## **Mary Glimpses Of The Mother Of Jesus:**

**Mary** Beverly Roberts Gaventa, 1999-01-01 Beverly Roberts Gaventa A fresh distinctive Protestant treatment of Mary's life and legacy

**Mary** Gwendolyn B. Sayler, 2000 **The Virgin Mary in the Perceptions of Women** Joelle Mellon, 2016-04-21 Once the Virgin Mary was a pivotal element of Christianity a holy figure at the heart of most Christians' spiritual lives She was invoked at all major life passages baptisms weddings childbirths and funerals and images of the Virgin Mary could be found virtually anywhere from pub signs to sacred texts Medieval women especially looked to Mary to answer their prayers be their role model and serve as their advocate in heaven They prayed to her several times a day and sometimes devoted their entire lives to her service This book investigates perceptions of the Virgin Mary through several centuries of literature Focusing especially on the depictions of the Virgin Mary in medieval and Renaissance manuscripts the author rediscovers a time when the Divine Female was very much in evidence and good Christian women were taught to pray to a Holy Mother Topics include the cyclical popularity of Virgin Mary devotional objects such as Books of Hours rosaries and Marian gardens the mystical qualities attributed to the Virgin Mary through centuries of reported divine visions the historical relationships between the Virgin Mary and other religious figures including the Devil and Mary Magdalene as an alternative to the Virgin Mary as a feminine model

**Blessed One** Beverly Roberts Gaventa, Cynthia L. Rigby, 2002-01-01 Despite her prominence in the Christian narrative Mary largely has been neglected within the Protestant church Widely respected Protestant scholars seek to answer three basic questions Who is Mary How does Mary's story intersect with contemporary life and What does Mary teach us about God

Mary, Mother of God Carl E. Braaten, Robert W. Jenson, 2004-06-15 Since the Council of Ephesus A.D. 431 orthodox Christianity has confessed Mary as Theotokos Mother of God Yet neither this title nor Mary's significance has fared well in Protestant Christianity In the wake of new interest in Mary following Vatican II and recent ecumenical dialogues this volume seeks to make clear that Mariology is properly related to Christ and his church in ways that can and should be meaningful for all Christians Written with insight and sensitivity by Orthodox Catholic and Protestant scholars these seven studies inquire into Mary's place in the story of salvation in personal devotion and in public worship Contributors Carl E. Braaten Lawrence S. Cunningham Kyriaki Karidoyanes FitzGerald Beverly Roberts Gaventa Timothy George Robert W. Jenson Jaroslav Pelikan David S. Yeago

The Other Person in the Picture Philip Walker Jacobs, 2022-09-14 In this thought provoking and beautifully illustrated volume Jacobs invites us to reconsider the significance of Joseph of Nazareth and the role and influence he had in the life of Jesus Relying on a careful reading of Scripture and recent archaeological studies he challenges the historic and contemporary assumptions of those who have sought through their writing and art to marginalize Joseph and his importance in Christian history and the life of the church Recognizing that Joseph is often minimized or left out of religious and cultural representations of the holy family in plays and in Christmas cards he reminds us that like Mary Joseph was chosen by God to care teach and shape the one who would bring

salvation and hope to the world In the process Jacobs encourages us to see Joseph as Scripture presents him as believer dreamer prayer protector teacher husband and father and as more than just the other person in the picture *The Disappearance of Eve and the Gender of Christ* Kevin Carnahan,2025 By assigning responsibility for sin to Adam and credit for salvation to Christ Paul removed Eve from salvation history This book revises Paul s original formula and with it common claims about Christ s sex and gender It accepts Christ as both the new Adam and the new Eve and accepts that Christ is theologically speaking trans **Body-Poetics of the Virgin Mary** Jane Petkovic,2021-05-25 The Judeo Christian scriptures understand humans as being made in the image of God What exactly does this mean Basic agreement is that it means humans can only know and understand themselves in relation to God If however this God is pure uncreated spirit where does human embodiment fit in Is it an obstacle to understanding Or is it in some way instructive John Paul II comes down decisively in favor of the body s value and importance In his catechetical series widely known as the Theology of the Body John Paul II analyzes what is distinctive about human beings He undertakes a reading of the body This book reflects on John Paul II s interpretation extending his findings to the Virgin Mary Her specifically female maternal body is seen to offer insights into how the body images God in how it speaks The transformations of the female body parallel the transformations of language in poetry The reconfigurations and accommodations of the gestational body are this book suggests poetic incarnations of God likeness Body Poetics of the Virgin Mary offers a Mariological slant on theological anthropology and a new way to think of how humans poetically image God **The New Testament Today** Mark Allan Powell,1999-01-01 This volume offers the collective insight of eleven scholars who represent the spectrum of New Testament studies Their expert commentaries make this book an invaluable resource for both the seasoned researcher and the beginning student

