Look To The North Star A Life Of William King:

Look to the North Star Victor Ullman, 1969 More than a century ago one man with deep convictions and a country with benign ideals combined to create a place where black self emancipation black freedom could flourish The man was William King a slaveowner and Presbyterian minister educated to the stern moralities of Edinburgh The country was Canada and **Look to the North Star** is a vivid account of Buxton the community in western Ontario which the Reverend Mr King and his slaves founded in 1849 as a haven for black fugitives both slave and free in the harsh years before the Civil War Jacket

Look to the North Star Victor Ullman, 1994 **Fugitive Slaves and Spaces of Freedom in North America** Damian Alan Pargas, 2020-09-08 This volume introduces a new way to study the experiences of runaway slaves by defining different spaces of freedom they inhabited It also provides a groundbreaking continental view of fugitive slave migration moving beyond the usual regional or national approaches to explore locations in Canada the U S North and South Mexico and the Caribbean Using newspapers advertisements and new demographic data contributors show how events like the Revolutionary War and westward expansion shaped the slave experience Contributors investigate sites of formal freedom where slavery was abolished and refugees were legally free to determine the extent to which fugitive slaves experienced freedom in places like Canada while still being subject to racism In sites of semiformal freedom as in the northern United States fugitives claims to freedom were precarious because state abolition laws conflicted with federal fugitive slave laws Contributors show how local committees strategized to interfere with the work of slave catchers to protect refugees Sites of informal freedom were created within the slaveholding South where runaways who felt relocating to distant destinations was too risky formed maroon communities or attempted to blend in with free black populations These individuals procured false documents or changed their names to avoid detection and pass as free The essays discuss slaves motivations for choosing these destinations the social networks that supported their plans what it was like to settle in their new societies and how slave flight impacted broader debates about slavery This volume redraws the map of escape and emancipation during this period emphasizing the importance of place in defining the meaning and extent of freedom Contributors Kyle Ainsworth Mekala Audain Gordon S Barker Sylviane A Diouf Roy E Finkenbine Graham Russell Gao Hodges Jeffrey R Kerr Ritchie Viola Franziska M ller James David Nichols Damian Alan Pargas Matthew Pinsker A volume in the series Southern Dissent edited by Stanley Harrold and Randall M Miller The Houses of Buxton Patricia Lorraine Neely, 2005 *The Queen's Bush Settlement* Linda Brown-Kubisch, 2004-02-20 The Black pioneers 1839 1865 who cleared the land and established the Queen's Bush settlement in that section of unsurveyed land where present day Waterloo and Wellington counties meet near Hawkesville are the focus of this extensively researched book Linda Brown Kubisch's attention to detail and commitment to these long neglected settlers re-establishes their place in Ontario history Set in the context of the early migration of Blacks into Upper Canada this work is a must for historians and for genealogists involved in tracing family connections with these

pioneer inhabitants of the Queen's Bush In the 19th century one of the most important areas of settlement for fugitive American slaves was the Queen's Bush then an isolated region in the backwoods of Ontario Despite much recent attention to African Canadian history the Queen's Bush remains a remote territory for historical scholarship Linda Brown Kubisch offers a pioneering entry into that gap With a jeweller's eye for the biological subject Brown Kubisch introduces the courageous Black adventurers and the hardships they faced in Canada James Walker Professor of History University of Waterloo and author of *The Black Loyalists* 1976 1992 and *Race Rights and the Law* 1997

railroad *Black Ice* George Robert Fosty, Darril Fosty, 2007 The Colored Hockey League of the Maritimes was formed in 1895 in Halifax Nova Scotia Canada Comprised of the sons and the grandsons of runaway American slaves the league helped pioneer the sport of ice hockey changing this winter game from the primitive gentleman s past time of the Nineteenth Century to the to the modern fast moving game of today In an era when many believed Blacks could not endure cold possessed ankles too weak to effectively skate and lacked the intelligence for organized sport these men defied the established myths The Colored League was one of the most complex sports organizations ever created and was lead by Baptist ministers and church laymen Natural leaders and proponents of Black Pride these men represented a concept in sports never before seen Their rule book was The Bible Their game book the coded words and oral history derived from the experiences of American slavery and the Underground Railroad Their strategy the principles and teachings of American Black leader Booker T Washington the founder of the Tuskegee Institute and a believer in the concept of racial equality through racial separation Twenty five years before the Negro Baseball Leagues in the United States and twenty two years before the birth of the National Hockey League the Colored League would emerge as a premier force in Canadian hockey and supply the resilience necessary to preserve a unique culture which exists to this day Unfortunately their contributions were conveniently ignored or simply stolen as White teams and hockey officials influenced by the Black league copied elements of the Black style or sought to take self credit for Black hockey innovations Seven years of research has gone into this book This is the first book ever written on the Colored Hockey League of the Maritimes Schooling and Scholars in Nineteenth-century Ontario Susan E. Houston, Alison L. Prentice, 1988-01-01 Nineteenth century educational reformers were fond of an agricultural metaphor when it came to the provision of more and better schooling even good land they argued had to be cultivated othersie noxious weeds sprang up In this study of education in Ontario from the establishment of Upper Canada to the end of Egerton Ryerson s career as chief superintendent of schools in 1876 Susan Houston and Alison Prentice explore the roots of the provincial public school system set up to instill a work ethic and moral discipline appropriate to the new society as well as the beginnings of separate schools today the Ontario school system is once again the subject of intense and often bitter debate Many of the most contentious issues have deep and complex roots that go back to this era Houston and Prentice tell the story of how Ontario came to have a universal school system of exceptional quality and shed valuable light on an area of current concern **Boundless Dominion** Denis McKim, 2017-11-29 A study of the ideas especially regarding providence politics nature and history that influenced the early Canadian Presbyterian worldview Light of Nature and the Law of God Allen P. Stouffer, 1992-06-01 Allen Stouffer s analysis of Ontario s response to the freedmen reveals a virulent strain of racism that helps to explain why British North Americans were slow to join their British and American counterparts in the North Atlantic antislavery triangle After exploring the Canadian churches mixed reaction to antislavery he applies cliometrics to draw a socio economic profile of Canadian antislavery s leaders and followers Employing

British American and Canadian primary sources Stouffer has written this study the first book length examination of Canadian antislavery from a British North American perspective Earlier studies concluded that Canadian anti slavery was largely the result of Canada s proximity to the United States a proximity which precluded Canada s ignoring the situation While Stouffer recognizes the importance of the American influence he shows that the leaders of Canadian anti slavery were immigrants from Britain who had been deeply involved in antislavery in their homeland

Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
