Mask For Privilege

Mask For Privilege:

A Mask for Privilege , Why in America should the most sinister of European social diseases have taken root Why should that disease have spread from its seemingly anachronistic beginning in the Gilded Age until it infected many of our great magazines and newspapers Until it determined not only where a man might stay the night but where he got his education and how he earned his living This book answers such questions by exposing the myths with which the anti Semite surrounds his position By taking away the mask of privilege it reveals the source of such prejudice for what it is the determination of the forces of special privilege with their hangers on to maintain their select and exclusive status regardless of the consequences to other human beings Like Carey McWilliams s other books on minorities in America A Mask for Privilege reveals the facts of discrimination so that the fogs of prejudice may be dispersed by the truth It traces the growth of discrimination and persecution in America from 1877 to 1947 shows why Jews are such good scapegoats and contrasts the Jewish stereotype too pushing too cunning with that of other minority groups Then it looks at the anti Semitic personality and concludes with Sartre that here is a man who is afraid of himself In his stirring new introduction Wilson Carey McWilliams calls this a work of recovery evoking names and moods and incidents now either half forgotten or lost to memory This brilliant analysis of anti Semitism is a documented and forceful attempt to inform Americans about the danger of the undemocratic antisocial practices in their midst and to suggest a positive program to arrest a course too similar to that which led to the Holocaust It transcends majority minority relations and becomes an analysis of antidemocratic practices which affect the whole fabric of American life

A Mask for Privilege Carey McWilliams,1948 **Taking America Back** David Austin Walsh,2024-04-16

A provocative look at the relationship between the far right and the American conservative movement from the 1930s to the end of the Cold War Since 2016 many commentators have expressed shock at the so called rise of the far right in America at the expense of responsible and respectable conservatism But is the far right an aberration in conservative politics As David Austin Walsh shows the mainstream conservative movement and the far right have been intertwined for nearly a century and both were born out of a right wing popular front linking racists anti Semites and fascists in a broad coalition opposed to socialism communism and New Deal liberalism Far from being outliers in the broader conservative coalition these extremist elements were foundational in the creation of a right wing political culture centered around shared political enemies a penchant for conspiracy theories and a desire to restore America to its authentic pre New Deal values The popular front included Merwin Hart a New York business lobbyist active in far right circles who became a lobbyist for the Franco regime in Spain the original America First movement the movement to prevent Jewish immigration to the United States after World War II the John Birch Society the American Nazi Party the George Wallace presidential campaign of 1968 the fight over the National Endowment for the Humanities and Pat Buchanan s support of Nazi war criminal John Demjanjuk during the Reagan Administration And connecting this disparate coalition was William F Buckley Jr the editor of National Review and America s

Uelmen,2012-11-14 This is the first biography of Stanley Mosk 1912 2001 iconic protector of civil rights and civil liberties during his 37 years as a justice of the Supreme Court of California 1964 to 2001 He had quickly risen as a well liked leader among Los Angeles reformers as executive secretary to California governor Culbert Olson and then 16 years as a superior court judge His 1958 election and service as state attorney general soon won national attention and the promise of likely election to the U S Senate but an unexpected campaign twist augured a new course This book frames Mosk s Supreme Court years and the landmark cases in which his opinions or biting dissents continue to resonate **Progressive Men, Women, and Movements of the Past Twenty-five Years** Benjamin Orange Flower,1914 **Research Handbook on Law, Movements and Social Change** Steven A. Boutcher,Corey S. Shdaimah,Michael W. Yarbrough,2023-07-01 The study of law and social movements provides an ideal lens for rethinking fundamental questions about the relationship between law and power This Research Handbook takes up that challenge framing a new more global dynamic reflexive and contextualised phase of social movement studies *Switchbacks* Jennifer Kramer,2011-11-01 Switchbacks explores how the Nuxalk of Bella Coola British Columbia negotiate such complex questions as Who owns culture How should culture be transmitted to future generations Where does selling and buying Nuxalk art fit into attempts to regain control of heritage To answer these questions Jennifer Kramer undertook participant observation at Nuxalk artists studios in the Nuxalk run band school s cultural education classes and during the everyday activities of Nuxalk in their homes She charts the fluid character of tangible material culture such as masks and other regalia and intangible material culture such as songs and dances as they moved in and out of the cultural education curriculum the Western art market and the Western legal system In addition Kramer analyzes the ambivalent reactions of the Nuxalk to ownership appropriation and repatriation of Nuxalk culture The Nuxalk oscillate between essential stances a process Kramer likens to switchbacks on a mountain road Through these recurrent movements they create recreate and validate contemporary Nuxalk identity Kramer demonstrates that loss of cultural objects proves that Nuxalk culture is valuable through external affirmation In this way the Nuxalk use their cultural patrimony to assert their collective national identity At stake are not only definitions of alienable and inalienable property but also a unified national identity that affords the Nuxalk a strong position from whence to reclaim traditional territory and regain self determination in British Columbia Switchbacks will appeal to scholars and students interested in questions of cultural ownership and identity in general and in Nuxalk culture in particular

Political Affairs ,1948 **Official Gazette of the United States Patent and Trademark Office** ,1998 **.NET Framework Solutions** John Paul Mueller,2006-10-11 If you ve begun programming using Microsoft s NET Framework you ve discovered a lot of new and improved functionality But more than likely you ve also discovered a lot of missing functionality Indeed a third of the functions supported by the old Win32 API are not yet supported by NET Although you may

not at first notice the loss of Win32 API functionality in NET the more you program the more you ll realize how essential it is As a programmer you will not want to do without these solutions NET Framework Solutions In Search of the Lost Win32 API is one more thing you can t do without a complete guide to your options for dealing with the functionality missing from NET As you ll learn some functions are handily situated within Visual Basic or C In most cases however you ll need to access the old Win32 API from the NET Framework This is demanding work but this book makes it easy walking you through every step and paying special attention to the work of managing memory manually the most error prone part of the process The topics covered inside are as varied as the missing functionality direct hardware access low level security control certain aspects of OS access support for multimedia and utilities and DirectX You also get hard to find information on COM access plus a collection of examples dealing with DirectX and the MMC Snap ins that unite COM and Win32 access in especially illuminating ways Over time you can expect to see the NET Framework expanded to include much of what it now lacks But your programming tasks can t wait and NET Framework Solutions makes you productive today

Reports of the Industrial exhibition San Francisco Mechanics Institute,1872 Intersectionality in Feminist and Queer Movements Elizabeth Evans,Eléonore Lépinard,2019-11-26 Examining the ways in which feminist and queer activists confront privilege through the use of intersectionality this edited collection presents empirical case studies from around the world to consider how intersectionality has been taken up or indeed contested by activists in order to expose and resist privilege The volume sets out three key ways in which intersectionality operates within feminist and queer movements it is used as a collective identity as a strategy for forming coalitions and as a repertoire for inclusivity The case studies presented in this book then evaluate the extent to which some or all of these types of intersectional activism are used to confront manifestations of privilege Drawing upon a wide range of cases from across time and space this volume explores the difficulties with which activists often grapple when it comes to translating the desire for intersectionality into a praxis which confronts privilege Addressing inter related and politically relevant questions concerning how we apply and theorise intersectionality in our studies of feminist and queer movements this timely edited collection will be of interest to students and scholars from across the social sciences and humanities with an interest in gender and feminism LGBT and queer studies and social movement studies
