Kabbalah and Healing: A Mystical Guide to Transforming the Four Pivotal Relationships for Health and Happiness Maggy Whitehouse, 2020-07-31 What Maggy Whitehouse has discovered over more than a quarter of a century of studying teaching and writing books on Kabbalah is that used as a tool for inspiration Kabbalah is a magical loom on which we can weave our healing and from that healing we become an agent of healing for the World Kabbalah tells us exactly where when how and why we may be out of alignment with health finances and relationships and just as importantly how to realign ourselves For Maggy it began with chronic lack of self esteem which in turn led to many a humiliation widowhood shark attack failed emigration debt divorce shame misery hatred and what the doctors called an incurable illness which now no longer exists It can be summed up in a way by how the first eight aspects led to the final one and how Kabbalah taught Maggy how to heal them from finish to start After all incurable surely means curable from within
