Language Learner Autonomy **TEACHING ENGLISH AS A SECOND LANGUAGE, Second Edition** MANISH A. VYAS, YOGESH L. PATEL, 2015-09-17 English Language Teaching (ELT) especially English as a Second Language (ESL) and English as a Foreign Language (EFL) has been witnessing unprecedented changes in curriculum, teaching methodology and the application of learning theories. This has created a demand for teachers who can teach English to learners of varied cultural, socio-economic and psychological backgrounds. The book in its second edition continues to discuss the modern trends, innovations as well as the difficulties and challenges in teaching and learning ESL in a non-native context. The book with contributions from many experts, each one specializing in a particular field from countries such as UK, USA, Australia, New Zealand, India, Nigeria, Sri Lanka, China and Japan, provides new methods, strategies and application-oriented solutions to overcome the problems in a practical way. The book deals with all topics pertinent to English as a Second Language or English for the non-native speakers and these are further reinforced by a large number of examples and quotations from different sources. The new edition comes along with thoroughly improvised chapters on Narrative Inquiry for Teacher Development (Chapter 13) and Mass Media Language Attitudes and Language Interaction Phenomena (Chapter 23) to provide an insight on the innovative approaches in teacher training and in classrooms and new approaches and changing language dimensions in the world of media and in general. What distinguishes the text is its focus on modern innovations and use of technology in ELT. CLT Communicative Language Teaching Postgraduate Students of English teachers, teacher trainees, B Ed, M A Education, M Ed and teacher educators who are concerned with teaching English as a Second Language (ESL) should find this book immensely helpful. *The Cambridge Guide to Pedagogy and Practice in Second Language Teaching* Jack C. Richards, Anne Burns, 2012-01-31 This collection of original articles provides an overview of key issues and approaches in contemporary language teaching. **Second Language Learning and Language Teaching** Vivian Cook, 2016-05-05 Second Language Learning and Language Teaching provides an introduction to the application of second language acquisition research to language teaching. Assuming no previous background in second language acquisition or language teaching methods, this text starts by introducing readers to the basic issues of second language acquisition research. It then examines how people learn particular aspects of the second language such as grammar, vocabulary, pronunciation and the writing system and the strategies they adopt in their learning and the differences between individuals. Final chapters look at second language learning in a broader context, the goals of language teaching and how teaching methods relate to SLA research. This newly updated fifth edition builds on the comprehensive scope of earlier editions while also addressing more recent developments in the field, particularly multilingual approaches to language teaching. Second Language Acquisition and Task-Based Language Teaching Mike Long, 2014-07-31 This book offers an in-depth explanation of Task-Based Language Teaching (TBLT) and the methods necessary to implement it in the language classroom successfully.
