Mary in the Plan of God and in the Communion of the Saints Alain Blancy, Maurice Jourjon, Groupe des Dombes, 2002 Mary the mother of Jesus Christ has always been a stumbling block to understanding among divided Christians Many Protestants have believed that the Marian devotions practiced by Catholics detract from the centrality of Jesus himself To Catholics the dilution of Mary's role in the history of salvation by Protestants has come across as harsh and even unscriptural The Dombes Group in south central France comprised of Roman Catholic and Reformed scholars has taken a fresh look at the place of Mary in Christian faith and concluded that she has been more the victim than the cause of discord The participants found themselves at one in their acceptance of the virginal conception and motherhood of Mary At the same time the group reminded their coreligionists of
