**Masculinities in Theory** Todd W. Reeser, 2011-09-15 Masculinities in Theory is a clear concise and comprehensive introduction to the field of masculinity studies from a humanities perspective Serves as a much needed introduction to the field for students and scholars of cultural studies literature art film communication history and gender studies Includes discussions of gay queer feminist and gender studies in relation to masculinity Covers the key theoretical approaches to the study of masculinity and introduces new models Explores the question What is masculinity and how does it work Looks at language discourse signification power cross dressing female queer and transsexual masculinity race and masculinity nation and masculinity interracial masculinities and masculinities in history *French B Movies* David A. Pettersen, 2023-03-07 In the impoverished outskirts of French cities known as the banlieues minority communities are turning to American culture history and theory to make their own voices cultures and histories visible Filmmakers have followed suit turning to Hollywood genre conventions to challenge notions of identity belonging and marginalization in mainstream French film French B Movies proposes that French banlieue films far from being a fringe genre offer a privileged site from which to understand the current state of the French film industry in an age

of globalization This gritty style appears in popular arthouse films such as Mathieu Kassovitz's *La Haine* and *Bande de filles* along with the major Netflix hit series *Lupin* David Pettersen traces how in these works and others directors fuse features of banlieue cinema with genre formulas associated with both Hollywood and Black cultural models as well as how transnational genre hybridizations such as B movies have become part of the ecosystem of the French film industry By combining film analysis cultural history critical theory and industry studies French B Movies reveals how featuring banlieues is as much about trying to imagine new identities and production models for French cinema as it is about representation

**Multiracial Americans and Social Class** Kathleen Odell Korgen, 2010 Annotation As the racial hierarchy shifts and inequality between Americans widens it is important to understand the impact of social class on the rapidly growing multiracial population *Multiracial Americans and Social Class* is the first book on multiracial Americans to do so and fills a noticeable void in a growing market In this book noted scholars examine the impact of social class on the racial identity of multiracial Americans in highly readable essays from a range of sociological perspectives In doing so they answer the following questions Who is multiracial How does class influence racial identity How does social class status vary among multiracial populations Do you need to be middle class in order to be an honorary white What is the relationship between social class culture and race How does the influence of social class compare across multiracial backgrounds What are multiracial Americans explanations for racial inequality in the United States *Multiracial Americans and Social Class* is a key text for undergraduate and postgraduate students researchers and academics in the fields of sociology race and ethnic studies social stratification race relations and cultural studies

*He Thinks He's Down* Katharine Bausch, 2020-06-01 The end of the Second World War saw a crisis of white masculinity brought on by social political and economic change *He Thinks He's Down* explores the specific phenomenon of white men appropriating Black masculinities to benefit from what they believed were powerful Black masculinities It reveals the intricate relationships between racialized gender identities appropriation and popular culture during the Civil Rights Era Drawing on case studies from three genres of popular culture the literature of Mailer and Kerouac fashion in *Playboy* magazine and action narratives in Blaxploitation films Katharine Bausch untangles the ways in which white male artists took on imagined Black masculinities in their work in order to negotiate what it meant to be a man in America at this time In so doing Bausch argues white men's use of Black masculinities drained Black men of their political and racial agency and reduced them once more to little more than stereotypes

**After "Happily Ever After"** Maria San Filippo, 2021-05-18 This volume is intended for all readers with an interest in film media and gender studies

*Negotiating Boundaries in Medieval Literature and Culture* Valerie B. Johnson, Kara L. McShane, 2022-03-21 Thomas Hahn's work laid the foundations for medieval romance studies to embrace the study of alterity and hybridity within Middle English literature His contributions to scholarship brought Robin Hood studies into the critical mainstream normalized the study of historically marginalized literature and peoples and encouraged scholars to view

medieval readers as actively encountering others and exploring themselves This volume employs his methodologies careful attention to texts and their contexts cross cultural readings and theoretically informed analysis to highlight the literary culture of late medieval England afresh Addressing long established canonical works such as Chaucer Christine de Pizan and Malory alongside understudied traditions and manuscripts this book will be of interest to literary scholars of the later Middle Ages who like Hahn work across boundaries of genre tradition and chronology

