Reflections on an Ageless Wisdom Joy Mills, 2014-07-01 Modern Theosophy expresses the ancient wisdom tradition found in all religions When H P Blavatsky founder of the Theosophical Society in 1875 told English journalist A P Sinnett she had gained her paranormal knowledge from more evolved beings called the Mahatmas Sinnett asked to communicate with them himself The result was a remarkable correspondence carried on from 1880 to 1885 with Mahatmas Khoot Hoomi and Morya Recorded in The Mahatma Letters to A P Sinnett the answers of these Teachers form an essential part of Theosophical literature At the time the Letters stormed the bastions of racial and religious prejudice and they continue to fascinate those seeking to probe the mysteries of the universe and the nature of consciousness Here is the most comprehensive magisterial discussion of The Mahatma Letters since they were first published in 1924 Eminent Theosophist Joy Mills bases her commentary on Vincente Hao Chin s 1999 edition of the Letters helpfully arranged chronologically to enable following the exposition as it originally unfolded Mills quotes Sinnett in emphasizing that the Mahatmas purpose was not to put the world into possession of occult knowledge but to train those who proved qualified so that they might ascend the path of spiritual progress Her focus then is on not only knowledge of the magnificent Occult Science but more significantly the ethical and moral values we must embrace to be of service to the world She offers her reflections on over 140 letters in the hope that they may prove useful to fellow students on the journey toward the spiritual

heights May these letters call you as they have continued to call me to keep on exploring for truly there is no other way to go

The Secret History of the World and How to Get Out Alive Laura Knight-Jadczyk,2005 Previously published as Ancient Science Secret History contains 150 pages of new material The Secret History of The World and How To Get Out Alive is the definitive book of the real answers where Truth is more fantastic than fiction Laura Knight Jadczyk wife of internationally known theoretical physicist Arkadiusz Jadczyk an expert in hyperdimensional physics draws on science and mysticism to pierce the veil of reality With sparkling humour and wisdom she picks up where Fulcanelli left off sharing over thirty years of research to reveal for the first time The Great Work and the esoteric Science of the Ancients in terms accessible to scholar and layperson alike

Conspiracies have existed since the time of Cain and Abel Facts of history have been altered to support the illusion The question today is whether a sufficient number of people will see through the deceptions thus creating a counter force for positive change the gold of humanity during the upcoming times of Macro Cosmic Quantum Shift Laura argues convincingly based on the revelations of the deepest of esoteric secrets that the present is a time of potential transition an extraordinary opportunity for individual and collective renewal a quantum shift of awareness and perception which could see the birth of true creativity in the fields of science art and spirituality

The Secret History of the World allows us to redefine our interpretation of the universe history and culture and to thereby navigate a path through this darkness In this way Laura Knight Jadczyk shows us how we may extend the possibilities for all our different futures in literal terms With over 800 pages of fascinating reading The Secret History of The World and How to Get Out Alive is rapidly being acknowledged as a classic with profound implications for the destiny of the human race With painstakingly researched facts and figures the author overturns long held conventional ideas on religion philosophy Grail legends science and alchemy presenting a cohesive narrative pointing to the existence of an ancient techno spirituality of the Golden Age which included a mastery of space and time the Holy Grail the Philosopher s Stone the True Process of Ascension Laura provides the evidence for the advanced level of scientific and metaphysical wisdom possessed by the greatest of lost ancient civilizations a culture so advanced that none of the trappings of civilization as we know it were needed explaining why there is no evidence of civilization as we know it left to testify to its existence

The author s consummate synthesis reveals the Message in a Bottle reserved for humanity including the Cosmology and Mysticism of mankind Before the Fall when as the ancient texts tell us man walked and talked with the gods Laura shows us that the upcoming shift is that point in the vast cosmological cycle when mankind or at least a portion of mankind has the opportunity to regain his standing as The Child of the King in the Golden Age If ever there was a book that can answer the questions of those who are seeking Truth in the spiritual wilderness of this world then surely The
