No.2 is of the 2nd ed.], , Court Masques of James I Mary Sullivan,1913 *Masques and Dramatick Operas* John Eccles, Featuring music by John Eccles Gottfried Finger Bartholomew Isaack and anonymous composers the masques *The Rape of Europa* by Jupiter 1694 and *The Loves of Mars and Venus* 1696 and the dramatick operas *The Mad Lover* 1700 and *The British Enchanters* 1706 come from a particularly tumultuous period of English drama and are representative of the many and varied musical drama genres popular in London's theaters at the turn of the eighteenth century just before Italian opera rose in popularity there *The British Enchanters* based on the chivalric romance of *Amadis de Gaule* was one of the last dramatick operas and thus one of the last representatives of what in its time was considered a truly British form of music drama This edition presents all the surviving music for all four of these works along with their corresponding playtexts and critical commentary **Unmasked** Ross W. Duffin,2025 Author Ross W Duffin reconstructs lost music for the three famous masques by Thomas Campion George Chapman and Francis Beaumont performed for the 1613 Palatine wedding His research reveals that their songs were partsongs performed by an ensemble rather than an accompanied solo singer The book also includes a fourth masque in French prepared for the wedding but never performed *English Reprints [no. 1-30]*. Edward Arber,1871 **The Builder** ,1899 Early Modern Performance Beyond the Public Stage Amrita Sen,Jennifer Linhart Wood,2025-09-18 The first major work to explore and analyse the popular extra theatrical performances in late medieval and Renaissance England This wider heterogeneous category of early modern performance included puppetry fireworks shows rope dancing minstrelsy performing animals games civic drama court masques university drama morris dances and ceremonial rituals all taking place in a variety of venues The volume reveals how these extra theatrical productions shaped urban and rural life and conveyed a sense of spectacular excess of exceeding traditional genres conventional modes of performance and the typical bounds of theatrical space The spaces where medieval and early modern drama flourished include pageant carts convents private homes universities waterways and the streets of both urban and rural communities Much like public theatres these performance spaces also played a pivotal role in articulating individual communal and national aspirations Spanning the medieval period to the late 17th century this volume engages with questions of spatiality gender religion transcontinental exchanges and colonialism presenting the latest research from scholars across the globe **World-Making Renaissance Women** Pamela S. Hammons,Brandie R. Siegfried,2021-12-02 This book answers three simple questions First what mistaken assumptions do we make about the early modern period when we ignore women's literary contributions Second how might we come to recognise women's influence on the history of literature and culture as well as those instances of outright pathbreaking mastery for which they are so often responsible Finally is it possible to see some women writers as world makers in their own right individuals whose craft cut into cultural practice so incisively that their shaping authority can be traced well beyond their own moment The essays in

this volume pursue these questions through intense archival investigation intricate close reading and painstaking literary historical tracking tracing in concrete terms sixteen remarkable women and their world shaping activities *Ritual Masks* Henry Pernet,2006-03-01 Ritual masking is an important institution in many traditional societies and has attracted much attention from Western scholars In *Ritual Masks* Pernet provides a thorough survey of masks and masking traditions in Africa Oceania and the Americas based on a close analysis of the literature in several languages Pernet s approach provides him with an opportunity to examine issues of importance to the history of religion and anthropology These include the influence of theory on the interpretation of prehistoric documents androcentrism in anthropology and the history of religions and Western scholarship s recurrent problems in interpreting preliterate or traditional societies *Theatrical Costume, Masks, Make-Up and Wigs* Sidney Jackson Jowers,2013-10-15 First published in 2000 Routledge is an imprint of Taylor Francis an informa company *The Masculinities of John Milton* Elizabeth Hodgson,2022-09-08 *The Masculinities of John Milton* is the first published monograph on Milton s men Examining how Milton s fantasies of manly authority are framed in his major works this study exposes the gaps between Milton s pleas for liberty and his assumptions that White men like himself should rule his culture From schoolboys teaching each other how to traffic in young women in the Ludlow Masque to his treatises on divorce that make the wife less husband the best possible citizen and to the later epics in which Milton wrestles with male small talk and the ladders of masculine social power his verse and prose draw from and amplify his culture s claims about manliness in education warfare friendship citizenship and conversation This revolutionary poet s most famous writings reveal how ambivalently manhood is constructed to serve itself in early modern England *Chamber symphony no. 1, for 15 solo instruments, op. 9* Arnold Schoenberg,2002-01-01 This piece is unusual in concentrating all the elements of a symphony into a single movement in being written for 15 solo instruments in using chords built up of fourths and in creating dissonances without immediate resolution To its first audiences the symphony seemed shocking But today it is one of Schoenberg s most pleasing and accessible works Scored for a chamber ensemble of flute oboe English horn two clarinets bass clarinet bassoon contrabassoon two horns two violins viola cello and bass Instrumentation Glossary *Tchaikovsky's Piano Concerto No. 1 and Rachmaninoff's Piano Concerto No. 2* Peter Ilyitch Tchaikovsky,Serge Rachmaninoff,1996-01-01 This authoritative edition includes two great piano concertos with orchestral reduction for second piano Both of these great Russian works have achieved unrivaled worldwide popularity and are absolute musts in the repertoire of every serious pianist *The Mask* Bruno J. Strasser,Thomas Schlich,2025-06-24 A history of masks protecting against bad air in cities factories hospitals and war trenches exploring how our identities and beliefs shape the decision to wear a mask For centuries humans have sought to protect themselves from harmful air whether from smoke dust vapors or germs This book offers the first history of respiratory masks ranging from simple pieces of cloth to elaborate gas masks and explores why they have sparked both hope and fear Bruno J Strasser and Thomas Schlich captivate readers with stories of individuals from renowned doctors and

political leaders to forgotten inventors and anonymous factory workers who passionately debated the value of masks In Renaissance Italy and Meiji Japan in Victorian Britain and Cold War America the way societies have engaged with face coverings reveals their deepest cultural and political fractures The Mask challenges us to reconsider how we care for one another and the kind of environment we aspire to inhabit     **Lady in the Labyrinth** William Shullenberger,2008 The book s study of Milton s identification with his female hero and his advocacy of women s ethical sexual and political autonomy gives a jolt to ongoing debates about Milton and feminism Book jacket     **The Spectator: no. 1-80; Mar. 1, 1711-June 1, 1711** George Atherton Aitken,1898     **Railway Engineering and Maintenance** ,1923     **Renaissance Drama 39** Jeffrey Masten,William N. West,2011-02-25 Renaissance Drama an annual and interdisciplinary publication is devoted to drama and performance as a central feature of Renaissance culture The essays in each volume explore traditional canons of drama the significance of performance broadly construed to early modern culture and the impact of new forms of interpretation on the study of Renaissance plays theater and performance     *Shakespeare's England* Sir Sidney Lee,Charles Talbut Onions,1926
