Mary Maria Matilda Penguin Classics:

Penguin Classics Introduction to Mary Janet M. Todd, 2004 **Matilda [in, Mary: Maria: Matilda: Edited by Janet Todd] (Penguin Classics).** , 2004 *Mary; Maria; Matilda* Mary Wollstonecraft, Mary Shelley, 1993-05-04 These three works of fiction two by Mary Wollstonecraft the radical author of *A Vindication of the Rights of Woman* and one by her daughter Mary Shelley creator of *Frankenstein* are powerfully emotive stories that combine passion with forceful feminist argument In Mary Wollstonecraft's *Mary* the heroine flees her young husband in order to nurse her dearest friend Ann and finds genuine love while *Maria* tells of a desperate young woman who seeks consolation in the arms of another man after the loss of her child And Mary Shelley's *Matilda* suppressed for over a century tells the story of a woman alienated from society by the incestuous passion of her father Humane compassionate and highly controversial these stories demonstrate the strongly original genius of their authors For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators **Mary [in, Mary: Maria: Matilda: Edited by Janet Todd] (Penguin Classics).** Mary Wollstonecraft, 2011 **Maria [in, Mary: Maria: Matilda: Edited by Janet Todd] (Penguin Classics).** Mary Wollstonecraft, 2004 **The Penguin Classics Book** Henry Eliot, 2019-02-21 Shortlisted for Waterstones Book of the Year The Penguin Classics Book is a reader's companion to the largest library of classic literature in the world Spanning 4 000 years from the legends of Ancient Mesopotamia to the poetry of the First World War with Greek tragedies Icelandic sagas Japanese epics and much more in between it encompasses 500 authors and 1 200 books bringing these to life with lively descriptions literary connections and beautiful cover designs [Dream and Literary Creation in Womens Writings in the Eighteenth and Nineteenth Centuries](#) Isabelle Hervouet, Anne Rouhette, 2021-06-15 This edited collection deals with dream as a literary trope and as a source of creativity in women's writings It gathers essays spanning a time period from the end of the seventeenth century to the mid nineteenth century with a strong focus on the Romantic period and particularly on Mary Shelley's *Frankenstein* in which dreams are at the heart of the writing process but also constitute the diegetic substance of the narrative The contributions re-examine the oneiric facets of the novel and develop fresh perspectives on dreams and dreaming in Mary Shelley's fiction and on other female authors Anne Finch Ann Radcliffe Emily and Charlotte Bront and a few others re-appraising the textuality of dreams and their link to women's creativity and creation as a whole [Penguin Classics](#) Anonymous, 2012-01-31 A Complete Annotated Listing More than 1 500 titles in print Authoritative introductions and notes by leading academics and contemporary authors Up to date translations from award winning translators Readers guides and other resources available online Penguin Classics on air online radio programs [The Radical Ecology of the](#)

Shelleys Colin Carman, 2018-11-07 The Radical Ecology of the Shelleys Eros and Environment is the first full length study to explore a radically queer ecology at work in writings by Percy Bysshe Shelley and Mary Wollstonecraft Shelley as their discussions of nature and the natural consistently link ecology and erotic practice Initiated by Timothy Morton in 2010 as a hybrid of two schools of thinking about nature queer ecology combines the alertness of environmentalists to constructions of the natural with efforts of sexuality scholars to denaturalize identity and to expose sexuality as a culture bound construct Conceptions of place are central to this investigation not only because an attachment to place is traditionally thought to be the ontological basis of all environmental consciousness e g think globally act locally but because these two Romantic writers underscore the dynamic interaction between a person s natural surroundings and his her interpersonal attachments The poetical and prose writings of the Shelleys claim our special attention because of their unusual conception of the oikos the etymological root of ecology to mean both local grounds and the social often domestic places in which people dwell and desire The overarching thesis of this book asserts that proto ecological theories in Romantic era England cannot be understood separately from discourses related to married family life and the texts considered demonstrate the comingling of earthly and erotic enjoyment The issues raised by Eros and Environment are fundamental not only to literary and queer history but to all humanistic studies They render the study of nature from a queer perspective a matter of intense interest to scholars in numerous disciplines ranging from ecocriticism and the natural sciences including climate studies to feminist criticism and sexuality studies

Penguin Classics: The Catalogue Penguin Classics, 2013-06-06 From books all I seek is to give myself pleasure by an honourable pastime Michel de Montaigne In 1946 E V Rieu s groundbreaking translation of The Odyssey established a cultural legacy that would bring the world s most compelling and influential literature to millions of readers around the globe For over sixty five years Penguin Classics have been making works that were once the sole preserve of academics accessible to everyone this catalogue offers a complete list of all titles in print across the list more than 1 200 books from Aristotle and Austen to Zola and Zamyatin It also features Michel de Montaigne s enchanting essay On Books The Penguin Classics though I designed them to give pleasure even more than instruction have been hailed as the greatest educative force of the twentieth century And far be it for me to quarrel with that encomium for there is no one whom they have educated more than myself E V Rieu

