**Walking Boston** Robert Todd Felton,2013-10-08 Boston is a walker s town It s as clear as the brick red path marking the Freedom Trail the bright blue signs of the Harborwalk and the green of the Emerald Necklace series of parks Boston s nearly 400 year history has led to the development of hidden neighborhoods historic sites and iconic parks that tempt both Bostonians and visitors out onto the sidewalks paths and trails lacing this close knit city In addition the Big Dig project which helped revive downtown and the waterfront by moving Interstate 93 underground has created an energy and excitement that has driven projects like the Harborwalk and the Rose Fitzgerald Kennedy Greenway Walking Boston offers the best of Boston s new and old rambles This portable guide features detailed maps original photos and public transportation information for every trip Route summaries make each walk easy to follow and a Points of Interest section summarizes each walk s highlights

**Humble Consulting** Edgar H. Schein,2016-04-04 Organizations face problems today that are too messy and complicated for consultants to simply play doctor run a few tests offer a neat diagnosis of the problem and recommend a solution With the pace of change accelerating and globalization and specialization adding new layers of complexity there is no time for diagnoses Canned answers from outsiders have become useless Well meaning consultants often end up working on the wrong problem misunderstanding the client organization s culture or ignoring the fact that constant change makes today s solutions obsolete tomorrow In Humble Consulting Edgar Schein outlines the basics of a new approach He argues that consultants and coaches have to jettison the old idea of professional distance and work with their clients in a more personal way emphasizing authentic openness curiosity and humility Schein shows how to create an atmosphere of genuine trust and caring so that clients can share what s really on their minds Consultants and clients can then jointly discover what needs to be done Working together from the outset like this speeds things up as it obviates the need for elaborate diagnostic tests and avoids solutions that might look good on paper but don t fit an organization s on the ground reality Schein draws deeply on his own decades of experience offering over two dozen case studies that illuminate each stage of the humble consulting process Just as he did with Process Consultation nearly fifty years ago Schein has once again revolutionized the field enabling consultants to be more genuinely helpful and vastly more effective
