Revival: Castlereagh (1936) John Arthur Ransome Marriott,2018-04-17 This book represents on the one hand the fulfilment of a long cherished hope on the other an act of tardy expiation The crime for which expiation is offered is partly collective The reproach which lies on historians at large is considered in the Prologue The personal crime can be confessed only through the more intimate medium of a Preface More than thirty years ago I published a little book on George Canning John Murray 1903 in which I did less than justice to Castlereagh The error was not peculiar to me and might perhaps be regarded as venial in a budding politician and inexperienced historian who had spent some of the happiest evenings of his Oxford life in the famous club dedicated to Mr Canning s memory Yet all these years it has lain heavy on a conscience too tender perhaps for an active participant in politics That participation combined with other circumstances to delay the expiation even now inadequately made But however inadequate it cannot safely be deferred much longer *Lives of Lord*
