Mass Murder Americas Growing Menace

Jaclyn Schildkraut

Mass Murder Americas Growing Menace:

Mass Murder Jack Levin, James Alan Fox, 1985-03-21 An examination of the characteristics of American mass murderers and their victims

Mass Shootings in America Jaclyn Schildkraut, 2018-05-25 This work examines mass shootings in the United States focusing on events from 1966 to 2016 In addition to providing essential information about each shooting it surveys underlying causes of such events and potential reforms to prevent future ones This book is an informed and informative resource for understanding the reasons for and consequences of mass shootings in America It includes essays from experts in the fields of criminal justice sociology and psychology about key issues surrounding the phenomenon of mass shootings and a collection of opinion pieces that provide insights into debates surrounding gun laws and other issues related to mass shootings The title also features an encyclopedia section containing entries on every mass shooting in the United States from 1966 to 2016 for easy reference and a collection of illuminating and historically important primary documents pertaining to mass shooting events and the broader problem of violence in American society Accessible authoritative and comprehensive Mass Shootings in America will assist a wide range of readers including budding scholars seasoned researchers and members of the general public to a better understanding of mass shootings and their causes as well as steps that might be taken to reduce their severity and frequency

Guncrazy America Frank N. Egerton, 2018-10-06 The conclusion of this professor historian emeritus is that our gun culture had its uses in establishing American civilization as slavery did But we came to recognize after a bloody civil war that slavery was a gigantic mistake and now I think it s time to realize that our gun culture was a similarly gigantic mistake though of a different kind And we need to do what we can to minimize its horrible impacts and move on to a more positive development of a humane civilization

A Sniper in the Tower Gary M. Lavergne, 1997 This volume provides an analysis of American Charles Whitman 1941 1966 an American engineering student and former U S Marine who killed seventeen people and wounded thirty two others in a mass shooting rampage in and around the Tower of the University of Texas in Austin on the afternoon of August 1 1966 Prior to the shootings at the University of Texas Whitman had murdered his wife and mother the night before The author attempts to answer the question why with this historical analysis of the event Using primary sources and photographs the author details the significant events in Whitman s life that led to the massacre The author details the life of Whitman his relationships with his friends mother and father brothers and wife He writes about the victims and where and what they were doing when they were gunned down The author describes how civilians used their own guns to shoot back at Whitman and how an air attack from a helicopter was unsuccessful in gunning down the killer but how Austin police were finally able to end the massacre by sneaking up to the Tower and catching Whitman off guard

Natural Born Celebrities David Schmid, 2024-05-31 Jeffrey Dahmer Ted Bundy John Wayne Gacy Over the past thirty years serial killers have become iconic figures in America the subject of made for TV movies and mass market paperbacks alike But why do we find such luridly transgressive and horrific individuals so

fascinating What compels us to look more closely at these figures when we really want to look away Natural Born Celebrities considers how serial killers have become lionized in American culture and explores the consequences of their fame David Schmid provides a historical account of how serial killers became famous and how that fame has been used in popular media and the corridors of the FBI alike Ranging from H H Holmes whose killing spree during the 1893 Chicago World's Fair inspired The Devil in the White City right up to Aileen Wuornos the lesbian prostitute whose vicious murder of seven men would serve as the basis for the hit film Monster Schmid unveils a new understanding of serial killers by emphasizing both the social dimensions of their crimes and their susceptibility to multiple interpretations and uses He also explores why serial killers have become endemic in popular culture from their depiction in The Silence of the Lambs and The X Files to their becoming the stuff of trading cards and even Web sites where you can buy their hair and nail clippings Bringing his fascinating history right up to the present Schmid ultimately argues that America needs the perversely familiar figure of the serial killer now more than ever to manage the fear posed by Osama bin Laden since September 11 This is a persuasively argued meticulously researched and compelling examination of the media phenomenon of the celebrity criminal in American culture It is highly readable as well Joyce Carol Oates

