## **Look To The Rock Old Testament Background To Our Understanding Of Christ:**

Look to the Rock Alec Motyer, 2020-05-21 The Bible is one book not two separate testaments so the Old Testament is essential for understanding the New In this stimulating book on the Old Testament background to Christ Alec Motyer shows how Jesus is the king expected who brings in the kingdom looked for in the Old Testament is both the image and the Word of God conquers sin and death and brings the disordered creation to its perfect consummation To neglect the Old Testament the author maintains is to have an impoverished view of the glory of Christ *Look to the Rock* Alec Motyer, 1996 A Biblical-Theological Introduction to the Old Testament Miles V. Van Pelt, 2016-05-31 The Old Testament is not just a collection of disparate stories each with its own meaning and moral lessons Rather it s one cohesive story tied together by the good news about Israel s coming Messiah promised from the beginning Covering each book in the Old Testament this volume invites readers to teach the Bible from a Reformed covenantal and redemptive historical perspective Featuring contributions from twelve respected evangelical scholars this gospel centered introduction to the Old Testament will help anyone who teaches or studies Scripture to better see the initial outworking of God s plan to redeem the world through Jesus Christ Dictionary of the Old Testament: Pentateuch T. Desmond Alexander, David W. Baker, 2002-12-13 Exploring the major themes and issues of the Pentateuch this encyclopedic work offers authoritative overviews detailed examinations and new insights from the world of the ancient Near East Edited by T Desmond Alexander and David W Baker *Theological Interpretation and Isaiah 53* Charles E. Shepherd, 2014-04-24 This study brings together the hermeneutical approaches of three Old Testament scholars specifically as they pertain to the interpretation of Isaiah 52 13 53 12 in the framework of Christian theology Contemporary discourse and hermeneutical discussions have led to the development of a point of confusion in theological hermeneutics focusing on what relationship older frames of reference may have with those more recent Bernhard Duhm is presented as a history of Religion scholar who does not easily abide by popular understandings of that school Brevard Childs moves outward from particular historical judgments regarding the nature of redaction and form criticism attempting to arrive at a proximately theological reading of the poem Alec Motyer s evangelical commitments represent a large constituency of contemporary theological readership and a popular understanding of Isaiah 53 Following a summary and critical engagement of each interpreter on his own terms the study analyzes the use of rhetoric behind the respective readings of Isaiah 53 and proposes theological reading as a highly eclectic undertaking distanced from the demarcations of pre critical critical and post critical *Knowing Jesus Through the Old Testament* Christopher J. H. Wright, 2014-10-14 We cannot know Jesus without knowing his story And that story began long before Jesus was born in Bethlehem The Gospels tell us clearly that Jesus himself along with his earliest followers understood who he was and what he came to do in the light of the story of Israel as told in the pages of the Old Testament Like them we too will find that our own understanding of both Jesus and the Old Testament is transformed as we see each in the light of the other Engaging with the

Scriptures Christopher J H Wright uncovers Jesus self understanding as Son of Man and Son of God following the path and fulfilling the call that God had placed before Israel Through this we discover that the deeper we go into understanding the Old Testament the closer we come to the heart of Jesus In this revised and updated second edition Wright digs deeper into the Old Testament revealing the God whom Jesus embodied Each chapter is followed with questions and exercises which can be used either in personal study or in group discussion Themelios, Volume 42, Issue 1 D. **Jesus and YHWH-Texts in the Synoptic Gospels** Scott Brazil,2024-02-21 Scott Brazil examines the frequent practice of applying Old Testament YHWH texts to Jesus in the Synoptic

Gospels He argues that this YHWH text phenomenon evidences a high Christology in the primitive church that traces back to Jesus himself He thus finds in this Synoptic practice a stinging contradiction against the modern critical theory that a high Christology took many decades to develop in the early church and exists only in John among the canonical Gospels Brazil surveys the Synoptic Gospels in canonical order exegeting dozens of passages in which OT texts originally referring to YHWH are either clearly or most probably applied to Jesus He observes the frequency diversity and ubiquity of the practice as well as its wide range of OT source material and its parallel to the NT practice of applying OT messianic texts to Jesus And from the data he offers several ramifications including the early deliberate employment of YHWH texts to Jesus the likelihood that Jesus is the source of the practice the high Christology of the Synoptics and the redemptive historical metanarrative that Jesus is the divine interpreter and central figure of the Jewish Scriptures Ultimately Brazil argues that understanding the prolific application of OT YHWH texts to Jesus in the Synoptic Gospels cannot be neglected without truncating genuine NT Christology

The Messianic Kingship of Jesus Sungho Choi, 2011-10-03 Identification of the Royal Psalms by Herman Gunkel indicates that the history and genre of the Royal Psalms must be distinguished from the Enthronement Psalms that are written to celebrate Yahweh's Kingship from those written to celebrate Davidic kingship In reference to this Joachim Becker argues against the presence of messianic Davidic Psalms in the Old Testament and posits that the initial hope in Davidic kingship died out during the exilic period and consequently centered Israelite faith in Yahweh alone It may thus be concluded that Yahweh's Kingship effaces the place of the Davidic Messiah Against this claim The Messianic Kingship of Jesus argues that the early Christian use of Psalm quotations in particular suggest that the Royal and Enthronement Psalms were viewed as one entity which suggests that Yahweh's reign and Davidic kingship in Jewish Christian thinking were not antagonistic but mutually complementary Within the synoptic tradition Matthew's emphasis on Davidic heritage supports this notion as he applies Son of David to the Son of God and also Son of Man Therein lies paradoxical tension in the use of the old Jewish Scripture as early Christians on the one hand sought to preserve their Jewish legacy but on the other creatively employed the Old Testament to support their christological message and the divine attributes of Jesus expressed in the Gospel The entire process of quotation by Matthew generates one of the major characteristics of Judeo Christian religiosity namely the manifestation of divine redemptive activity in the history of Israel

**Jesus as Torah in John 1-12** Dan Liroy, 2007-10-01 In this study of John 1-12 the author develops the thesis that Jesus is the divine incarnate Torah and that Jesus as Torah is the conceptual center of the Fourth Gospel An overarching goal of the treatise is to explore the Evangelist's portrait of Jesus as the fulfillment of the Mosaic law Connected with this aim is the central thesis that the Messiah appears in the Gospel of John as the realization of all the law's redemptive historical types prophecies and expectations A corresponding major claim is that those who trust in Jesus for eternal life and heed his teaching satisfy fully the requirements of the moral law recorded in Scripture An examination of John 1-12 substantiates the truth that Jesus is the perfection of the gift of the

Tanakh He existed in the beginning with the Father and Spirit as God The eternal Torah is light and life fulfillment and joy in fellowship with the triune God for all eternity The divine Tanakh by becoming incarnate revealed the glory of the Father and made the fullness of God's grace and truth available to humankind The living Word not only provides salvation but in so doing unveils the loving and redeeming heart of the Father for all to see The Son of God is the one to whom all the Old Testament luminaries such as Abraham Jacob Moses and Isaiah pointed and in whom their eschatological hopes were realized The Anointed One is greater than and supreme over all the religious institutions once associated with the Jerusalem tabernacle and temple Even such Jewish festivals as the Feast of Tabernacles Pentecost Dedication and Passover find their fulfillment in the Messiah This volume is appropriate for personal study and is also suitable as a college and seminary text
