Absolutely love this format of delivery for a book Oh Masquerade you have my attention now I voluntarily reviewed this book I really like this book The characters were believable the story had some mystery and I liked where the series was going to go with the Masquerade themes I especially liked how this story was as long as a glass of wine I didn't test that but it was as long as a short stint on the beach Now I want to see what happens in the next few stories This first instalment hooked me in every way interesting opening great detail fully fleshed major characters each with a problematical life situation and minus my pet peeve poor editing This instalment is expertly written AND edited so there are no grammatical errors or typos to weaken distract from the story Kudos to Ms Francis I look forward to reading more What a fun escape these first two books are I just finished part 2 and am left hanging in suspense and anxiously awaiting part 3 to be delivered This is a unique way to read for me and I love it Come on part 3
