## **Mary Austin Reader:**

*A Mary Austin Reader* Mary Austin, 1996 Best remembered for *The Land of Little Rain* 1903 which established her as a unique voice of the American West Mary Austin was the author of nearly thirty books and hundreds of short works Her essays novels plays short stories poems and articles draw upon her impressions of the indigenous peoples and terrains of California Arizona and New Mexico Throughout her work glimmers of her idiosyncratic feminism appear not until long after her death in 1934 did she come to be celebrated for her feminist perspective This anthology of Austin's stories articles and excerpts from her books represents the broad range of her writing over a career spanning four decades and helps illuminate the life and work of this major American writer Each chapter focuses on a specific genre and includes an introduction by editor Esther Lanigan herself an Austin biographer *A Mary Austin Reader* includes texts from many works that have not previously been accessible and many of the selections have been available only in general anthologies and periodicals or in rare or limited editions Included are her youthful account *One Hundred Days on Horseback* 1889 and her first published fiction *The Conversion of Ah Lew Sing* and *The Mother of Felipe* Other entries include two tales from *Lost Borders* 1909 illustrating the relationships between men and women in the desert a chapter from *The Flock* 1906 in which she invents a new form of pastoral to tell the story of sheep herding in California excerpts from her 1931 novel *Starry Adventure* and semiautobiographical essays such as *Making the Most of Your Genius* and *Sex in American Literature* that reflect her strong views on literature and social inequities These selections not only offer literary enjoyment of a high calibre but also help explain Mary Austin writer feminist and advocate of regional appreciation and environmental activism As a sampling of some of her most important work *A Mary Austin Reader* offers students and general readers alike an opportunity to rediscover this gifted author

**Mary Austin** Esther F. Lanigan, 2022-06-21 This book seamlessly combines biography and criticism Lanigan adeptly analyzes Austin's life and also offers insightful analyses of Austin's writing Like other females of her period she received too little recognition for her original prose style and social critiques Thanks to *Song of a Maverick* we hear Mary Austin's voice more clearly and appreciatively Carol J Singley in *American Literature* Lanigan provides illuminating sociological background and lucidly marshals the existing biographical data Choice Mary Hunter Austin was a well known and respected author and activist in her lifetime but is little known in ours In this excellent biography Lanigan chose to focus on a few central relationships in Austin's life to explore in some depth a few central texts and to understand the interior life of her subject She has done a splendid job Ann J Lane in the *Journal of American History* [Mary Austin and the American West](#) Susan Goodman, Carl Dawson, 2009-01-07 Mary Austin 1868 1934 eccentric independent and unstoppable was twenty years old when her mother moved the family west Austin's first look at her new home glimpsed from California's Tejon Pass reset the course of her life changed her horizons and marked the beginning of her understanding not only about who she was but where she needed to be At a time when Frederick Jackson Turner had announced the closing of the frontier

Mary Austin became the voice of the American West In 1903 she published her first book *The Land of Little Rain* a wholly original look at the West's desert and its ethnically diverse peoples Defined in a sense by the places she lived Austin also defined the places themselves whether Bishop in the Sierra Nevada Carmel with its itinerant community of western writers or Santa Fe where she lived the last ten years of her life By the time of her death in 1934 Austin had published over thirty books and counted as friends the leading literary and artistic lights of her day In this rich new biography Susan Goodman and Carl Dawson explore Austin's life and achievement with unprecedented resonance depth and understanding By focusing on one extraordinary woman's life *Mary Austin and the American West* tells the larger story of the emerging importance of California and the Southwest to the American consciousness     *The Ecocriticism Reader* Cheryll Glotfelty, Harold Fromm, 1996 This book is the first collection of its kind an anthology of classic and cutting edge writings in the rapidly emerging field of literary ecology Exploring the relationship between literature and the physical environment literary ecology is the study of the ways that writing from novels and folktales to U S government reports and corporate advertisements both reflects and influences our interactions with the natural world     *Mary Austin's Regionalism* Heike Schaefer, 2004 Mary Austin's decades old regionalist work still has the power to fascinate and move a wide audience of contemporary readers Under the Sign of Nature Explorations in Ecocriticism     ***The New Desert Reader*** Peter Wild, 2006 A slow change in outlook dominates the book as attitudes shift from viewing the desert as a place of sanctity then a land to be despised or exploited and back to an appreciation of it as a special place an arena of highly complex natural communities and a wild refuge for the human body and soul     *The Alamo Reader* Todd Hansen, 2003 If everyone was killed inside the Alamo how do we know what happened This surprisingly simple question was the genesis for Todd Hansen's compendium of source material on the subject *The Alamo Reader* Utilising obscure and rare sources along with key documents never before published Hansen carefully balances the accounts against one another culminating in the definitive resource for Alamo history     *A George Jean Nathan Reader* George Jean Nathan, 1990 The selection in this one volume anthology are representative of Nathan's entire oeuvre and include informal essays criticism of famous plays of the nineteenth and twentieth centuries discussions of dramaturgy and aesthetics profiles of noted producers players playwrights and other writers and letters that illuminate his writings     *The Portable American Realism Reader* Various, 1997-12-01 During the pivotal period of America's international emergence between the Civil War and WWI the aligned literary movements of Realism and Naturalism not only shaped the national literature of the age but also left an indelible and far reaching influence on twentieth century American and world literature Seeking to strip narrative from pious sentimentalities and according to William Dean Howells to paint life as it is and human feelings in their true proportion and relation Realism is best represented by this volume's masterly pieces by Twain Henry James Stephen Crane Kate Chopin and Willa Cather among others The joining of Realist methods with the theories of Marx Darwin and Spencer to reveal the larger forces biological

