Scenes From The Sex War:

Scenes from the Sex War Maeve Haran, 1993 **Scenes from the Sex War**, Sex Scene Eric Schaefer, 2014-03-21
Sex Scene suggests that what we have come to understand as the sexual revolution of the late 1960s and early 1970s was actually a media revolution. In lively essays the contributors examine a range of mass media film and television recorded sound and publishing that provide evidence of the circulation of sex in the public sphere from the mainstream to the fringe. They discuss art films such as *I am Curious Yellow*, mainstream movies including *Midnight Cowboy*, sexploitation films such as *Mantis in Lace*, the emergence of erotic film festivals and of gay pornography, the use of multimedia in sex education and the sexual innuendo of *The Love Boat*. Scholars of cultural studies history and media studies the contributors bring shared concerns to their diverse topics. They highlight the increasingly fluid divide between public and private, the rise of consumer and therapeutic cultures and the relationship between identity politics and individual rights. The provocative surveys and case studies in this nuanced cultural history reframe the sexual revolution as the mass sexualization of our mediated world. Contributors: Joseph Lam, Duong Jeffrey Escoffier, Kevin M. Flanagan, Elena Gorfinkel, Raymond J. Haberski Jr, Joan Hawkins, Kevin Heffernan, Eithne Johnson, Arthur Knight, Elana Levine, Christie Milliken, Eric Schaefer, Jeffrey Sconce, Jacob Smith, Leigh Ann Wheeler, Linda Williams. **Sex Wars** Lisa Duggan, Nan D. Hunter, 2006. This tenth anniversary edition addresses the ongoing debate surrounding feminism and sexuality, highlighting the major events that have shaped public debates around sexuality since 1995, including *Lawrence vs Texas* and the rights of same sex couples in Massachusetts. **Framing the Sex Scene: A New Take on Israeli Film History** Naomi Rolef, 2021-02-22. This book retells the history of Israeli film in the 1960s and 1970s in sex scenes. Through close readings of the first sex scenes in mainstream Israeli movies from this period, it explores the cultural and social contexts in which these movies were made. More specifically, it discusses how notions of collective identity, individual agency and the public and private spheres are inscribed into and negotiated in sex scenes, especially in light of the historical events that marked these decades. This study thus pushes away from the traditional academic perception of Israeli film and opens up new ways of understanding how it has developed in recent decades. It draws on a growing international body of academic literature on the cinematic representation of sex in order to illuminate the particularities of the Israeli context in the 1960s and 1970s. Apart from film scholars and scholars of Israeli film, this study also addresses readers interested in Israeli cultural history more broadly. **Modernism and the Theater of Censorship** Adam Parkes, 1996-02-22. Adam Parkes investigates the literary and cultural implications of the censorship encountered by several modern novelists in the early twentieth century. He situates modernism in the context of this censorship, examining the relations between such authors as D. H. Lawrence, James Joyce, Radclyffe Hall and Virginia Woolf and the public controversies generated by their fictional explorations of modern sexual themes. These authors located obscenity at the level of stylistic and formal experiment. *The Rainbow*, *Lady Chatterley's Lover*, *Ulysses* and *Orlando* dramatized problems of

sexuality and expression in ways that subverted the moral political and aesthetic premises on which their censors operated In showing how modernism evolved within a culture of censorship Modernism and the Theater of Censorship suggests that modern novelists while shaped by their culture attempted to reshape it **Reciprocal Haunting: Pat Barker's**

Crossdressing in Early Modern English Literature Simone Chess, 2016-04-14 This volume examines and theorizes the oft ignored phenomenon of male to female MTF crossdressing in early modern drama prose and poetry inviting MTF crossdressing episodes to take a fuller place alongside instances of female to male crossdressing and boy actors crossdressing which have long held the spotlight in early modern gender studies The author argues that MTF crossdressing episodes are especially rich sources for socially oriented readings of queer gender that crossdressers genders are

constructed and represented in relation to romantic partners communities and broader social structures like marriage economy and sexuality Further she argues that these relational representations show that the crossdresser and his her allies often benefit financially socially and erotically from his her queer gender presentation a corrective to the dominant idea that queer gender has always been associated with shame containment and correction By attending to these relational and beneficial representations of MTF crossdressers in early modern literature the volume helps to make a larger space for queer genderqueer male bodied and queer feminine representations in our conversations about early modern gender and sexuality

has produced its own colourful cast of robbers murderers and fraudsters Much of the crime was prompted by poverty and foul living conditions but the main driver has always been the desire or need for money by whatever means and the risks involved Until the eighteenth century this often involved a trip to perform the Tyburn jig in front of a baying crowd of thousands For a time Londoners staggered around in a gin induced haze Mothers often abandoned or even sold their children just for a chance to block out the horrors of a seething London The lanes and alleys around Covent Garden were lined with prostitutes many still children Famous beauties were kept by aristocrats and royalty and referred to as courtesans although in many cases the dividing line between them and their less fortunate sisters lining the streets was thin indeed The ending of the Great War saw the appearance of drugs although at this stage they were mainly confined to the rich and influential as London entered the jazz age The second world war and the Blitz was not all about the spirit and bravery of Londoners as gangs plundered wrecked houses and even stole from corpses After the war the likes of the violent Jack Spot and Billy Hill were superseded by the Kray twins and the sadistic Richardson brothers as they fought for control of London s drinking clubs A little light relief was offered throughout the years by a succession of sexual scandals Those particularly welcome involved senior politicians A heady brew indeed covering centuries of crimes and indiscretions brought together this very readable account by author and social historian Mike Hutton
