The ^ALong Tomorrow Michael R. Rose,2005-09-15 The conquest of aging is now within our grasp It hasn't arrived yet writes Michael R Rose but a scientific juggernaut has started rolling and is picking up speed A long tomorrow is coming In The Long Tomorrow Rose offers us a delightfully written account of the modern science of aging spiced with intriguing stories of his own career and leavened with the author's engaging sense of humor and rare ability to make contemporary research understandable to nonscientists

The Long Tomorrow Jef Anderson,2013-12-10 This is a book about eternity and not merely about Heaven or Hell As new creations we're commanded to move away from what seems natural to us what feels like our earthly needs wants and desires In fact the Gospel calls us to become supernatural moving toward what is beyond our nature focusing on things outside the confines of this world Because of this many who we'll share eternity with never find their place in this earthly life never where their puzzle piece was supposed to fit If we are Heirs and Children of the King then our hope should be firmly set on what will be important to us when we're experiencing forever to those things critical during the Long Tomorrow
