**The Secret Teachings of the Masonic Lodge** John Ankerberg,John Weldon,1990-04-08 Is Masonry nothing more than a harmless brotherhood a club for men Or is there more behind the camaraderie This in depth book probes the secret teachings and oaths revealing how Masonry conflicts with the very foundations of Christianity Freemasonry and Catholicism Max Heindel,2017-05-22 Excerpt from Freemasonry and Catholicism An Exposition of the Cosmic Facts Underlying These Two Great Institutions as Determined by Occult Investigation HE Rosicrucian Fellowship aims to educate and construct to be charitable even to those from whom we differ and never to vent the venom Of vituperation spite or malice even upon those who seem deliberately determined to mislead We revere the Catholic religion it is as divine in its essence as Mystic Masonry both are rooted in hoary antiquity both were born to further the aspiration Of the striving soul and both have a message and a mission in the world not apparent upon the surface today because man made ceremonial as a scale has hidden the kernel Of divinity in each It is the Object Of the present articles to remove that scale and show the Cosmic purpose Of these two Great Organizations which are so bitterly antagonistic to each other We do not aim to reconcile them however for though they are both designed to further the emancipation Of the soul their methods are different and the attributes Of the soul fostered by one method will in deed be very different from the quality Of the soul nurtured in the other School Therefore the strife must continue until the battle for the souls Of men has been lost and won The issue is not however the persistence Of the Masonic or Catholic institutions but the outcome will determine the nature Of the training humanity will receive in the remaining Periods Of our evolution We shall endeavor to show the cosmic root Of both Of these institutions the purpose Of each and the training which each will inaugurate if successful also the nature Of the soul quality which may be expected to result from each method The writer is not a Mason and thus he is free to say what he knows without fear of violating obligations but he is a Mason at heart and therefore frankly opposed to Catholicism About the Publisher Forgotten
