Russia and the Information Revolution D. J. Peterson, 2005-11-28 This work the result of a six year study sheds light on Russia s role in the global Information Revolution It examines Russia s increasing reliance on information and communications technologies IT to improve its government institutions modernize business and industry and stimulate economic growth broaden information access and enhance the quality of life for Russian people The author examines Russia s emerging IT sector how businesses in Russia are seeking to use IT to enhance productivity and profitability the impact of IT on government and the course of the Information Revolution in Russian society Arab Mass Media William A. Rugh, 2004-02-28 Since September 11 2001 and the wars in Afghanistan and Iraq many television viewers in the United States have become familiar with Al Jazeera as offering an alternative take on events from that presented by mainstream U S media as well as disseminating anti American invective Westerners have tended toward simplistic views of Arab newspapers radio and television assuming that they are all under government control and that freedom of press is non existent William A Rugh a long time observer of the Arab mass media offers a more nuanced picture of the Arab press as it relates to the political situation in the Arab world today Although governmental influence over the media is stronger in the Middle East than in Europe or the United States Rugh argues that there is more diversity in the Arab media than most people in the West realize In reality the Arab media are coming to reflect the diversity and wide range of opinions of those within the Arab world itself In particular the advent of privately owned Arab satellite television in the 1990s has led to significant liberalization of the media throughout the region Rugh concludes that a democracy of ideas and voices is slowly growing in

the Arab world and he remains guardedly optimistic about the positive role the Arab media can play in processes of democratization and nation building The Handbook of Journalism Studies Karin Wahl-Jorgensen, Thomas Hanitzsch, 2009-01-13 This Handbook charts the growing area of journalism studies exploring the current state of theory and setting an agenda for future research in an international context The volume is structured around theoretical and empirical approaches and covers scholarship on news production and organizations news content journalism and society and journalism in a global context Emphasizing comparative and global perspectives each chapter explores Key elements thinkers and texts Historical context Current state of the art Methodological issues Merits and advantages of the approach area of studies Limitations and critical issues of the approach area of studies Directions for future research Offering broad international coverage from top tier contributors this volume ranks among the first publications to serve as a comprehensive resource addressing theory and scholarship in journalism studies As such the Handbook of Journalism Studies is a must have resource for scholars and graduate students working in journalism media studies and communication around the globe

Media Ownership and Concentration in America Eli Noam, 2009-10-19 People have worried for many years about the concentration of private power over the media as evidenced by controversy over Federal Communication Commission rulings on broadcast ownership limits The fear it seems is of a media mogul with a political agenda a new William Randolph Hearst who could help start wars or run for political office using the power of the media In the light of these concerns about freedom of speech Eli Noam provides a comprehensive survey of media concentration in America covering everything from the early media empire of Benjamin Franklin to the modern day cellular phone industry **Mass Media and American Politics**

Doris A. Graber, Johanna Dunaway, 2017-08-08 Mass Media and American Politics is the most comprehensive and best book for political communication This text has made it easy for my students to learn about research and theory related to political journalism and the political communication system in America It has great utility and insight while being comprehensive but not overwhelming for students Jason Martin DePaul University Known for its readable introduction to the literature and theory of the field Mass Media and American Politics is a trusted comprehensive look at media s impact on attitudes behavior elections politics and policymaking This Tenth Edition is thoroughly updated to reflect major structural changes that have shaken the world of political news and examines the impact of the changing media landscape It includes timely examples from the 2016 election cycle to illustrate the significance of these changes This classic text balances comprehensive coverage and cutting edge theory shows students how the media influence governmental institutions and the communication strategies of political elites and illustrates how the government shapes the way the media disseminate information Written by Doris A Graber a scholar who has played an enormous role in establishing and shaping the field of mass media and American politics and Johanna Dunaway this book sets the standard FREE POSTER Fact or Fiction Use this checklist to avoid the pitfalls posed by the rise of fake news **The Mass Media in Canada** Mary Vipond, 2011-03-25 Canada has one of the most advanced

mass media systems in the world which allows Canadians more access to American culture via television the movies and the Internet than ever before At the same time governments support the production and distribution of Canadian content to Canadians In this fully updated fourth edition Mary Vipond traces the rise of the traditional mass media in Canada explores the new media and discusses the influence of old mass media on new media Clearly written and persuasively argued *The Mass Media in Canada* demonstrates the huge challenges government face today in trying to influence media content and considers the troubling questions of who decides what we read watch and hear

