Mary Hartman Story:

The Mary Hartman Story Daniel Lockwood, 1976 **Producing Feminism** Jennifer S. Clark, 2024-02-27 The story of the U S women s movement and television in the 1970s has been told primarily in two often coordinating ways through feminist reform efforts that originated outside of the television industry and through feminist impact on on air representations of women Producing Feminism augments these accounts by exploring the effects of the women s movement on television production Centering women who worked in television across a variety of occupations including writers producers clerical staff researchers consultants hosts actors and commentators illustrates the changes they brought to workplace dynamics and protocols and norms of making television These workers interventions demonstrate the need to look at work processes and experiential qualities of television workplaces along with onscreen representations that emerge from these sites of production to understand more fully how feminism affected television Research conducted for Producing Feminism features archival research and interviews these materials reveal feminist influences on television that were not always visible to the public nor manifested onscreen the conditions of television workplaces and experiences of women working in television and the myriad strategies women workers used to reform the industry *Improbable Encounters: The Story of a Broadcast Journalist* Wayne Combs, 2019-12-30 This book depicts Wayne Combs life Detailing events from from listening to the radio as a child his desire to work on the radio and his first job in his home town of Hazard Kentucky It describes his positions on radio stations in Lexington Kentucky Norfolk Virginia Birmingham Alabama St Louis Missouri and Kansas City Missouri He finished his career in Carrollton and Moberly Missouri There were a lot of adventures along the way which are mentioned in this text There were some very interesting people he met and in some cases interviewed including President John F Kennedy President Richard Nixon Dr Martin Luther King Jr and Evel Knievel There are several humorous incidents described in this publicat **The Spiritual History of Branson-Land of the Osage** Gaye Newman Lisby, 2011-03-03 The Spiritual History of Branson Land of the Osage is a result of years of research and prophetic intercession The book chronicles the fascinating history of the land between the rivers and explores the prophetic promises for this region It uncovers strongholds and sins of the past which restrict the growth of the Church today It is a call to repentance and a call to arms This expanded updated and revised work includes prophetic dreams redemptive threads and verifiable prophetic utterances including the truth about a prophecy attributed to Corrie ten Boom Perhaps you have been drawn by God s Spirit to this land between the rivers Perhaps there is a sense of awe and anticipation within your heart Perhaps you were brought here for such a time as this Perhaps The Spiritual History of Branson Land of the Osage gives reason for the perhaps **Her Stories** Elana Levine, 2020-03-06 Since the debut of These Are My Children in 1949 the daytime television soap opera has been foundational to the history of the medium as an economic creative technological social and cultural institution In Her Stories Elana Levine draws on archival research and her experience as a longtime soap fan to provide an in depth history of the

daytime television soap opera as a uniquely gendered cultural form and a central force in the economic and social influence of network television. Closely observing the production, promotion, reception, and narrative strategies of the soaps, Levine examines two intersecting developments: the role soap operas have played in shaping cultural understandings of gender and the rise and fall of broadcast network television as a culture industry. In so doing, she foregrounds how soap operas have revealed changing conceptions of gender and femininity as imagined by and reflected on the television screen.

The Pictures Generation at Hallwalls Vera Dika, 2023-06-16 In this book, Vera Dika rewrites the story of the Pictures Generation from the perspective of the Hallwalls Contemporary Arts Center in Buffalo, NY. Her work is based on interviews with living artists, archival research, and personal collections, including films, videotapes, and sound recordings. At once aesthetic, cultural, and political, this renewed perspective asks new questions and rewrites past assumptions about the artists' work. The legendary members of the East Coast Pictures Generation emerged at Hallwalls Contemporary Art Center in Buffalo in the mid-1970s. These young people had started Hallwalls, an artist-run organization that invited artists from a variety of mediums to show their work. It also featured productions by the founding members themselves: Robert Longo, Charles Clough, Cindy Sherman, Nancy Dwyer, and Michael Zwack. The works discussed in the volume include performance, video, films, painting, music, and literature, and have been chosen because of the way they foreground states of the body in relationship to conditions of their medium. As a distinguishing feature of Hallwalls artists' work, the practice uses these traces to make metaphors on the process of mechanical reproduction itself. The Hallwalls artists' work also gives testament to Buffalo and to New York City, the cities that formed their historical contexts. This book will be of interest to scholars working in art history, performance studies, film studies, and gender studies.

Died in Long Beach Claudine Burnett, 2016-06-25 Long Beach was one of the many Southern California cities that grew out of the railroad fare wars of the late 1880s. It was built by men and women who toiled to make it the great metropolis it is today. These are the tales of those who died or are buried in Long Beach. Some were illustrious in their time; others just common folk with interesting stories to tell. Politicians, city founders, visitors, influenza victims, Civil War veterans, and accident victims are all discussed here, as well as the hospitals, doctors, undertakers, and others who cared for the dead and dying. But what makes Long Beach's Sunnyside and Municipal cemeteries different from all others is the question of whether the bodies said to be there still remain. The cemetery wars of the 1920s erupted when oil was discovered on Signal Hill. Oil and other debris ran over the graves, and the promised mausoleum that many had already paid for was cast aside in favor of black gold. People were angry, barricading themselves by the cemeteries' gates to prevent oil rigs from getting to the mausoleum site. Slant drilling caused headstones and markers to sink into the ground; graves were covered by the run-off debris from the oil fields above. Many bodies were moved; their headstones left behind with haphazard records kept of where the corpses were relocated. It would take a 10-year court case to determine if the dead still had rights. In this book, you will learn about the fascinating history of Long Beach's unique cemeteries, the stories

of those said to be buried in them and whether Long Beach's cities of the dead may be haunted by angry souls whose final abode did not allow them to rest in peace

