in this type of writing is to perform an authentic version of scholarship But what if a scholar chooses instead to write without critique What if they write about travelling their children food grocery shopping frozen garlic bread sandwiches condiments falafel yoga and moments that normally wouldn t be considered scholarly Can the writing still be scholarly Can scholarly writing be authentic if its topics comprise the everyday In Authentic Writing Jeff Rice uses this question to trace a position regarding critique the role of the scholar the role of the personal in scholarship the banal as subject matter and the idea of authenticity He explores authenticity as a writing issue a rhetorical issue a consumption issue a culture issue and an ideological issue Rather than arguing for a more authentic state or practice Rice examines the rhetorical features of authenticity in order to expand the focus of scholarship Re-imagining International Relations Barry Buzan,Amitav Acharya,2021-12-09 Buzan and Acharya challenge the discipline of International Relations to reimagine itself in the light of the thinking about and practice of international relations and world order from premodern India China and the Islamic world This prequel to their 2019 book

The Making of Global International Relations takes the story back from the two century tale of modern IR to reveal the deep global history of the discipline It shows the multiple origins and meanings of many concepts thought of as only modern and Western It opens pathways for the rest of the world into this most Eurocentric of disciplines encouraging them to bring their own histories concepts and theories with them The authors have written this book with the hope of inspiring others to extend these pathways by bringing in a wider array of cultures and exploring how they thought about and acted in worlds composed