Contemporary Perspectives on Serial Murder Ronald M. Holmes, Stephen T. Holmes, 1998-03-24 Labeled as the crime of the 1990's serial murder is predicted to remain the crime of the first decades of the new millennium This book brings together the perspectives of acknowledged experts in the field along with those of emerging authorities on serial murder The chapters offer a unique look at these crimes from a variety of viewpoints and experiences Accessibly written this compelling volume includes information on minorities and serial killing as well the manner in which serial killers are traced and tracked

Homicide M. Dwayne Smith, Margaret A. Zahn, 1999 A set of chapters prepared by leading figures currently engaged in the study of homicide Each chapter provides a review and summary of research literatures that deal with social theories of homicide methodological problems in the study of homicide research among specific groups and public policy reactions designed to prevent homicide

The Allure of Premeditated Murder Jack Levin,, Julie B. Wiest, 2018-10-18 Any murder causes pain and suffering that ripple through families and communities of both the victims and the perpetrators but premeditated murders cause the worst kind of damage The Allure of Premeditated Murder is about the worst kinds of premeditated homicide in which the perpetrator plans an attack over a period of days weeks or months leaving behind massive carnage and unspeakable suffering Drawing on extensive research and interviews with murderers sociologists Jack Levin and Julie B Wiest help readers understand why such vicious murders occur and what we can do to minimize their incidence Throughout the book they examine why people engage in acts of premeditated murder planning and implementing terrible violence against others from the perpetrator's viewpoint By juxtaposing the motivations for these hideous homicides against everyday social circumstances these often baffling crimes are explained in an easy to understand manner that paves the way for promising solutions In the process of examining the

characteristics of premeditated murder the book also addresses those questions that are commonly asked about this kind of violent crime but usually unanswered How could a killer have enjoyed his murderous rampage when he committed suicide right afterward Why do sadistic killers sometimes regard their murders as great accomplishments What can be done to effectively reduce the likelihood of this kind of homicide As violence remains such a prominent and troubling topic nationwide The Allure of Premeditated Murder successfully explores the reasons behind the worst violence as well as the most promising solutions

Strange Things Done Ken S. Coates, William R. Morrison, 2004-04-28 Klondike lore is full of accounts of the exploits of Dangerous Dan McGrew Sergeant Preston of the Mounted and the Mad Trapper of Rat River The stories vary from outright fabrications to northern fantasies and on occasion real life accounts Strange Things Done investigates a series of murders in the pre World War II Yukon exploring the boundaries between myths and historical events The book seeks to understand both the specific events carefully reconstructed from court evidence and police records and the broader social and cultural context within which these violent deaths occurred The murder case studies provide a unique and penetrating perspective on key aspects of Yukon history such as Native newcomer relations mental illness and the folklore about cabin fever the role of immigrants in northern society violence in the gold fields and the role of the police and courts in regulating social behaviour The investigation of these capital cases also illustrates the fear and paranoia which gripped the territory in the aftermath of a murder and the society's insistence on quick and retributive justice when offenders were caught and convicted The Yukon experienced fewer murders than popular literature would suggest and fewer than most would expect given the region's intense and dramatic history but those that did occur illustrate the passions frustrations angers and human frailties that are present in all societies The manner in which the murders occurred and the way in which Yukoners reacted also reveals specific and important aspects of territorial society

The Jeffrey Dahmer Story Don Davis, 1991-11-15 They smelled the foul odors They heard the power saw buzzing in the dead of night but neighbors never imagined the horrors happening right next door The hot sultry night of July 22 1991 was one the tenants of the Oxford Apartments would never forget A panic stricken young man a pair of handcuffs still dangling from his wrists ran out of Apartment 213 and told police an incredible tale of terror Shaking with fear he led officers back to his captor's lair where they made the gruesome discovery Inside were the body parts of at least fifteen men including torsos stuffed into a barrel severed heads in a refrigerator and skulls boiled clean and stashed in a filing cabinet Tacked to the freezer were Polaroid photographs of mutilated corpses When investigators arrested 31 year old Jeffrey Dahmer they realized they had stumbled onto a real life Hannibal Lecter a sadistic murderer who told them he had saved a human heart to eat later What could turn a handsome former tennis player the son of middle class parents into a perverse serial killer whose unthinkable acts shocked the nation The Jeffrey Dahmer Story takes you into Jeffrey Dahmer's twisted world of bizarre sexual encounters mutilation and cannibalism in one of history's most appalling true crime cases With 8 pages of chilling photographs