The Media as a Tool of International Intervention Nidžara Ahmetašević, 2023-09-12 This book explores the role of external powers and international organisations in media assistance in Bosnia and Herzegovina Through analysis of key documents media reports and interviews with key participants it examines the main actors their roles and the way in which they influenced the media and society Bosnia and Herzegovina remains one of the biggest experiments in international intervention in modern history Media assistance as well as international intervention was an enormous project which involved many donors and recipient organisations and large amounts of money but it is just one of many countries where democratisation and state building took place with little to no input from the local community Since the mid 1980s media assistance has been an integral part of international intervention used as a tool of democratisation in post conflict countries and societies The process is often led and created outside these countries and implemented by various international organisations led by technocrats and dictated by the will of donors The author uses the case study of Bosnia and Herzegovina to assess this in a broader context This volume will be of interest to scholars and students of Southeast Europe international organisations peace building and rebuilding society in post war countries as well as journalists and policy makers

Management Communication Thomas Klikauer, 2008-06-25 As managerial work regimes move continuously towards post industrialism forms of communication change with it and work relationships are increasingly becoming communicative relationships This book seeks to end communicative distortions by establishing a new model of communication that will set up practical and workable communication forums

Genetics, Mass Media and Identity Tudor Parfitt, Yulia Egorova, 2006-04-18 This is the first book to explore the effect of genetic research on the Lemba Judaising community of Southern Africa and the phenomenon of Israelite identity The science of genetics as relayed by the media is perceived by laymen as being irreproachably objective hard science its disinterested scientific findings appear immensely impressive and may therefore act as a powerful catalyst for change In this case an oral tradition cherished by many of the Lemba that they are of Jewish origin appears to be supported by recent DNA testing which has deeply affected the narrative and religious identity of the group and the way the tribe is perceived in the Western world International in appeal this topical text brings together cutting edge research on the social cultural and ethical implications of genetics and the study of Judaising movements across the world This book will be of interest to researchers and students of Jewish history genetic anthropology race and ethnicity studies and religious and cultural studies

American Indians and

the Mass Media Meta G. Carstarphen, John P. Sanchez, 2012-10-01 Mention American Indian and the first image that comes to most people's minds is likely to be a figment of the American mass media A war bonneted chief The Land O Lakes maiden Most American Indians in the twenty first century live in urban areas so why do the mass media still rely on Indian imagery stuck in the eighteenth and nineteenth centuries How can more accurate views of contemporary Indian cultures replace such stereotypes These and similar questions ground the essays collected in American Indians and the Mass Media which explores Native experience and the mainstream media's impact on American Indian histories cultures and communities Chronicling milestones in the relationship between Indians and the media some of the chapters employ a historical perspective and others focus on contemporary practices and new technologies All foreground American Indian perspectives missing in other books on mass communication The historical studies examine treatment of Indians in America's first newspaper published in seventeenth century Boston and in early Cherokee newspapers Life magazine's depictions of Indians including the famous photograph of Ira Hayes raising the flag at Iwo Jima and the syndicated feature stories of Elmo Scott Watson Among the chapters on more contemporary issues one discusses campaigns to change offensive place names and sports team mascots and another looks at recent movies such as Smoke Signals and television programs that are gradually overturning the movie Indian stereotypes of the twentieth century Particularly valuable are the essays highlighting authentic tribal voices in current and future media Mark Trahan chronicles the formation of the Native American Journalists Association perhaps the most important early Indian advocacy organization which he helped found As the contributions on new media point out American Indians with access to a computer can tell their own stories instantly to millions of people making social networking and other Internet tools effective means for combating stereotypes Including discussion questions for each essay and an extensive bibliography American Indians and the Mass Media is a unique educational resource

Instrumentalisation of Mass Media in Electoral Authoritarian Regimes Nozima Akhrarkhodjaeva, 2017-04-25 Focusing on the case of Russia during Putin's first two presidential terms this book examines media manipulation strategies in electoral authoritarian regimes Which instruments and approaches do incumbent elites employ to skew media coverage in favor of their preferred candidate in a presidential election What effects do these strategies have on news content Based on two case studies of the presidential election campaigns in Russia in 2000 and in 2008 this investigation identifies the critical internal mechanisms according to which these regimes work Looking at the same country while it transformed from a competitive into a hegemonic authoritarian regime allows a diachronic comparison of these two regime types The book explicates the subtle differences between competitive and hegemonic regimes different types of media manipulation strategies the diverging extent of media instrumentalization various interactions among state actors large business owners the media and journalists the respective effects that all these factors and interactions have on media content and the peculiar types of bias prevalent in each type of regime This deep exploration of post Soviet politics is based on extensive review of documents interviews with

media professionals and quantitative as well as qualitative content analyses of news media during two Russian presidential election campaigns **Handbook of Socialization, Second Edition** Joan E Grusec, PhD, Paul D. Hastings, 2015-11-25

Socialization refers to the way in which individuals are assisted in becoming members of one or more social groups including how the newer members as well as the established ones socialize one another often in a bi directional manner that is response to socialization impact in both directions This is the only handbook on socialization that covers the topic from infancy through adulthood Hot new topics include moral development the media as a socializing agent behavior genetics and culture Authors are known in the field R sum de l diteur
