Masks Magic:

Masks and Masking Gary Edson, 2015-07-11 For at least 20 000 years masking has been a mark of cultural evolution and an indication of magical religious sophistication in society This book provides a comprehensive understanding of the mask as a powerful cultural phenomenon a means by which human groupings attempted to communicate their dignity and sense of purpose as well as establish a continuum between the natural and supernatural worlds It addresses the distinctive environments within which masks flourished and analyzes the mask as a manifestation of art ethnology and anthropology

C. Blake, 2013-11-05 Masks is the first novel in the dystopian fantasy Masks of Aygrima series Cataclysmic events have left the Autarchy of Aygrima the one land blessed with magical resources cut off from its former trading partners across the waters not knowing if any of those distant peoples still live Yet under the rule of the Autarch Aygrima survives And thanks to the creation of the Masks and the vigilance of the Autarch s Watchers no one can threaten the security of the empire In Aygrima magic is a Gift possessed from birth by a very small percentage of the population with the Autarch himself the most powerful magic worker of all Only the long vanquished Lady of Pain and Fire had been able to challenge his rule At the age of fifteen citizens are recognized as adults and must don the spell infused Masks which denote both status and profession whenever they are in public To maintain the secure rule of the kingdom the Masks are magically crafted to reveal any treasonous thoughts or actions And once such betrayals are exposed the Watchers are there to enforce the law Mara Holdfast daughter of the Autarch s Master Maskmaker is fast approaching her fifteenth birthday and her all important Masking ceremony Her father himself has been working behind closed doors to create Mara s Mask Once the ceremony is done she will take her place as an adult and Gifted with the same magical abilities as her father she will also claim her rightful place as his apprentice But on the day of her Masking something goes horribly wrong and

instead of celebrating Mara is torn away from her parents imprisoned and consigned to a wagon bound for the mines Is it because she didn't turn the unMasked boy she discovered over to the Night Watchers Or is it because she's lied about her Gift claiming she can only see one color of magic when in truth she can see them all just as she could when she was a young child Whatever the reason her Mask has labeled her a traitor and now she has lost everything doomed to slavery in the mines until she dies And not even her Gift can show Mara the future that awaits her a future that may see her freed to aid a rebel cause forced to become a puppet of the Autarch or transformed into a force as dangerous to her world as the legendary Lady of Pain and Fire
