(Renewed Minds) Kristina LaCelle-Peterson, 2008-04-01 Kristina LaCelle Peterson seeks both to affirm the central place of Scripture in the Christian life and to highlight the liberating nature of the gospel for both men and women To do this the author considers the biblical ideal for human beings and then proceeds to offer a biblical foundation for each of the topics under discussion identity body image personal relationships marriage church life and language for God Along the way she examines the cultural nature of gender roles and the ways in which they have become entangled with ecclesial expectations This book will help women better appreciate themselves as women gain a better understanding of their value in God s eyes and recognize their potential for meaningful engagement in a variety of relationships and vocational callings **Old Texts**

Through New Eyes Dallas R. Burdette, 2009-03 Christians frequently slaughter freedom of conscience with fanatical dogmatism It is not uncommon for various fellowships of God s people to lay an embargo on freedom in favor of their own exclusive doctrine or understanding of the Scriptures One objective of this book is to set Christians free from sectarianism The views set forth in this book are not bound by party ties It is my desire that these writings will assist Christians in their desire to escape the prevailing forms of radicalism manifested by so many sincere and devout believers In my fifty eight years of preaching and teaching I have witnessed that men and women for the most part are afraid of freedom This volume examines the philosophy of what we teach is true and what others teach is false Among some bodies of believers freedom of investigation is rigidly shackled The chapters in this book seek to defuse the attitude that the one who refuses to comply with the status quo is no longer a brother in Christ The diversity of the chapters in this book refutes the prevailing opinions of many Christians my opinion is the only sound one flawless and incontestable Dallas Burdette has been a serious student teacher and preacher of the Bible for fifty eight years supporting himself for many years as an agent for AFLAC He has written numerous articles for religious journals as well as many essays and sermons which are available on his website He has developed a keen interest in promoting unity among God s people through a more accurate reading of the Word He has degrees from Amridge University formerly Southern Christian University where he also was Director of Extended Learning
