Brewer, 2015-01-15 Examining chameleonic identities as seen in theatrical performances and literary texts during the Romantic period this study explores cultural attitudes toward imposture and how it reveals important and much debated issues about this time period Brewer shows chameleonism evoked anxieties about both social instability and British selfhood      **The Forest Princess** Constance D'Arcy Mackay, 1916      **A Masque of Chameleons** Joan Van Every Frost, 2017-08-04 Roberta DuPlessis was the favourite of a troupe of travelling actors who had carefully looked after her since her mother's death On the cusp of womanhood however she was transforming into an exotic beauty unnoticed by the protective group Then in 1844 the troupe toured Mexico Roberta soon realised that she had no choice but to grow up fast meeting many men and encountering revolutionaries Distracted by her new lust for the haughtily charming Will Roberta loses hope feeling lost in her struggle during the transition into adulthood Before long it becomes clear that Roberta needs to put her innocence aside to overcome the danger that lingers all around them ignoring this new found lust and passion As the group begins to disperse the future becomes more uncertain Loneliness smothers Roberta as the closest thing to family she has begins to fall apart Through the chaotic Mexican villages A Masque of Chameleons is a sweeping saga of burning desires and destructible fervour Will those that are left be able to survive Praise for Joan Van Every Frost A moving saga of fiery passions Holly KinsellaJoan Van Every Frost was born in 1929 in California Her first novel This Firey Promise was published in 1978 and between that time and her death in 2012 she published several books including Kings of the Sea in 1972 She was faithful supporter of many charities and wrote several screenplays in addition to her novels      The Cave (a Comedy in Three Acts) and The Woman's Masquerade (a Comedy in One Act) Nora Del Smith, 1911      *Malinke* C. **Dance Of The Chameleon** Jim R Squadrito, 2021-03-26  
 Dance of the Chameleon A Vietnam Medic's Story is an eyewitness account of both heroic and shameful events occurring during the Vietnam War Decorated medic James Squadrito served in three venues in Vietnam where the experiences he recounts in the book were far too common Rampant drug use among soldiers sex trafficking of Vietnamese women as young as twelve and thirteen years old both on and off base ill trained officers and woefully prepared medics including himself were common realities during the war Jim tells of incidences of soldiers he had to patch up who had shot themselves to get sent home of dead soldiers who were shot by friendly fire in retaliation for their attempts at troop discipline and racial infighting that mirrored the conflicts of the civil rights movement stateside Arms trafficking and drug and artifact smuggling were standard crimes perpetrated by soldiers and officers Fortunately these and other inglorious moments were counterbalanced by self sacrifice and heroism Jim who chameleonlike changed his colors from the spoiled frat boy to a productive citizen recounts his personal journey of growth from cynicism to spirituality After leaving the service and left scarred by his experiences he would talk with other Vietnam soldiers at vets gatherings These sessions were cathartic for him and provided a motivation to write this book which he hopes will be a source of healing for his comrades who still haven't recovered from the ravages of the Vietnam conflict There are over one hundred thousand medics in the United States who walked the tightrope of saving lives and being pulled into actual combat when enemy troops ignored the Geneva Convention protocols This book is a tribute to them who put the lives of soldiers first above their own
