Barter,Erica E. Hirshler,1998 One of the few women artists to succeed professionally in her era Mary Cassatt 1844 1926 holds a unique place in the history of art This handsome volume richly illustrated with works spanning Cassatt s entire career accompanies a major traveling exhibition that opens at The Art Institute of Chicago October 1998 300 illustrations 100 in color      **Mary Cassatt** Frank Getlein,1980 Presents paintings pastels and prints by the American impressionist and brief notes that explain the circumstances surrounding each composition      **Mary Cassatt** Mary Cassatt (Malerin),1980

students she was determined to make art her career rather than just a social skill. She was disappointed at her art education in the United States and moved to Paris to study art under private tutors in Paris. Her mother and family friends traveled with her to France acting as chaperones. In Europe, Cassatt's paintings were better received, increasing her prospects and exhibited in the Salon of 1872, selling a painting. She exhibited every year at the Paris Salon until 1877 when all her works were rejected. Distraught at her rejection, she turned to the Impressionists who welcomed her with welcome arms. Deciding early in her career that marriage was not an option, Cassatt never married and spent much of her time with her sister Lydia until her death in 1882 which left Mary unable to work for a short time. As her career progressed, her critical reputation grew and she was often touted along with Degas as the one of the best exhibitors at the Impressionist Salon. She was awarded the French Legion of Honor in 1906.

**Mary Cassatt** Nancy Mowll Mathews, Pierre Curie, 2018. During her lifetime, Mary Cassatt (1844-1926) achieved great fame in both France and America. But while she is still highly regarded in the United States, she is now somewhat overlooked in France where she lived and worked for more than sixty years and where she became the only American artist to exhibit with the Impressionists in Paris. The exhibition *Mary Cassatt: An American Impressionist in Paris* held in the Musée Jacquemart-André is the first retrospective dedicated to the painter in France since her death. The exhibition will bring together around fifty major works on loan from museums and institutions. Oils, pastels, and prints retrace Cassatt's entire career, explore the modernity of her approach, and show how she became one of the leading figures of the avant-garde movement of her day. This catalogue, which complements the exhibition, presents the various facets of an artist who had a complex career: a classically trained painter who became an Impressionist, the brilliant creator of the Modern Madonna, and a tireless experimenter. Cassatt was also an ardent supporter of women's suffrage. This catalogue aims to restore Cassatt to her rightful place in the history of modern art.

Mary Cassatt B. A. Hoena, 2004. Discusses the life, works, and lasting influence of Mary Cassatt.

*Mary Cassatt* Debra N. Mancoff, 1998-09. Via paintings, prints, and pastels created by Mary Cassatt throughout her career, this book explores the main facets of feminine life: solitary, social, public, and intimate, and offers an intriguing look into the world of women in the late 19th century. 50 color photos, 10 archival prints.

**Mary Cassatt** Iain Zaczek, 2014-08-01. Mary Cassatt said: "There are two ways for a painter: the broad and easy one or the narrow and hard one." Though born in Pennsylvania, Cassatt studied traditional art in Europe but was eventually influenced by the Impressionists and Japanese prints. Full-color photographs of her works, including *At the Opera*, demonstrate her techniques which readers can learn to emulate. Details and interesting trivia about her pieces are called out, such as the reason the figure in *Young Woman Sewing in a Garden* is wearing white. Cassatt wanted other colors to be reflected on it.

*Mary Cassatt: Prints* Kathleen Adler, 2008-09-01. Catalogue of an exhibition held at the

National Gallery in London in 2006 that offered a rare opportunity to view a collection of prints born out of Mary Cassatt's collaboration with Degas and Pissarro. After her initial collaboration with Degas, Cassatt became exceptionally skilled in mastering the print medium. Her talent extended to a variety of media, including etching, drypoint, and aquatint, techniques that display considerable boldness and technical innovation. The suite of 19 prints displayed in full color in this publication is particularly striking, skillful, and captivating. Cassatt's work typifies the range and diversity of practice of the American artists working in Paris during the second half of the 19th century.