*Christian Engagements with Judaism* W. D. Davies,1999-08-01 This volume gathers together studies on various engagements between Judaism and Christianity The author examines such topics as the nature of Judaism canon and Christology Torah and dogma law in Christianity and the promised land in Jewish and Christian tradition **A Theory of Character in New Testament Narrative** Cornelis Bennema,2014-04-01 In this study in three dimensional character reconstruction Cornelis Bennema presents a new theory of character in the New Testament literature Although character has been the subject of focused literary critical study of the New Testament since the 1970s Bennema observes that there is still no consensus regarding how character should be understood in contemporary literary theory or in biblical studies Many New Testament scholars seem to presume that characters in Greco Roman literature are two dimensional Aristotelian figures unlike the well rounded psychologized individuals who appear in modern fiction They continue nevertheless to apply contemporary literary theory to characters in ancient writings Bennema here offers a full comprehensive and non reductionist theory for the analysis classification and evaluation of characters in the New Testament *A Feminist Companion to Luke* Amy-Jill Levine,Marianne Blickenstaff,2002-07-15 The third volume in this series deals with Lukan

themes in feminist perspectives The fourteen essays from an international authorship cover a range of issues including Imperial Masculinity Mary and Asceticism Martha in the Kitchen and Reading Luke 15 with Arab Christian Women The list of contributors includes Robert Karris Mary Rose D Angelo Brigitte Kahl Turd Karlsen Seim Barbara Reid Teresa Hornsby Ben Witherington III Esther DeBoer Veronica Koperski Loveday Alexander Warren Carter Pamela Thimmes Carol Schersten Lahurd and Maris Luisa Rigato The volume also includes an introduction by the editor and a bibliography Mary and Mariology , Women and Men in the Fourth Gospel Margaret Beirne,2004-12-10 e fourth gospel presents the reader with an early christian text in which women and men are treated as a discipleship of equals as this term is broadly understood in the work of Elisabeth Schussler Fiorenza but qualified with respect to her discussion of the meaning of equality when applied to gender Specifically the gospel contains six examples of gender pairs of characters a widely accepted lukan feature The members of each pair are portrayed in a parallel or contrasting faith encounter with the Johannine Jesus which is of substantial theological importance to the gospel s stated purpose John 20 31 The six pairs are the mother of Jesus 2 1 11 and the royal official 4 46 54 nicodemus 3 1 12 and the samaritan woman 4 4 42 the man born blind 9 1 41 and Martha 11 1 54 Mary of Bethany and Judas 12 1 8 the mother of Jesus and the beloved disciple 19 25 27 Mary Magdalene 20 11 18 and Thomas 20 24 29 **Mary** Anthony J. Kelly,2023-03-01 The place of Mary in Christian theology has been a contested one ever since the Protestant Reformation of the sixteenth century and also the advent of feminist theology in the twentieth century Protestantism challenged much of the Mediaeval piety surrounding Mary in the West along with her intercessory role and that of the saints more generally Feminist thinking has questioned the portrayal of Mary as the demure and passive virgin mother a portrayal that places her beyond the ken of ordinary women In all this turmoil of questioning and dispute including effects on the ecumenical front to find common ground in the figure of Mary ARCIC Anthony Kelly has produced a very fine and moving series of reflections on the person and theological significance of Mary Writing from a Roman Catholic perspective Fr Kelly points to Mary s role in elucidating the core doctrines of the faith the Trinity the church the sacraments particularly the Eucharist and eschatology He sees Mary s role in the life of the church from beginning to end as pervasive Her presence weaves through every point in the church s existence in its origins its ongoing ministry and mission and its final goal The Revelation of the Messiah Caleb Friedeman,2023-01-19 In the first two chapters of Luke characters acknowledge Jesus as Messiah Son of God and Lord Lukan characters also speak of John going before the Lord God suggesting that Jesus might be the Lord in view and connect Jesus with Old Testament YHWH passages These features have made Luke 1 2 a key locus for discussions of Lukan Christology generating speculation as to whether Luke presents Jesus as divine However they also create an apparent incongruity with the body of the Gospel In Luke 3 and elsewhere human characters are initially ignorant that Jesus is Messiah Son of God and Lord Moreover Jesus divinity if Luke affirms it does not seem to be recognized until after the resurrection In this study Caleb Friedeman advances a new model for understanding

