*Mary's Immaculate Heart* Gabriele Maria Allegra, 1985      **Mary's Immaculate Heart** John Murphy, 2013-10-13 At Fatima the Blessed Virgin Mary said In the end my Immaculate Heart will triumph DO we truly understand what devotion to Mary's Immaculate Heart consists IN CONNECTION with the extension of the Feast of the Immaculate Heart of Mary to the universal Church our Holy Father Pope Pius XII pointed out that beyond serving as a memorial and reminder of his solemn consecration of the world to the Immaculate Heart in the Basilica of St Peter December 8 1942 the feast might with the assistance of her in whose honor we celebrate it be instrumental also in preserving peace among all nations and liberty for the Church of Christ and further with the repentance of sinners it might be a strengthening of the faithful in the love of purity and the practice of virtue Without question the observance of the Feast of the Immaculate Heart is today a highly significant celebration in the liturgical year In view of the dogmatic implications of the feast the various statements of the Holy See and the response everywhere on the part of the faithful to the devotion to Mary's Heart the significance of both the feast and consecration of the world and the importance of the devotion to the Immaculate Heart itself are readily recognized It was the devotion to the Sacred Heart which in previous decades guided a cold and erring world back toward the love of Christ and the acknowledgment of the Kingdom that is rightfully His It would seem that again the grace of God is poured forth abundantly on a war torn and pagan world and men through a devotion to the Mother of God the Hope of the World are once more offered an opportunity for eternal salvation in the love and service of Mary and her divine Son In the devotion to the Immaculate Heart which prompts men to imitate the virtues of the Blessed Mother we see a true blending of love and sacrifice the very core and spirit of the Christian life Through a devotion to her Immaculate Heart Mary will certainly form in us the likeness and virtues of her Son and seeing more perfectly His image in us she will love Him anew in us and we resembling our blessed Lord the more will profit greatly from this closer union with Him Our nearness to Mary is a measure of our union with Christ and an indication of the supernatural value of our lives In uniting ourselves to Mary we necessarily draw near to our blessed Lord Nam quid est maius hodie Domina quam habere cor iunctum cordi tuo nonne cor tuum plenum est gratiae Illius Et si apertum est gratia illa non decurrit in cor sibi iunctum Stimulus Amoris inter opera S Bonaventurae editum      **Mary's Immaculate Heart** John Murphy, 2015-10-16 IN CONNECTION with the extension of the Feast of the Immaculate Heart of Mary to the universal Church our Holy Father Pope Pius XII pointed out that beyond serving as a memorial and reminder of his solemn consecration of the world to the Immaculate Heart in the Basilica of St Peter December 8 1942 the feast might with the assistance of her in whose honor we celebrate it be instrumental also in preserving peace among all nations and liberty for the Church of Christ and further with the repentance of sinners it might be a strengthening of the faithful in the love of purity and the practice of virtue 1 Without question the observance of the Feast of the Immaculate Heart is today a highly significant celebration in the liturgical year In view of the dogmatic implications of the

feast the various statements of the Holy See and the response everywhere on the part of the faithful to the devotion to Mary's Heart the significance of both the feast and consecration of the world and the importance of the devotion to the Immaculate Heart itself are readily recognized It was the devotion to the Sacred Heart which in previous decades guided a cold and erring world back toward the love of Christ and the acknowledgment of the Kingdom that is rightfully His It would seem that again the grace of God is poured forth abundantly on a war torn and pagan world and men through a devotion to the Mother of God the Hope of the World are once more offered an opportunity for eternal salvation in the love and service of Mary and her divine Son In the devotion to the Immaculate Heart which prompts men to imitate the virtues of the Blessed Mother we see a true blending of love and sacrifice the very core and spirit of the Christian life Through a devotion to her Immaculate Heart Mary will certainly form in us the likeness and virtues of her Son and seeing more perfectly His image in us she will love Him anew in us and we resembling our blessed Lord the more will profit greatly from this closer union with Him Our nearness to Mary is a measure of our union with Christ and an indication of the supernatural value of our lives In uniting ourselves to Mary we necessarily draw near to our blessed Lord

*Marian Apparitions, the Bible, and the Modern World* Donal Anthony Foley, 2002 This groundbreaking book looks at the major approved Marian apparitions of the last five centuries and relates them to important historical moments the Reformation the French and Russian Revolutions the rise of Nazism These Marian apparitions and particularly Fatima are not historically unimportant events but rather follow a preordained plan they have a crucial role in helping us to see how the modern world with all its problems has developed Donal Foley makes clear the fascinating and intriguing connections between Marian apparitions and the Scriptural types of Mary found in the Bible a crucial element in the theology and exegesis of the early Church Fathers By understanding these biblical types and their symbolism we see that each of the apparitions has a much greater significance for both the Church and the modern world than has generally been recognised Here is a convincing demonstration that the future of the Church and the papacy is intimately bound up with a proper understanding of the role of Mary there will only be true peace in the world when her message is accepted and lived If you thought you really understood how the modern world developed and the role and meaning of Marian apparitions then this book will make you think again Donal Foley has written a book with an extraordinary message Aidan Nichols O P **26**

*Mary the Perfect Contemplative: Carmelite Insights on the Interior Life of Our Lady* Barbara Hughes, 2022-04-25 Mary the Perfect Contemplative is a fresh and beautiful portrait of the Mother of God. From her immaculate conception to her bodily assumption into heaven, Mary was set apart by God as the vessel of humanity's redemption. Thrice favored as daughter of the Father, mother of the Son, and spouse of the Holy Spirit, Mary was endowed with supernatural gifts that enabled a contemplative life of grace. Unlike us, she was conceived without sin. Yet her reliance on faith without the full vision of God's plan of salvation during her earthly life makes her for us the perfect model of faith. Pondering in her heart the mysteries she encountered throughout her life, she is the perfect contemplative. Author Barbara Hughes O.C.D.S. looks to Sacred Scripture as the primary and essential reference for her portrait of our Lady. For colorful detail, she draws on two thousand years of Sacred Tradition sourced in the writings of the church fathers, saints, and theologians. Finally, Hughes finds further depth and exquisite details of Mary's interior life in the mystical writings of the Carmelite saints and Doctors of the Church. The saints of Carmel, the canonized brothers and sisters of Our Lady of Mount Carmel, are invaluable guides that help us navigate the mystical waters of contemplation and union with God, which Mary exemplifies. Saints John of the Cross and Teresa of Jesus teach us the importance of living by faith, especially when God appears to be absent or when his plans are veiled to the eyes of even the holiest people, such as Mary. This book is for all of Mary's beloved children to offer them an intimate portrait of their Blessed Mother.
