Mary The Spirit And The Church:

Mary Raniero Cantalamessa,1992 Mary is a great gift and example to all Christians because in her God's Word was written and by her it was accepted and its grace manifested In this she is as the title indicates a mirror of the Church the people of God She reflects what we are called to be While this work cannot help but discuss aspects of Mariology it is not so much a study as it is a pilgrimage Reflecting on and following Mary's example as Father Cantalamessa presents it here we enter into a pilgrimage of listening and obedience to God's Word *Mary, the Spirit and the Church* Vincent P.

Branick,1980 **Vatican II on Mary: the Case for the Definition of the Spiritual Motherhood of Mary** Douglas Nnamdi Egbuonu,2014-03-25 The purpose of this study is to show that the formal definition of the spiritual Motherhood of Mary would constitute a doctrinal development from Vatican II's teaching on Mary It is my strong view that Mary's spiritual motherhood should be explicitly acknowledged accepted and stamped with the extra ordinary infallibility of the Church magisterium so that it would become a dogma of the Church as the *sensus fidelium* Such formal definition would give the doctrine the seal of juridical authenticity and prevent it from denigration and rejection in future This study argues that the Catholic Church needs to advance forwards from the Marian teaching of Vatican II by making concerted efforts to maintain the Marian trajectory in the Church Also portrayed are the efforts of the papal magisterium and some noted Catholic theologians that have gone back to the sources of the early Fathers of the Church in order to teach that Mary's spiritual Motherhood has solid foundation on Scripture and the Church's tradition The post conciliar teachings of the above stated papal magisterium and contemporary theologians have the aim to nurture and sustain the faith and understanding of the people of God about Mary's spiritual Motherhood The study also examines evidence to show that there is much in the Catholic Marian theology that could improve understanding among Christians of different denominations In particular it portrays the fact that Mariology always points to Christ being indissolubly linked with Christology and also has intrinsic unity with ecclesiology

The Blessed Virgin Mary in England Anthony Josemaria, FTI,2008-11-10 O Blessed Confidence O Safe Refuge Mother of God and Our Mother St Anselm of Canterbury 1033 1109 Doctor of the Church What is not generally known and only infrequently studied is the role of Our Lady over the centuries as a catechist teacher of the faith in a very real sense primary teacher because she is Mother of God and Mother of the Church and faithful If any one factor might be singled out for the very high level of faith and religious practice in medieval merry England merry because Mary s dowry because consecrated to Mary as her possession and property it is this Marian catechesis Only when England deliberately rejected Mary did it cease to be the happy place it once was Unfortunately English colonization of other peoples took place only after the repudiation of Mary by England That is why this catechetical work is especially valuable for the faithful and those who are seeking faith in America and other English speaking cultures It will bring to their attention precisely what is central to catechetics and so often missing the presence of Mary Mother and Teacher It will make perfectly clear why we need not fewer Marian sanctuaries but many many more in all parts of the country where this quiet but so real and profound influence of the Marian principle of the Church will be felt at every level It is my prayer and hope that those who read and study this work will find the same inspiration and stimulus that I found in having the privilege to read the manuscript before publication We are much indebted to Brother Anthony Josemaria
