**The Fly in the Ointment: The Mysteries of Mary Magdalene** Jennifer Smith, 2014-08-23 Mary Magdalene was the principle witness of the death burial and resurrection of Jesus as told in the Christian gospels the grief stricken scarlet woman at the foot of the cross clutching her jar of ointment her hair loose like that of the maenads Yet by the sixth century Mary once called the Tower had fallen into disrepute as a sinner and prostitute Mary was never a martyr but tradition has her exiled to a solitary cave where she was not a threat to the established church until she emerged after the rediscovery of the heretical Gnostic texts In these Mary Magdalene is the beloved companion of Jesus the disciple who knew the all As with her predecessor Eve she bears the sin of desiring knowledge and is condemned for it The question of whether Mary Magdalene can be identified with Mary of Bethany has become merely another means of reducing her authority In the gospels Jesus said that his anointer should be remembered for all generations yet she remains maligned and undefended until now

*Women in the World of the Earliest Christians* Lynn Cohick, 2009-11 Draws on first century Jewish and Greco Roman documents to examine the lives and experiences of the earliest Christian women

**What Jesus Learned from Women** James F. McGrath, 2021-02-26 Dehumanization has led to serious misinterpretation of the Gospels On the one hand Christians have often made Jesus so much more than human that it seemed inappropriate to ask about the influence other human beings had on him male or female On the other hand women have been treated as less than fully human their names omitted from stories and their voices and influence on Jesus neglected When we ask the question this book does what Jesus learned from women puzzling questions that have frustrated readers of the Gospels throughout history suddenly find solutions Weaving cutting edge biblical scholarship together with an element of historical fiction and a knack for writing for a general audience James McGrath makes the stories of women in the New Testament come alive and sheds fresh light on the figure of Jesus as well This book is a must read for scholars students and anyone else interested in Jesus and or in the role of ancient women in the context of their times

**Mary Magdalene in Medieval Culture** Peter Loewen, Robin Waugh, 2014-03-26 This innovative and multidisciplinary collection visits representations and interpretations of Mary Magdalene in the medieval and early modern periods questioning major scholarly assumptions behind the examination of female saints and their depictions in medieval artworks literature and music Mary Magdalene's many and various characterizations from reformed prostitute to conversion figure to devotee of Christ to apostle to the apostles to spiritual advisor to the Prince of Marseilles to hermit in the desert to list just a few examples mean that the many conflicted representations of Mary Magdalene apply to a staggering variety of cultural material including art liturgy music literature theology hagiography and the historical record Furthermore Mary Magdalene has grown into an extremely popular and controversial figure due to recent books and movies concerning her and due to a groundswell of general speculation concerning her relationship to Jesus was she his acquaintance follower companion wife family member or lover This volume employs a broad spectrum of theoretical methodologies in order to present poststructuralist postcolonial postmodernist hagiographic and feminist readings of the figure of Mary Magdalene addressing and interrogating her conflicting roles and the precise relationship between her sacred and secular representations

**The Da Vinci Hoax** Carl E. Olson, Sandra Miesel, 2004-01-01 The *Da Vinci Code* Dan Brown's best selling novel purports to be more than fiction it claims to be based on fact and scholarly research Brown wants his readers to believe that he is revealing the long concealed truth about Jesus Mary Magdalene and early Christianity a truth that he says has been suppressed by the malevolent and conspiratorial forces of the Catholic Church The novel alleges that there has been throughout history a secret group of true followers of a Gnostic Jesus and his wife Mary Magdalene the true Holy Grail Almost everything most Christians and non Christians think they know about Jesus according to Dan Brown is completely wrong the result of Catholic propaganda designed to hide the truth from the world But are The *Da Vinci Code*'s claims fact or just plain fiction Is the novel well researched as claimed What is the truth about Jesus Mary Magdalene and the early Church Has the Catholic Church distorted the real Jesus Why is the novel so popular What about the anti Catholic anti Christian agenda behind the novel Best selling author Carl Olson and journalist Sandra Miesel answer these and other important questions Their painstaking research into The *Da Vinci Code* and its sources reveals some surprising truths No one who has read or heard about The *Da Vinci Code* should miss this provocative and illuminating book