The Female Philosopher and Her Afterlives Deborah Weiss, 2017-11-17 This book argues that the female philosopher a literary figure brought into existence by Mary Wollstonecraft s A Vindication of the Rights of Woman embodied the transformations of feminist thought during the transition from the Enlightenment to the Romantic period By imagining a series of alternate lives and afterlives for the female philosopher women authors of the early Romantic period used the resources of the novel to evaluate Wollstonecraft s ideas and legacy This book examines how these writers opinions converged on such issues as progress education and ungendered virtues and how they diverged on a fundamental question connected to Wollstonecraft s life and feminist thought

whether the enlightened intellectual woman should live according to her own principles or sacrifice moral autonomy in the interest of pragmatic accommodation to societal expectations **Penguin Classics** Penguin (Firm),2001 *Misanthropy in the Age of Reason* Joseph Harris,2023-02-16 Bringing together a range of material from various genres periods and countries this comparative study explores the developing status of misanthropy in the European literary and intellectual imagination from the late Renaissance to the dawn of Romanticism **Mary Wollstonecraft** Susan Laird,2014-10-23 Best known as author of *A Vindication of the Rights of Woman* 1792 if not also as mother of Frankenstein's author Mary Shelley Mary Wollstonecraft survived domestic violence and unusual independent womanhood to write engaging letters fiction history critical reviews handbooks and treatises Her work on coeducational thought was a major early modern influence upon the development of a post Enlightenment tradition and continues to have vital relevance today Celebrated as an early modern feminist abolitionist and socialist philosopher Wollstonecraft had little formal schooling but still worked as a governess school teacher and educational writer This succinct critical account of that prolific research begins by recounting her revolutionary self education Susan Laird explains how Wollstonecraft came to criticize moral flaws in both men's and women's private education based on irrational assumptions about sexual character under the Divine Right of Kings It was to remedy those moral flaws of monarchist education that Wollstonecraft theorized her influential but incomplete concept of publicly financed universal egalitarian coeducation **Romantic Vacancy** Kate Singer,2019-07-09 *Romantic Vacancy* argues that at the cult of sensibility's height Romantic writers found alternative tropes of affect to express movement beyond sensation and the body Grappling with sensibility's claims that sensation could be translated into ideas and emotions poets of vacancy rewrote core empiricist philosophies that trapped women and men in sensitive bodies and more detrimentally in ideological narratives about emotional response that gendered subjects bodies and minds Kate Singer contends that affect's genesis occurs instead through a series of figurative responses and movements that loop together human and nonhuman movements of mind body and nature into a posthuman affect This book discovers a new form of Romantic affect that is dynamically linguistic and material It seeks to end the long tradition of holding women and men writers of the Romantic period as separate and largely unequal It places women writers at the forefront of speculative thinking repositions questions of gender at the vanguard of Romantic era thought revises how we have long thought of gender in the period and rewrites our notions of Romantic affect Finally it answers pivotal questions facing both affect studies and Romanticism about interrelations among language affect and materiality Readers will learn more about the deep history of how poetic language can help us move beyond binary gender and its limiting intellectual and affective ideologies Mary Wollstonecraft Miriam Brody,2000-12-07 Mary Wollstonecraft 1759-1797 was the first champion of women's rights in the modern Western world Wollstonecraft's experience teaching young women in London led her to write her first book in which she argued for equal education for girls and boys The moderate success of her autobiographical novel *Mary: A Fiction* convinced her to start writing full time Under

the tutelage of her publisher and mentor Joseph Johnson she joined a circle of liberal intellectuals which included poet and artist William Blake chemist Joseph Priestley and political thinker William Godwin In 1790 Wollstonecraft penned A Vindication of the Rights of Men an impassioned reply to conservative criticism of the French Revolution and a call for social equality She developed her ideas further in A Vindication of the Rights of Woman which extended the notion of natural rights to include women s rights as well Going so far as to suggest that women should be allowed to vote Wollstonecraft s revolutionary ideas garnered her overnight fame and notoriety She traveled to Paris lived through the Reign of Terror fell in love with an American and gave birth to her first daughter Though the love affair ended tragically resulting in her thwarted suicide attempt she happily wed William Godwin in 1797 That year she gave birth to her second child the future author of Frankenstein Mary Shelley She died a few days later from complications of childbirth Wollstonecraft s writing inspired leaders of the American woman suffrage movement such as Susan B Anthony and Elizabeth Cady Stanton and moved one admirer to call her a pioneer of modern womanhood

