Mary Shelley A Literary Life:

Mary Shelley John Williams, 2000 Much of Mary Shelley's life reads like a compilation of some of the most lurid and sensationalist novels of her time After the stormy years of her relationship with Percy Shelley Mary went on to raise her one surviving son on her own never sure of the loyalty of friends threatened and intimidated by her dead husband's father John Williams offers a thoughtful assessment of her literary achievement set against the background of the evolution of the English novel in the politically volatile years of the early 19th century *Mary Shelley's Literary Lives and Other Writings*

Mary Wollstonecraft Shelley, Nora Crook, Michel Ezran, 2002-10-25 Following the success of Mary Shelley's *Novels and Selected Works* there was some regret that Mary Shelley's remaining writing remained unpublished In particular this includes her lyric poetry and her writing for Lardner's *Cabinet Cyclopaedia of Biography* as well as some material that has only recently been positively attributed to her This can now be rectified with this four volume set that is edited to the same standard as the earlier edition Publication of this material will allow libraries to complete the canon of Mary Shelley's work at a time when her literary reputation and interest in her continues to grow *Mary Shelley's Literary Lives and Other Writings, Volume 1*

Nora Crook, 2020-04-14 This collection covers the lyrical poetry of Mary Shelley as well as her writings for Lardner's *Cabinet Cyclopaedia of Biography* and some other materials only recently attributed to her *Mary Shelley's Literary Lives and Other Writings* Nora Crook, 2022-07-30 This collection covers the lyrical poetry of Mary Shelley as well as her writings for Lardner's *Cabinet Cyclopaedia of Biography* and some other materials only recently attributed to her

Michael O'Neill, 1989-10-24 In *Percy Bysshe Shelley A Literary Life* Michael O'Neill gives a knowledgeable and balanced account of Shelley's literary career from his earliest published work to his last unfinished masterpiece *The Triumph of Life* The book draws on recent research about the poet and his age but its sense of the ways in which texts and contexts interact is sharply independent Issues discussed include Shelley's social background his radical politics and his complex response to Enlightenment rationalism O'Neill stresses Shelley's often disappointed search for an audience connecting it

with the growing sophistication of his poetry and poetics For Shelley a poet was the combined product of internal powers and external influences Preface to Prometheus Unbound this book explores how such a combination manifests itself in his own writings **Mary Wollstonecraft** C. Franklin,2015-12-22 This study argues that protestant society had traditionally

sanctioned women s role in spreading literacy but this became politicized in the 1790s Wollstonecraft s literary vocation was shaped by the expectations of the power of print to educate and reform individuals and society in the radical circles of the Unitarian publisher Joseph Johnson **Encyclopedia of the Romantic Era, 1760-1850** Christopher John

Murray,2013-05-13 In 850 analytical articles this two volume set explores the developments that influenced the profound changes in thought and sensibility during the second half of the eighteenth century and the first half of the nineteenth century The Encyclopedia provides readers with a clear detailed and accurate reference source on the literature thought music and art of the period demonstrating the rich interplay of international influences and cross currents at work and to explore the many issues raised by the very concepts of Romantic and Romanticism **Gale Researcher Guide for: Mary**