Death on Base Anita Belles Porterfield, John Porterfield, 2015-05-15 When Army psychiatrist Nidal Hasan walked into the Fort Hood Soldier Readiness Processing Center and opened fire on soldiers within he perpetrated the worst mass shooting on a United States military base in our country's history. *Death on Base* is an in depth look at the events surrounding the tragic mass murder that took place on November 5, 2009 and an investigation into the causes and influences that factored into the attack. The story begins with Hasan's early life in Virginia, continues with his time at Fort Hood, Texas, covers the events of the shooting and concludes with his trial. The authors analyze Hasan's connections to radical Muslim cleric Anwar al Awlaki and Al Qaeda in the Arabian Peninsula (AQAP) and demonstrate how radical Islam fueled Hasan's hatred of both the American military and the soldiers he treated. Hasan's mass shooting is compared with others such as George Hennard's shooting rampage at Luby's in Killeen in 1991, Charles Whitman at the University of Texas and Virginia Tech shooter Seung Hui Cho. The authors explore the strange paradox that the shooting at Fort Hood was classified as workplace violence rather than a terrorist act. This classification has major implications for the victims of the shooting who have been denied health benefits and compensation.

Homicide Bal K. Jerath, Rajinder Jerath, 2020-08-26 *Homicide* represents the result of an exhaustive search of the world literature regarding homicide. More than 7,000 entries have been compiled from references selected from major indexes in libraries from outstanding universities, government agencies and military posts, science libraries, law libraries and the Library of Congress. Each entry features a one or two word annotation that indicates whether it is an article or a book, and all entries conform to the American Psychological Association stylebook guidelines. Key word and author indexes provide quick access to works pertaining to particular subjects or by a certain author.

Licensing Parents Jack C. Westman, 2007-10-12 *Licensing Parents* addresses the relationship between poverty, unemployment and other socio-economic issues to competent parenting in a unique and creative manner. Examines why the current generation of children and youth is the first in our nation's history to be less well off psychologically, socially and morally than their parents were at the same age.

Understanding Willing Participants, Volume 2 Nestor Russell, 2018-12-27 Horrified by the Holocaust, social psychologist Stanley Milgram wondered if he could recreate the Holocaust in the laboratory setting. Unabated for more than half a century, his famous results have continued to intrigue scholars. Based on unpublished archival data from Milgram's personal collection, volume one of this two-volume set introduces readers to a behind-the-scenes account showing how during Milgram's unpublished pilot studies he step by step invented his official experimental procedure, how he gradually learnt to transform most ordinary people into willing inflictors of harm. The open access volume two then illustrates how certain innovators within the Nazi regime used the very same Milgram-like learning techniques that with increasing effectiveness gradually enabled them to also transform most ordinary people into increasingly capable executioners of other men, women and children. Volume two effectively attempts to capture how step by step these Nazi innovators attempted to transform the Führer's wish of a Jewish-free Europe into a frightening reality. By the book's end, the reader will gain an insight into how the

seemingly undoable can become increasingly doable

Proceedings of the Homicide Research Working Group Meetings, 1997 and 1998 Homicide Research Working Group. Annual Workshop, Homicide Research Working Group. Workshop, 1999

At Stake Edward Ingebretsen, 2001-11-14 At Stake is an analysis of popular culture a critique of a secularized religious discourse as well as a plea for cleaning up the ethics of public speech Edward J Ingebretsen explores the social construction of monstrosity in public discourse examining the uses of transgression and deviancy in tabloids mainstream press television magazines sermons speeches and popular fiction BOOK JACKET

Serial Murder Ronald M. Holmes, Stephen T. Holmes, 2009-07-21 Provides a solid review of the subject with an accessible incisive presentation including photos and features unique to this edition