TV in the USA Vincent LoBrutto, 2018-01-04 This three volume set is a valuable resource for researching the history of American television. An encyclopedic range of information documents how television forever changed the face of media and continues to be a powerful influence on society. What are the reasons behind enduring popularity of television genres such as police crime dramas, soap operas, sitcoms and reality TV? What impact has television had on the culture and morality of American life? Does television largely emulate and reflect real life and society or vice versa? How does television's influence differ from that of other media such as newspapers and magazines, radio, movies and the Internet? These are just a few of the questions explored in the three volume encyclopedia *TV in the USA: A History of Icons, Idols and Ideas*. This expansive set covers television from 1950 to the present day, addressing shows of all genres, well known programs and short lived series alike broadcast on the traditional and cable networks. All three volumes lead off with a keynote essay regarding the technical and historical features of the decade's covered. Each entry on a specific show investigates the narrative themes and history of the program, provides comprehensive information about when the show started and ended and why, and identifies the star players, directors, producers and other key members of the crew of each television production. The set also features essays that explore how a particular program or type of show has influenced or reflected American society and it includes numerous sidebars packed with interesting data, related information and additional insights into the subject matter.

The Greatest Love Story Ever Told Megan Mullally, Nick Offerman, 2019-09-03 A New York Times Bestseller. Megan Mullally and Nick Offerman reveal the full story behind their epic romance presented in a series of intimate conversations between the couple, including photos, anecdotes and the occasional puzzle. The year 2000. The setting Los Angeles. A gorgeous virtuoso of an actress agreed to star in a random play and a basement dwelling scenic carpenter said he would assay a supporting role in the selfsame pageant. At the first rehearsal she surveyed her fellow cast members determining if any of the men might qualify to provide her with a satisfying fling. Her gaze fell upon the carpenter and like a bolt of lightning the thought struck her: no dice. Moving on. Yet unbeknownst to our protagonists, Cupid had merely set down his bow and picked up a rocket launcher that fired a love rocket, not a euphemism. The players were Megan Mullally and Nick Offerman and the resulting romance, once ignited, was epic. Beyond epic. It resulted in a coupling that has endured to this day, a sizzling perpetual tryst that has captivated the world with its kindness, athleticism, astonishingly low brow humor and true fire emoji passion. How did they do it? They came from completely different families, ignored a significant age difference and were separated by the gulf of several social strata. Megan loved books and art history. Nick loved hammers. But much more than these seemingly unsurpassable obstacles were the values they held in common: respect, decency, the ability to mention genitalia in almost any context and an abiding obsession with the songs of Tom Waits. Eighteen years later they're still very much in love and have finally decided to reveal the philosophical mountains they have conquered, the lessons they

ve learned and the myriad jigsaw puzzles they ve completed Presented as an oral history in a series of conversations between the couple the book features anecdotes hijinks photos and a veritable grab bag of tomfoolery This is not only the intoxicating book that Mullally s and Offerman s fans have been waiting for it might just hold the solution to the greatest threat facing our modern world the single life **Catalog of Copyright Entries** Library of Congress. Copyright Office,1977 **New York**

Magazine ,1977-09-19 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *The Greatest Sitcoms of All Time* Martin Gitlin,2013-11-07 Since the advent of network television situation comedies have been a staple of prime time programming Classics of the genre have emerged in every decade from The Honeymooners and Make Room for Daddy in the 1950sto 30 Rock The Office and Modern Family of the twenty first century Other shows that have left enduring impressions are The Andy Griffith Show Get Smart The Bob Newhart Show Barney Miller Cheers The Cosby Show The Golden Girls Home Improvement Will Grace and Everybody Loves Raymond All of these shows are assured a place in history and would make almost anyone s list of the most beloved comedies In *The Greatest Sitcoms of All Time* Martin Gitlin has assembled the top seventy sitcoms in television history The rankings are based on such factors as longevity ratings awards humor impact and legacy Iconic programs such as I Love Lucy The Dick Van Dyke Show and Leave It to Beaver join contemporary shows The Simpsons Arrested Development and Family Guy on the list Other programs include perennial favorites like All in the Family The Mary Tyler Moore Show and Seinfeld as well as short lived treasures that never found the audiences they deserved like Mary Hartman Mary Hartman Each entry contains a comprehensive compilation of information including Cast membersCharacter listNetworkAir datesRatings historyTime slotsSeries overviewNotable episodesAwardsFun facts and quotes Appendixes list the top male and female sitcom characters of all time the best sitcom spin offs and shows that just missed the cut By ranking these programs *The Greatest Sitcoms of All Time* is sure to inspire debate Whether you agree with this list or whether your favorite show placed as high as you think it should have this book will be an entertaining and informative read not only for students and scholars of television history but for sitcom fans as well
