Reformed Baptist Covenant Theology Phillip D. R. Griffiths, 2022-02-28 God s covenants form the backbone of the Scriptures Understanding these covenants is the key to unlocking the treasures that lay therein This book will enable the reader not only to appreciate redemptive history but to understand more fully his/her position in Christ Griffiths demonstrates the essential fact that there has always been one Church one way of salvation and that all have been and will be saved only through faith in Christ Griffiths eschews the Presbyterian paradigm which believes the Abrahamic Mosaic and Davidic covenants to be of the same substance as the new covenant only differing in regard to their administration Replacing it with essential truth that the new covenant which is the outworking of the eternal covenant of redemption in time is the only covenant of grace Both Old and New Testament believers come under the mediatorship of Christ and are members and recipients of new covenant blessings The author shows how all other covenants what he calls subsidiary covenants are of works and that their function is to magnify the covenant of grace i.e. the new covenant

The evidence for infant

baptism, by the author of 'Notitiæ ludæ', R.S. Bayley, examined; and the distinguishing tenets of the Baptists defended Finlator Cameron,1836 **The Testimony of Luke: 1907 Biblical study notes on the Gospel of Luke** George N. H. Peters,2020-07-10 Once described as the most exhaustive treatise on the Kingdom of God ever written the late Rev George N H Peters the author of The Theocratic Kingdom left many unpublished personal bible studies These recently discovered handwritten documents are now being meticulously transcribed and prepared for publication What makes these 100 year old studies unique is the straightforward grammatical viewpoint taken by Rev Peters towards interpretation that the language of the Bible does not require spiritualization or mysticism to be understood that such unjustified additions actually confuse and mislead the reader The application of these practical Rules of Interpretation as seen in the recently published Testimony of Jesus and Testimony of John gives the Gospel of Luke a clear fresh new voice given from the viewpoint of an contemporary Man who was neither an Apostle or Disciple of the Lord during his earthly ministry The Rev Peters clearly exposes the simple interconnected design of the book a testimony to the true identity of Jesus as the covenanted and predicted Messiah The Study focuses ONLY on the unique accounts of Luke not contained in the other three Gospels Every instance in each chapter of Luke s testimony confronts the reader with this most important distinction By the end of Luke s testimony the evidence is so overwhelming the distinctions so clear that only one realization remains the reason Luke wrote the book in the first place that All of the past present future Biblical prophecies are to be fulfilled in the person of this Messiah ONLY the Messiah has the God given authority and supernatural power to succeed in these appointed tasks and most importantly that Jesus and the Messiah are one and the same person In the plainest manner possible then Luke spreads within the grasp of the reader the heart and soul of the Bible the past and future hopes of mankind in this one simple truth Luke like Jesus would ask Believest thou this *Martin Luther on Reading the Bible as Christian Scripture* William M. Marsh,2017-07-17 Above all else that the sixteenth century German Reformer was known for Martin Luther was a Doctor of the Holy Scriptures One of the most characteristic features of Luther s approach to Scripture was his resolved christological interpretation of the Bible Many of the Reformer s interpreters have looked back upon Luther s Christ centered exposition of the Scriptures with sentimentality but have often labeled it as Christianization particularly in regards to Luther s approach of the Old Testament dismissing his relevance for today s faithful readers of God s Word This study revisits this assessment of Luther s christological interpretation of Scripture by way of critical analysis of the Reformer s prefaces to the Bible that he wrote for his translation of the Scriptures into the German vernacular This work contends that Luther foremost believes Jesus Christ to be the sensus literalis of Scripture on the basis of the Bible s messianic promise not enforcing a dogmatic principle onto the scriptural text and its biblical authors that would be otherwise foreign to them This study asserts that Luther s exegesis of the Bible s letter i e his engagement with the biblical text is primarily responsible for his conviction that Christ is Holy Scripture s literal sense