Outsiders Lyndall Gordon,2019-03-19 Prodigy visionary outlaw orator and explorer As society s outsiders the exceptional subjects of this study inspired a new breed of women and one another Finalist of the PROSE Award for Best Book in Literature by the Association of American Publishers Mary Shelley Emily Bront George Eliot Olive Schreiner and Virginia Woolf they all wrote dazzling books that forever changed the way we see history In *Outsiders* award winning biographer Lyndall Gordon shows how these five novelists shared more than talent In a time when a woman s reputation was her security each of these women lost hers They were unconstrained by convention writing against the grain of their contemporaries prophetically imagining a different future We have long known the individual greatness of each of these writers but in linking their creativity to their lives as outcasts Gordon throws new light on the genius they share All five lost their mothers in childbirth or at a young age With no female role model present they learned from books and sometimes from an enlightened mentor Crucially each had to imagine what a woman could be in order to invent a voice of her own The passion in their own lives infused their fiction Writing with passionate intelligence of her own Gordon reveals that these renegade writers inspired a new breed of women who wished to change a world locked in war violence exploitation and sexual abuse Gordon s biographies have always shown the indelible connection between life and art an intuitive exciting and revealing approach that has been highly praised In *Outsiders* she crafts nuanced portraits of Shelley Bront Eliot Schreiner and Woolf naming each of these writers as prodigy visionary outlaw orator and explorer and shows how they came they saw and they left us changed Today following the tsunami of women s protest at widespread abuse we do more than read them we listen and live with their astonishing bravery and eloquence

[Romantic Outlaws](#) Charlotte Gordon,2016-02-02 NATIONAL BOOK CRITICS CIRCLE AWARD WINNER NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE SEATTLE TIMES This groundbreaking dual biography brings to life a pioneering English feminist and the daughter she never knew Mary Wollstonecraft and Mary Shelley have each been the subject of numerous biographies yet no

one has ever examined their lives in one book until now In *Romantic Outlaws* Charlotte Gordon reunites the trailblazing author who wrote *A Vindication of the Rights of Woman* and the Romantic visionary who gave the world *Frankenstein* two courageous women who should have shared their lives but instead shared a powerful literary and feminist legacy In 1797 less than two weeks after giving birth to her second daughter Mary Wollstonecraft died and a remarkable life spent pushing against the boundaries of society's expectations for women came to an end But another was just beginning Wollstonecraft's daughter Mary was to follow a similarly audacious path Both women had passionate relationships with several men bore children out of wedlock and chose to live in exile outside their native country Each in her own time fought against the injustices women faced and wrote books that changed literary history The private lives of both Marys were nothing less than the stuff of great Romantic drama providing fabulous material for Charlotte Gordon an accomplished historian and a gifted storyteller Taking readers on a vivid journey across revolutionary France and Victorian England she seamlessly interweaves the lives of her two protagonists in alternating chapters creating a book that reads like a richly textured historical novel Gordon also paints unforgettable portraits of the men in their lives including the mercurial genius Percy Shelley the unbridled libertine Lord Byron and the brilliant radical William Godwin Brave passionate and visionary they broke almost every rule there was to break Gordon writes of Wollstonecraft and Shelley A truly revelatory biography *Romantic Outlaws* reveals the defiant creative lives of this daring mother daughter pair who refused to be confined by the rigid conventions of their era Praise for *Romantic Outlaws* An impassioned dual biography Gordon alternating between the two chapter by chapter binds their lives into a fascinating whole She shows in vivid detail how mother influenced daughter and how the daughter's struggles mirrored the mother's *The Boston Globe* [Fiction and the Philosophy of Happiness](#) Brian Michael Norton, 2012-09-28 *Fiction and the Philosophy of Happiness* explores the novel's participation in eighteenth century inquiries after happiness an ancient ethical project that acquired new urgency with the rise of subjective models of wellbeing in early modern and Enlightenment Europe Combining archival research on treatises on happiness with illuminating readings of Samuel Johnson Laurence Sterne Denis Diderot Jean Jacques Rousseau William Godwin and Mary Hays Brian Michael Norton's innovative study asks us to see the novel itself as a key instrument of Enlightenment ethics His central argument is that the novel form provided a uniquely valuable tool for thinking about the nature and challenges of modern happiness whereas treatises sought to theorize the conditions that made happiness possible in general eighteenth century fiction excelled at interrogating the problem on the level of the particular in the details of a single individual's psychology and unique circumstances *Fiction and the Philosophy of Happiness* demonstrates further that through their fine tuned attention to subjectivity and social context these writers called into question some cherished and time honored assumptions about the good life happiness is in one's power virtue is the exclusive path to happiness only vice can make us miserable This elegant and richly interdisciplinary book offers a new understanding of the cultural work the eighteenth century novel performed as

well as an original interpretation of the Enlightenment's ethical legacy

Feminist History of Philosophy: The Recovery and Evaluation of Women's Philosophical Thought Eileen O'Neill, Marcy P. Lascano, 2019-06-26

Over the course of the past twenty five years feminist theory has had a forceful impact upon the history of Western philosophy. The present collection of essays has as its primary aim to evaluate past women's published philosophical work and to introduce readers to newly recovered female figures; the collection will also make contributions to the history of the philosophy of gender and to the history of feminist social and political philosophy insofar as the collection will discuss women's views on these issues. The volume contains contributions by an international group of leading historians of philosophy and political thought whose scholarship represents some of the very best work being done in North and Central America, Canada, Europe, and Australia.

Decoding **Mary Maria Matilda Penguin Classics**: Revealing the Captivating Potential of Verbal Expression

In an era characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its power to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**Mary Maria Matilda Penguin Classics**," a mesmerizing literary creation penned with a celebrated wordsmith, readers embark on an enlightening odyssey, unraveling the intricate significance of language and its enduring effect on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.
