Paperbound Book Guide for Colleges ,1972 **American Babylon** Philip S. Gorski,2020-03-31 Why did 81 percent of white evangelicals vote for Donald Trump in 2016 And what does this tell us about the relationship between Christianity and democracy in the United States American Babylon places our present political moment against a deep historical backdrop In Part I the author traces the development of democratic institutions from Ancient Greece through to the American Revolution and of Christian political theology from Augustine to Falwell Part II charts the decline of democratic governance within American churches explains the capture of evangelical Christianity by the Republican Party and denounces the fateful embrace between white Christian nationalists and right wing populists that culminated in Trump's victory An accessible and timely book American Babylon is essential reading for those concerned with the vexed relationship of religion and politics in the United States including students and scholars in the fields of divinity history political science religious studies and sociology **Industries of Architecture** Katie Lloyd Thomas,Tilo Amhoff,Nick Beech,2015-11-06 At a time when the technologies and techniques of producing the built environment are undergoing significant change this book makes central architecture's relationship to industry Contributors turn to historical and theoretical questions as well as to key contemporary developments taking a humanities approach to the Industries of Architecture that will be of interest to practitioners and industry professionals as much as to academic researchers teachers and students How has modern architecture responded to mass production How do we understand the necessarily social nature of production in the architectural office and on the building site And how is architecture entwined within wider fields of production and reproduction finance capital the spaces of regulation and management techniques What are the particular effects of techniques and technologies and above all their inter relations on those who labour in architecture the buildings they produce and the discursive frameworks we mobilise to understand them *Book News* ,1890 *Annual Paperbound Book Guide for High Schools* ,1969 **The New Routledge Companion to Science Fiction** Mark Boulton,Andrew M. Butler,Sherryl Vint,2024-06-13 The New Routledge Companion to Science Fiction provides an overview of the study of science fiction across multiple academic fields It offers a new conceptualisation of the field today marking the significant changes that have taken place in sf studies over the past 15 years Building on the pioneering research in the first edition the collection reorganises historical coverage of the genre to emphasise new geographical areas of cultural production and the growing importance of media beyond print It also updates and expands the range of frameworks that are relevant to the study of science fiction The periodisation has been reframed to include new chapters focusing on science fiction produced

outside the Anglophone context including South Asian Latin American Chinese and African diasporic science fiction The contributors use both well established critical and theoretical approaches and embrace a range of new ones including biopolitics climate crisis critical ethnic studies disability studies energy humanities game studies medical humanities new materialisms and sonic studies This book is an invaluable resource for students and established scholars seeking to understand the vast range of engagements with science fiction in scholarship today Chapter 39 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

Books in Series, 1985 Vols for 1980 issued in three parts Series Authors and Titles

The Whites of Their Eyes Jill Lepore, 2011-08-08 From acclaimed bestselling historian Jill Lepore the story of the American historical mythology embraced by the far right Americans have always put the past to political ends The Union laid claim to the Revolution so did the Confederacy Civil rights leaders said they were the true sons of liberty so did Southern segregationists This book tells the story of the centuries long struggle over the meaning of the nation's founding including the battle waged by the Tea Party Glenn Beck Sarah Palin and evangelical Christians to take back America Jill Lepore Harvard historian and New Yorker staff writer offers a careful and concerned look at American history according to the far right from the rant heard round the world which launched the Tea Party to the Texas School Board's adoption of a social studies curriculum that teaches that the United States was established as a Christian nation Along the way she provides rare insight into the eighteenth century struggle for independence a history of the Revolution from the archives Lepore traces the roots of the far right's reactionary history to the bicentennial in the 1970s when no one could agree on what story a divided nation should tell about its unruly beginnings Behind the Tea Party's Revolution she argues lies a nostalgic and even heartbreaking yearning for an imagined past a time less troubled by ambiguity strife and uncertainty a yearning for an America that never was *The Whites of Their Eyes* reveals that the far right has embraced a narrative about America's founding that is not only a fable but is also finally a variety of fundamentalism anti intellectual antihistorical and dangerously antipluralist In a new afterword Lepore addresses both the recent shift in Tea Party rhetoric from the Revolution to the Constitution and the diminished role of scholars as political commentators over the last half century of public debate

Interpreting the Self Diane Bjorklund, 2000-04-15 In this ambitious study Diane Bjorklund explores the historical nature of self narrative Examining over 100 American autobiographers published in the last two centuries she discusses not only well known autobiographies such as Mark Twain and Andrew Carnegie but also many obscure ones such as a traveling book peddler a minstrel a hotel proprietress an itinerant preacher a West Point cadet and a hoopskirt wire manufacturer Bjorklund draws on the colorful stories of these autobiographers to show how their historical epoch shapes their understandings of self A refreshingly welcome approach to this intriguing topic Bjorklund's extensive and systematic approach to her source material is impressive and enriches our understanding of this essential subject *Virginia Quarterly Review* Bjorklund studies

both famous and obscure writers and her clear prose style and copious quotations provide insight into the many aspects of the changing American self Library Journal **United States Cumulative Book Auction Records** ,1950 The Annual American Catalogue ,1890 **Subject Guide to Books in Print** ,1993 **The Literary World** ,1889 The Handbook of Banking Technology Tim Walker,Lucian Morris,2021-02-22
