Maskerade Playtext

AW Chickering

Maskerade Playtext:

Terry Pratchett's Maskerade Stephen Briggs, 1998 All is not well in Ankh Morpork Opera House A ghost stalks the corridors leaving strange letters for the management and killing people Granny Weatherwax and Nanny Ogg two Lancre witches investigate This is an adaptation of Terry Pratchett's Discworld novel *Maskerade* **Men At Arms - Playtext** Stephen Briggs, Terry Pratchett, 2011-09-30 Scarcely a year on from the events of *Guards! Guards!* the Ankh Morpork City Night Watch find their services are once more needed to tackle a threat to their city A threat at least as deadly as a 60 foot dragon but mechanical and heartless to boot It kills without compunction It is the first gun on the Discworld The original Watch Captain Vimes Sergeant Colon Corporal Carrot and Corporal Nobbs are joined by some new recruits selected to reflect the city's ethnic make up Lance Constable Cuddy a dwarf Detritus a troll and Angua a well best to find out for yourself **Wyrds Sisters - Playtext** Stephen Briggs, Terry Pratchett, 2011-09-30 Terry Pratchett takes Shakespeare's *Macbeth* and then turns it up till the knob comes off It's all there a wicked duke and duchess the ghost of the murdered king dim soldiers strolling players a land in peril And who stands between the Kingdom and destruction Three witches Granny Weatherwax intolerant self opinionated powerful Nanny Ogg down to earth vulgar and Magrat Garlick naive fond of occult jewellery and bunnies Stephen Briggs has been involved in amateur dramatics for over 25 years and he assures us that the play can be staged without needing the budget of *Industrial Light and Magic* Not only that but the cast should still be able to be in the pub by 10 o'clock Oh and a world of advice omitted from the play text **LEARN THE WORDS** Havelock Lord Vetinari **Mort - Playtext** Stephen Briggs, Terry Pratchett, 2011-09-30 Death comes to us all When he came to Mort he offered him a job But when Mort is left in charge for an evening he allows his heart to rule his head and soon the whole of causality and the future of the Discworld itself are at risk Along the way Mort encounters not only Death's adopted daughter Ysabell who has been 16 for 35 years and his mysterious manservant Albert whose cooking can harden an artery at ten paces but also an incompetent wizard with a talking doorknocker and a beautiful but rather bad tempered and dead princess He also of course meets Death On Terry Pratchett's Discworld Death really is a 7 foot skeleton in a black hooded robe and wielding a scythe He is also fond of cats enjoys a good curry and rides around the skies on a magnificent white horse called Binky **Plays and Players**, 1976

Ludvig Holberg, a Danish Playwright on the European Stage Bent Holm, 2018-07-09 Ludvig Holberg 1684-1754 is the founding father of the art of theatre in the Nordic countries He was a satirist and university professor who took his main inspirations from the comedies of Moliere and from the *commedia dell'arte* to create a number of plays that mirrored contemporary customs and conducts in a both realistic and grotesque way Due to the psychological and philosophical strength behind the comic mask the plays have been staged and revisited ever since In the 18th century they were part of the European canon They should be so now again This book presents Holberg in a European context as a reformer in the spirit of the Enlightenment even before Goldoni Diderot and Lessing and at the same time as an exponent of a carnivalesque tradition

Products & Priorities , *Whitaker's Books in Print* ,1998 Arts & Humanities Citation Index ,1976 Masquerade
