Collins, 2019-05-30 Three hundred years after his death Matthew Henry 1662 1714 remains arguably the best known expositor of the Bible in English due largely to his massive six volume Exposition of the Old and New Testaments However Henry's famous commentary is by no means the only expression of his engagement with the Scriptures His many sermons and works on Christian piety including the still popular Method for Prayer are saturated with his peculiarly practical approach to the Bible To mark the tercentenary of Henry's death Matthew A Collins and Paul Middleton have brought together notable historians theologians and biblical scholars to celebrate his life and legacy Representing the first serious examination of Henry's body of work and approach to the Bible Matthew Henry The Bible