Encyclopedia of Violence, Peace, and Conflict, 2008-09-05 The 2nd edition of Encyclopedia of Violence Peace and Conflict provides timely and useful information about antagonism and reconciliation in all contexts of public and personal life Building on the highly regarded 1st edition 1999 and publishing at a time of seemingly inexorably increasing conflict and violent behaviour the world over the Encyclopedia is an essential reference for students and scholars working in the field of peace and conflict resolution studies and for those seeking to explore alternatives to violence and share visions and strategies for social justice and social change Covering topics as diverse as Arms Control Peace Movements Child Abuse Folklore Terrorism and Political Assassinations the Encyclopedia comprehensively addresses an extensive information area in 225 multi disciplinary cross referenced and authoritatively authored articles In his Preface to the 1st edition Editor in Chief Lester Kurtz wrote The problem of violence poses such a monumental challenge at the end of the 20th century that it is surprising we have addressed it so inadequately We have not made much progress in learning how to cooperate with one another more effectively or how to conduct our conflicts more peacefully Instead we have increased the lethality of our combat through revolutions in weapons technology and military training The Encyclopedia of Violence Peace and Conflict is designed to help us to take stock of our knowledge concerning these crucial phenomena Ten years on the need for an authoritative and cross disciplinary approach to the great issues of violence and peace seems greater than ever More than 200 authoritative multidisciplinary articles in a 3 volume set Many brand new articles alongside revised and updated content from the First Edition Article outline and glossary of key terms at the beginning of each article Entries arranged alphabetically for easy access Articles written by more than 200 eminent contributors from around the world

Young Killers Kathleen M. Heide, 1999 Why is the number of homicides committed by youths rising in the United States An escalating problem in this country Juvenile Homicide has been considered an epidemic by mental health professionals as well as practitioners in the juvenile justice and criminal systems In her book Young Killers Kathleen M Heide blends compelling case studies with an empirical assessment of male adolescent murderers creating a readable and interesting scholarly text This book explores several factors that contribute to the rise of juvenile homicide including home and family environments role models the witnessing of violence access to weapons the availability

of drugs and alcohol personality characteristics and the cumulative effect of having little to lose Although this book focuses on male juvenile offenders Heide also addresses the changing percentage of juvenile females arrested for homicide and examines gender issues in juvenile homicide She discusses the reasons girls may be more likely to kill family members than boys are and examines the effects of the women s movement on girls and crime Heide also addresses psychological assessment treatment issues and prevention strategies aimed at reducing the incidence of juvenile homicide *Young Killers* is written with clarity making it accessible to a wide ranging audience This definitive work on juvenile homicide will benefit both undergraduate and graduate students and professionals in criminal justice criminology sociology social work counseling and clinical psychology

Serial Murder Elliott Leyton, 2018-04-27 This title was first published in 2000 Few areas of criminal activity have sustained such widely held attention as serial murder This volume charts the complete progress of academic work in this field detailing the development from the early domination of psychiatric enquiries to the later proliferation of criminal justice studies into the darkest of human behaviours

Mass Murder Americas Growing Menace Introduction

In today's digital age, the availability of Mass Murder Americas Growing Menace books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Mass Murder Americas Growing Menace books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Mass Murder Americas Growing Menace books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Mass Murder Americas Growing Menace versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Mass Murder Americas Growing Menace books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Mass Murder Americas Growing Menace books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Mass Murder Americas Growing Menace books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Mass Murder Americas

Growing Menace books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Mass Murder Americas Growing Menace books and manuals for download and embark on your journey of knowledge?

FAQs About Mass Murder Americas Growing Menace Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Mass Murder Americas Growing Menace is one of the best book in our library for free trial. We provide copy of Mass Murder Americas Growing Menace in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Mass Murder Americas Growing Menace. Where to download Mass Murder Americas Growing Menace online for free? Are you looking for Mass Murder Americas Growing Menace PDF? This is definitely going to save you time and cash in something you should think about.