the Christological relationship between Luke 1 2 and the rest of Luke Acts in which Luke presents these opening chapters as a Christological mystery      *Walking with Mary* Edward Sri,2017-10-10 Mary appears only a few times in the Bible but those few passages come at crucial moments Catholics believe that Mary is the ever virgin Mother of God the Queen of Heaven and Earth But she also was a human being a woman who made a journey of faith through various trials and uncertainties and endured her share of suffering Even with her unique graces and vocation Mary remains a woman we can relate to and from whom we have much to learn In *Walking with Mary* Edward Sri looks at the crucial passages in the Bible concerning Mary and offers insight about the Blessed Mother s faith and devotion that we can apply in our daily lives We follow her step by step through the New Testament account of her life reflecting on what the Scriptures tell us about how she responded to the dramatic events unfolding around her This book is the fruit of my personal journey of studying Mary through the Scriptures from her initial calling in Nazareth to her painful experience at the cross writes Edward Sri It is intended to be a highly readable accessible work that draws on wisdom from the Catholic tradition recent popes and biblical scholars of a variety of perspectives and traditions With the riches of these insights we will ponder what her journey of faith may have been like in order to draw out spiritual lessons for our own walk with God He add It is my hope therefore that whether you are of a Catholic Protestant or other faith background this book may help you to know understand and love Mary more and that it may inspire you to walk in her footsteps as a faithful disciple of the Lord in your own pilgrimage of faith      **Making Sense of Motherhood** Beth M. Stovell,2016-02-02 Motherhood provides a crucial place for exploring human life and its meaning Within motherhood lies a deep tension between the pain crisis and association with death in motherhood and the joy transformation and life in motherhood Few metaphors in Scripture or in life stand so firmly between life and death love and loss and joy and deep pain After all motherhood s meaning in part comes again and again at these crucial crossroads Thus motherhood has powerful implications for our biblical and theological understanding Bringing together Jewish and ecumenical Christian scholars from North America Oceania and South America this edited volume provides biblical and theological perspectives on understanding motherhood The authors reflect upon a selection of biblical texts systematic theologians and Christian spiritual traditions to dialogue with the experience of maternity in its diverse manifestations The purpose of the book is to provide essays that through these biblical and theological lenses engage the question of motherhood today from the experience of pregnancy and birth to raising children to losing children and coping with grief In this way this volume helps to make sense of the complexity of motherhood      **Mary, Bearer of Life** Christopher Cocksworth,2023-05-31 Whether through suspicion or ignorance serious consideration of what Mary can teach us has been lacking in large swathes of the church for some time Drawing on careful biblical exegesis church history and ecumenical thinking this book suggests how a serious understanding of Mary might influence our ethical thought and considers some of the key theological tensions at the heart of the church s engagement with Mary      *Voices from the Edge* Michelle

Panchuk, Michael Rea, 2020-05-27 Over the past several decades scholars working in biblical theological and religious studies have increasingly attended to the substantive ways that our experiences and understanding of God and God's relation to the world are structured by our experiences and concepts of race gender disability and sexuality These personal and social identities and their intersections serve as a hermeneutical lens for our interpretations of God self the other and our religious texts and traditions However they have not received nearly the same level of attention from analytic theologians and philosophers of religion and so a wide range of important issues remain ripe for analytic treatment The papers in this volume address the various ways in which the aforementioned social identities intersect with shape and might be shaped by the questions with which analytic theology and philosophy of religion have typically been concerned as well as what new questions they suggest to the discipline We focus on three central areas of analytic theology methodological principles the intersection of social identities with religious epistemology and the connections among eschatology ante mortem suffering and ante mortem social perceptions of bodies