**Poitier Revisited** Ian Gregory Strachan, *Mia Mask*, 2016-05-19 Sidney Poitier remains one of the most recognizable black men in the world Widely celebrated but at times criticized for the roles he played during a career that spanned 60 years there can be no comprehensive discussion of black men in American film and no serious analysis of 20th century American film history that excludes him Poitier Revisited offers a fresh interrogation of the social cultural and political significance of the Poitier oeuvre The contributions explore the broad spectrum of critical issues summoned up by Poitier s iconic work as actor director and filmmaker Despite his stature Poitier has actually been under examined in film criticism generally This work reconsiders his pivotal role in film and American race relations by arguing persuasively that even in this supposedly post racial moment of Barack Obama the struggles aspirations anxieties and tensions Poitier s films explored are every bit as relevant today as when they were first made

**Beyond Blaxploitation** Novotny Lawrence, Gerald R. Butters, 2016-11-28 Beyond Blaxploitation is a much needed pedagogical tool informing film scholars critics and fans alike about blaxploitation s richness and complexity

**Cable Guys** Amanda D. Lotz, 2014-03-31 The emergence of male centered serials such as *The Shield* *Rescue Me* and *Sons Of Anarchy* and the challenges these characters face in negotiating modern masculinities From the meth dealing but devoted family man Walter White of AMC s *Breaking Bad* to the part time basketball coach part time gigolo Ray Drecker of HBO s *Hung* depictions of male characters perplexed by societal expectations of men and anxious about changing American masculinity have become standard across the television landscape Engaging with a wide variety of shows including *The League* *Dexter* and *Nip Tuck* among many others Amanda D Lotz identifies the gradual incorporation of second wave feminism into prevailing gender norms as the catalyst for the contested masculinities on display in contemporary cable dramas Examining the emergence of male centered serials such as *The Shield* *Rescue Me* and *Sons of Anarchy* and the challenges these characters face in negotiating modern masculinities Lotz analyzes how these shows combine feminist approaches to fatherhood and marriage with more traditional constructions of masculine identity that emphasize men s role as providers She explores the dynamics of close male friendships both in groups as in *Entourage* and *Men of a Certain Age* wherein characters test the boundaries between the homosocial and homosexual in their relationships with each other and in the dyadic intimacy depicted in *Boston Legal* and *Scrubs* *Cable Guys* provides a much needed look into the under considered subject of how constructions of masculinity continue to evolve on television

**The Black Body in Ecstasy** Jennifer C. Nash, 2014-03-31 In *The Black Body in Ecstasy* Jennifer C Nash rewrites black feminism s theory of representation Her

analysis moves beyond black feminism's preoccupation with injury and recovery to consider how racial fictions can create a space of agency and even pleasure for black female subjects Nash's innovative readings of hardcore pornographic films from the 1970s and 1980s develop a new method of analyzing racialized pornography that focuses on black women's pleasures in blackness delights in toying with and subverting blackness moments of racialized excitement deliberate enactments of hyperbolic blackness and humorous performances of blackness that poke fun at the fantastical project of race Drawing on feminist and queer theory critical race theory and media studies Nash creates a new black feminist interpretative practice one attentive to the messy contradictions between delight and discomfort between desire and degradation at the heart of black pleasures

*The Euro-Western* Lee Broughton, 2016-06-22 The Western has always been inextricably linked to the USA and studies have continually sought to connect its historical development to changes in American society and Hollywood innovations Focusing new critical attention on films produced in Germany Italy and Britain this timely book offers a radical rereading of the evolutionary history of the Western and brings a vital international dimension to its study Lee Broughton argues not only that European films possess a special significance in terms of the genre's global development but also that many offered groundbreaking and progressive representations of traditional Wild West Others Native Americans African Americans and so called strong women European Westerns investigates how the histories of Germany Italy and Britain and the idiosyncrasies of their respective national film industries influenced representations of the self and Other shedding light on the broader cultural historical and political contexts that shaped European engagement with the genre

