Beneatha's Place Kwame Kwei-Armah, 2023-07-13 Some things we do for those we are responsible for some things for ourselves and some things we do for the ancestors Today it's all three 1959 The first wave of independence is sweeping across Africa and Beneatha has left the prejudice of 1950s America for a brighter future with her Nigerian husband in Lagos But on the day they move into their new house in the white suburbs it doesn't take long for cracks to appear changing the course of the rest of their lives Present day Now a renowned Dean whose colleagues are questioning the role of African American studies for future generations Beneatha returns to the same house in search of answers Inspired by Lorraine Hansberry's ground breaking modern classic *A Raisin in the Sun* Beneatha's Place challenges today's culture wars about colonial history and reckoning with the past A razor sharp satire from Young Vic Artistic Director Kwame Kwei-Armah about the power of knowing your history and the cost of letting it go this edition was published to coincide with the London premiere at the Young Vic Theatre in June 2023

Three One Act Plays Peter Routis, 2019-09-24 When the Prince of Darkness decides to destroy Job the curtain on his life and that of his family will be drawn Although a loyal servant to God Job finds peace with himself and his God after his destruction where he finally finds his place in heaven The Tragedy of Job captivates the audience with the brilliant elegant and compelling dialogues and soliloquies which bring to life this biblical tragedy Eli a Jewish high priest one of the last Israelite judges before the rule of kings lived his life serving God at the tabernacle in Shiloh He took under his wings Samuel who succeeded him as the last Israelite judge His end comes at the age of ninety eight when he learnt blind now that his sons were killed by the Philistines the Ark of the Covenant was captured and his daughter in law dies while giving birth to a son With captivating dialogues and soliloquies the drama of Eli underlines one of the most heartbreaking tragedies of the biblical era When the earth is destroyed due to climate change there are two lonely souls who meet at the side of a mountain trying to make sense out of this The Old Man who has spent his life searching for the truth desperation takes over him Someone said that darkness hides the truth And someone else said that darkness is everywhere But there is hope as long as the sun rises every morning and the stars shine above the ruins of civilization But hope always comes after hopeless moments I thought you mocked me the other night I thought you would never appear again But there you are Is that a hope It can't be But again what kind of a hope when everything is hopeless For Johanna and Theodore who deserve better I know that each one of us travels to love alone alone to faith and to death I know it I've tried it It doesn't help Let me come with you Giannis Ritsos 20th century Poet *The Cinematic Jane Austen* David Monaghan, Ariane Hudelet, John Wiltshire, 2014-01-10 Jane Austen's novels are loved because they possess a comedic power that is often conveyed through the singular voice of the narrators Film adaptations however have often been unsatisfactory

because they lack or awkwardly render features particularly the voice of the narrators This work argues for a fresh approach that begins with a reading of the novels that emphasizes their auditory and visual dimensions Building on their examination of Austen's inherently cinematic features the authors then develop productive new readings of the films

Michael O'Neill, 2014-09-19. Attacked by T. S. Eliot and F. R. Leavis, Shelley's poetry has over the last few decades enjoyed a revival of critical interest. His radical politics and arrestingly original poetic strategies have been studied from a variety of perspectives: formalist, deconstructionist, new historicist, feminist, and others. Of all the Romantics, Shelly has benefited most from the so-called theoretical revolution, as is borne out by the wide range of recent critical work represented in this volume. The 134 essays selected analyse many of Shelley's finest poems, including *Alastor*, *Julian and Maddalo*, *Prometheus Unbound*, *Adonais*, and *The Triumph of Life*. Michael O'Neill's informed Introduction explores the contours of this debate. Detailed headnotes to the individual essays, explanations of difficult terms, and a further reading section provide invaluable guides to the reader. This collection illuminates the enduring and contemporary significance of the work of a major poet. *A Child in Prison Camp* Shizuye Takashima, 2013-01-29. When Shizuye Takashima Shichan, as she was called, was eleven years old, her entire world changed forever. As a Japanese Canadian, in 1941 she was among thousands of people forced from their homes and sent to live in internment camps in the Canadian Rockies. Although none had been convicted of any crime, they were considered the enemy because the country was at war with Japan. In this true story of sadness and joy, Shichan recalls her life in the days leading up to her family's forced movement to the camp, her fear, anger, and frustration as the war drags on, and the surprising joys in the camp: a Kabuki play, holiday celebrations, and the ever-present beauty of the stars. **Emilie's Miraculous Birth: God, not Science is the Ultimate Source of Knowledge** Edy Laraque, 2020-08-25. A dying, dehydrated pregnant lady in labor is kept alive by the diverse team of professionals of the Doctors without Borders clinic located in Nepal's impoverished North Western region. In a grueling, cow-like delivery, the mother gives birth to a baby boy and still carries a twelve-year-old fetus likely to die in her didelphys uterus. By the wonders of medical science and in a climate of international diplomatic conflicts, a team of experts gives birth to Emilie, the curled-up tadpole, and performs multiple surgeries, organ transplants, and physiotherapy to create a human body for the Miracle Girl. An Awards Ceremony is held to celebrate the Nobel Prize-winning team. Crowned by the Elder during a colorful cultural ceremony by the Nepalese delegation, Queen Emilie stuns the scientific community with an appeal to humility with her message to stop behaving like gods, to acknowledge God as the ultimate source of knowledge, and to submit to the Almighty's wills.