evolutionary historical which move humankind are exemplified here in the fiction of such writers as Jack London Frank Norris and Theodore Dreiser

**Werner Sollors Reader** Werner Sollors, 2025-01-31 Born in Silesia raised in the Frankfurt area and educated in Berlin Werner Sollors has spent most of his career at Harvard University in the United States and is regarded in Cornel West's words as one of the finest scholars that we have on race and cultural hybridity in both this country and the world This Reader offers the first comprehensive overview of the work of a central figure in the field of ethnic studies The pieces collected here range from Puritan New England to contemporary Germany from Exodus to Mary Antin's Promised Land from the Curse of Ham to Teju Cole They attest to Sollors' deep historical sensibilities his attention to textual detail and his awareness of the costs and opportunities of both cosmopolitan ideals and particularist commitments whilst addressing a central question why does modernisation take the form of ethnicisation in many places around the globe The collected essays are complemented by a detailed introduction by Daniel G Williams which foregrounds some of the key emphases and tensions in Sollors' writings

*The Reader Magazine*, 1905     *The Reader*, 1906     *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office, 1967 Includes Part 1 Number 2 Books and Pamphlets Including Serials and Contributions to Periodicals July December

*A Literary History of the American West* Western Literature Association (U.S.), 1987 Literary histories of course do not have a reason for being unless there exists the literature itself This volume perhaps more than others of its kind is an expression of appreciation for the talented and dedicated literary artists who ignored the odds avoided temptations to write for popularity or prestige and chose to write honestly about the American West believing that experiences long known to be of historical importance are also experiences that need and deserve a literature of importance

**Mary Austin** Joseph Gaer, 1934     **Literary Digest**, 1915     **Putnam's Monthly and the Reader**, 1907

*Evolution and Eugenics in American Literature and Culture, 1880-1940* Lois A. Cuddy, Claire M. Roche, 2003 Charles Darwin's theory of descent suggested that man is trapped by biological determinism and environment which requires the fittest specimens to struggle and adapt without benefit of God in order to survive This volume focusses on how American literature appropriated and aesthetically transformed this and related theories

**A Companion to the Literature and Culture of the American West** Nicolas S. Witschi, 2011-05-04 A Companion to the Literature and Culture of the American West presents a series of essays that explore the historic and contemporary cultural expressions rooted in America's western states Offers a comprehensive approach to the wide range of cultural expressions originating in the west Focuses on the intersections complexities and challenges found within and between the different historical and cultural groups that define the west's various distinctive regions Addresses traditionally familiar icons and ideas about the west such as cowboys wide open spaces and violence and their intersections with urbanization and other regional complexities Features essays written by many of the leading scholars in western American cultural studies

**Mary Hunter Austin: A Female Writer's Protest Against the First World War in the United States** Jowan A. Mohammed, 2021-09-07 Mary Hunter

Austin 1868 1934 is often referred to as an important American writer of the early decades of the 20th century with much of her work concerning nature and Native American culture Hunter Austin was also considered to be one of the early feminist writers whose works had an impact on the redefinition of gender roles during the First World War This study examines the feminist perception of her later years connecting feminist history to questions related to memory through a study of literature politics and interpretations of the past both feminist and gendered It demonstrates how far the perception and remembrance of the past are determined by later agendas and considerations This work is an insightful and detailed study meant to expand knowledge within the field of collective memory about Mary Hunter Austin s life and work alike This book is intended for those with a general interest in feminism socialism World War One and gender issues Academics and specialists in the field will value new research on a crucial figure in American literary history