*I'd Just As Soon Kiss a Wookiee* Greg Carter, 2025 In a dedicated study of the Star Wars trilogies spanning from 1977 to 2019 Greg Carter contextualizes the popular franchise and its fandom through a critical mixed race studies framework The project primarily examines the five decade Star Wars phenomenon historically since as Carter states the films mirror the dominant beliefs in American society Just as many have assumed the movies lack racial issues some have claimed that the United States has reached a post racial state where racial difference is irrelevant *I'd Just As Soon Kiss a Wookiee* applies theoretical frameworks posited by Stuart Hall and bell hooks to this analysis of Star Wars as a portrait of post civil rights era race relations in the United States Though the franchise has perpetuated toxicity racism and sexism each of which have roots in longstanding currents of American thinking Carter showcases the perspectives of minority fans intellectuals and performances at a time when many recognize their centrality in the meaning of Americanness With the surplus of spinoffs in the Star Wars franchise Carter limits his study to the three trilogies of the Skywalker Saga In the original trilogy Carter looks at the racial ambiguity present in Darth Vader's cyborg body as well as the whiteness inherent to Princess Leia and the tropes incorporated in her narrative While examining how the prequel trilogy built the Star Wars world the study hones in on the family narrative structure in addition to the actors of color introduced The chapters that focus on the sequel trilogy rely on a variety of minority geek voices to reveal their underappreciated perspectives using these perspectives to understand the

fandom ships and the amplified animosity after *The Last Jedi* 2017 The author conducts this analysis all while asking what is the story of Star Wars especially for those outside of the white cis male audience

**Hip Hop in American Cinema** Melvin Burke Donalson, 2007 *Hip Hop in American Cinema* examines the manner in which American feature films have served as the primary medium for mainstreaming hip hop culture into American society With their glamorizing portrayals of graffiti writing break dancing rap music clothing and language Hollywood movies have established hip hop as a desirable youth movement This book demonstrates how Hollywood studios and producers have exploited the profitable connection among rappers soundtracks and mass audiences *Hip Hop in American Cinema* offers valuable information for courses in film studies popular culture and American studies

*Love and the Fighting Female* Allison P. Palumbo, 2020-07-16 The fighting female archetype a self reliant woman of great physical prowess has become increasingly common in action films and on television However the progressive female identities of these narratives cannot always resist the persistent and problematic framing of male female relationships as a battle of the sexes or other source of antagonism Combining cultural analysis with close readings of key popular American film and television texts since the 1980s this study argues that certain fighting female themes question regressive conventions in male female relationships Those themes reveal potentially progressive ideologies regarding female agency in mass culture that reassure audiences of the desirability of empowered women while also imagining egalitarian intimacies that further empower women Overall the fighting female narratives addressed here afford contradictory viewing pleasures that reveal both new expectations for and remaining anxieties about the strong independent woman ideal that emerged in American popular culture post feminism

*National Pastimes* Katharina Bonzel, 2020-01-01 Sports have long fascinated filmmakers from Hollywood and beyond from *Bend It Like Beckham* to *Chariots of Fire* to *Rocky* Though sports films are diverse in their approach style and storytelling modes *National Pastimes* discloses the common emotional and visual cues that belie each sports film s underlying nationalistic impulses Katharina Bonzel unravels the delicate matrix of national identity sports and emotion through the lens of popular sports films in comparative national contexts demonstrating in the process how popular culture provides a powerful vehicle for the development and maintenance of identities of place across a range of national cinemas As films reflect the ways in which myths of nation and national belonging change over time they are implicated in important historical moments from Cold War America to the class dynamics of 1980s Thatcherite Britain to the fragmented sense of nation in post unification Germany Bonzel shows how sports films provide a means for renegotiating the boundaries of national identity in an accessible engaging form *National Pastimes* opens up new ways of understanding how films appeal to the emotions using myth like constructions of the past to cultivate spectators engagement with historical events