*The Da Vinci Code Revisited* Christopher H.K. Persaud, 2010-03-18 Dan Brown's

staggering bestseller The Da Vinci Code has sold over 80 million copies since it was released in 2003 Expediently classified as a work of fiction Brown nevertheless intimates that his book is about historical fact and about a conspiracy by mainstream Christian leaders to suppress the truth about the origins of the faith its development over the centuries and its central figure the Galilean Jesus Christ Everything the world has been taught about traditional Christianity Brown claims is based on falsehood Numerous responses many of them incisive and persuasive have been produced to challenge Dan Browns historically inaccurate and nonsensically speculative endeavors at maligning the greatest religious system the world has ever known The Da Vinci Code Revisited comprehensively debunks The Da Vinci Code farce Unlike other undertakings to refute Dan Browns misrepresentations and outright lies however The Da Vinci Code Revisited in addition to addressing Browns preposterous claims head on counters his arguments with an insightful presentation of the Christian Gospel The result is not only the availability of an antidote for The Da Vinci Codes corrosive ideology but an invitation to the reader to contemplate the incontrovertibly truthful teachings of the Holy Bible and its sure message of salvation for lost mankind If the warped conceptualizations and despicable lies peddled in Dan Browns The Da Vinci Code have been promoted once they have been promoted once too often The fact that over 80 million copies of Browns book have been sold attests to the painful realization that the toxicant ideas advanced by this shameless excuse for a religious scholar have been imposed upon very many credulous and uninformed people around the world You owe it to yourself to read The Da Vinci Code Revisited A Conclusive Refutation of the Widespread Sinister Lie Know the truth

*The Most Important Women of the Bible* Aaron Sharp, Elaina Sharp, 2017-10-17 Powerful Stories of Women in the Bible that Reveal God's Mercy and Love From well known women like Eve and Esther to those lesser known like Jochebed and Zipporah women of the Bible play a vital role in God's timeless story of redemption This book traces the stories of three dozen of the most important women in Scripture each handpicked by God to play a crucial part in his gracious plan for all humanity Every chapter begins with a short biography followed by an explanation of how each woman fits into the overall narrative of the Gospel message pointing to God's love for the individual as well as his larger plan to redeem sinners through the sending of his son The Bible is the story of God's relationship with his people men women Jews Gentiles saints and sinners But this book reveals that it's also the story of his relationship with you

**The Women in the Gospel Of John: the Divine Feminine** , *Mary Magdalene* Bruce Chilton, 2005-11-01 After 2 000 years of flawed history here at last is a magnificent new biography of Mary Magdalene that draws her out of the shadows of history and restores her to her rightful place of importance in Christianity Throughout history Mary Magdalene has been both revered and reviled a woman who has taken on many forms witch whore the incarnation of the eternal feminine the devoted companion and perhaps even the wife of Jesus In this brilliant new biography Bruce Chilton a renowned biblical scholar offers the first complete and authoritative portrait of this fascinating woman Through groundbreaking interpretations of ancient texts Chilton shows that Mary played a central role in Jesus ministry and was a seminal figure in the creation of

Christianity Chilton traces the evolving images of Mary Magdalene and the legends surrounding her He explains why despite her prominence the Gospels actually say so little about her and why the Catholic Church for thousands of years has sought to marginalize her importance In a probing look at the Church's attitudes toward women he investigates Christian misogyny in the ancient world including the suppression of women priests who patterned their activities on Mary's explores the impact of Gnostic ambivalence toward women on its depictions of Mary and shows that these traditions still influence modern portrayals of her Chilton's descriptions of who Mary Magdalene was and what she did challenge the male dominated history of Christianity familiar to most readers Placing Mary within the traditions of Jewish female savants Chilton presents a visionary figure who was fully immersed in the mystical teachings that shaped Jesus' own teachings and a woman who was a religious master in her own right

*A Jesuit Off-Broadway* James Martin, 2011-03-01 Many of us have questions about the Bible Can we believe the Bible What was Jesus' mission What is sin Does hell exist Is anyone beyond God's forgiveness In *A Jesuit Off Broadway* James Martin SJ answers these questions about the Bible and other big questions about life as he serves as a theological advisor to the cast of *The Last Days of Judas Iscariot* Grab a front row seat to Fr Martin's six months with the LAByrinth Theater Company and see first hand what it's like to share the faith with a largely secular group of people and discover along with Martin that the sacred and the secular aren't always that far apart

*Jesus as Mirrored in John* James H. Charlesworth, 2018-12-13 James H Charlesworth begins from a burgeoning point of scholarly consensus More and more scholars are coming to recognize that the Fourth Gospel is more historically complex than previously thought Charlesworth outlines two historical horizons within John On the one hand there is the Jewish background to the text complete with the evangelist's knowledge of Palestinian geography and Jewish customs which Charlesworth perceives as offering a window into pre 70 Palestinian Judaism On the other hand the gospel also reflects a post 70 world in which non believing Jews with more unity begin to part definitely with those who identified Jesus as the Messiah Split into four sections this volume first examines the origins of the Fourth Gospel its evolution in several editions and its setting in Judea and Galilee Charlesworth then looks specifically at the figure of Jesus and issues of history He proceeds to consider this Gospel alongside earlier and contemporaneous Jewish literature most notably the Dead Sea Scrolls Finally the volume engages with John's symbolism and language looking closely at key aspects in which John differs from the Synoptic Gospels and raising such provocative questions as whether or not it is possible that Jesus married Mary Magdalene From one of the New Testament's most noted scholars this book allows deeper understanding of the ways in which the Gospel of John is a vital resource for understanding both the origin of Christianity and Jesus' position in history
