The Mind-Beauty

Connection Amy Wechsler, 2008-10-07 It's not your age that's causing half of those lines and crinkles. It's your life. Now Amy Wechsler MD shows you how to de-stress your skin and take years off your face. In 9 days. Liking the way you look is vital to your health and happiness. But that's not easy when life runs at warp speed; you're simultaneously coping with ever-increasing demands: dependent kids, aging parents, or both, shopping, cooking, laundry, money pressures, and more, more, more. Good bet you're superstressed, tightly wound, sleep-deprived, and it shows. Sure, but your thirties: you've accumulated the first signs of normal aging: crow's feet, a bit of sag, some broken capillaries. But stress-aging, how the madness of modern life affects your physical features inside and out, is today's biggest skin and health challenge. Happily, stress-aging is very reversible. And it takes only a few days. While you may never be able to totally turn off all the pressure, if only Dr. Wechsler has plenty of combination strategies from her own favorite stress buster to her number one wrinkle reverser to help you turn back the aging effects of tension and time. She'll also teach you how to slow down and to some degree reverse the natural aging process. This is your guide to feeling, looking, and living young. In her book, she shows you how to Find out your SkinAge with a groundbreaking test that reveals how old or young you really are. Personalize a 9-day renewal plan that's right for your face, wallet, and psyche. Understand the different cosmetic procedures and products available today. Adopt a mind-beauty regimen that will keep your skin, correct your whole body, looking and feeling terrific, not just for now but for life. The mind-beauty connection is powerful and can dramatically affect how well and how fast you age. The rewards for solving it go far beyond a quick fix. They're transforming. You'll not only look better, you'll also sleep better, feel better, and likely lose unwanted weight as you begin to feel healthier, less stress, and more alive. Ready for a whole new you? Open this book and let's start.

Myofascial Massage Marian Wolfe Dixon, 2007 This invaluable resource will help practitioners and students sort out differences and similarities between popular myofascial styles. Early chapters offer a solid review of anatomy and physiology as they relate to myofascial massage. Subsequent chapters focus on specific direct and indirect techniques and adjunctive self-care recommendations for clients, including the neuromuscular approach, hatha yoga, and exercise to support myofascial massage and the craniosacral approach. You'll learn the proper procedure for each myofascial technique and understand how to integrate myofascial massage into your bodywork practice. Whether you're looking to broaden your perspective of massage or find the myofascial approach and technique that best suits you and your client, *Myofascial Massage* is sure to help. Exquisite illustrations enhance learning and understanding by clarifying the techniques. Protocol boxes recommend sequences to follow during actual myofascial massage sessions. Guidelines provide useful strategies for implementing each myofascial approach and improving body mechanics and communication skills during your client sessions. First person

experiences will add to your overall understanding of the techniques and their uses. Massage implications included in each anatomy chapter. Chapters 2-4 help you to understand the influence of myofascial anatomy and physiology on practice. Questions for discussion and review at the end of each chapter encourage you to test your comprehension of the materials and think critically.

Thai Massage & Thai Healing Arts Bob Haddad, 2013-09-24. This fascinating anthology presents a much wider scope than other books on Thai massage and uncovers a wealth of previously unavailable information on the historical, spiritual and cultural connections to this powerful healing art. Topics include ways to refine and maintain a healthy practice, breathwork and body mechanics, self-protection techniques, reading body language, acupressure concepts and Thai herbal compress therapy. The spiritual and cultural section offers modern translations of ancient texts, Indian and Buddhist influences, magic amulets and sacred tattoos and accessory modalities such as reusi dat ton stretching and tok sen hammering therapy. Rounding out this thorough text, the final section features essays about actual practice with clients written by therapists and teachers from around the world. The extensive experience and information provided in this reference book is invaluable to students or practitioners who wish to deepen their personal and professional understanding of traditional Thai healing arts.

Aromatherapy for Massage Practitioners Ingrid Martin, 2007. This book is a complete guide for massage therapists interested in adding aromatherapy to their practice. It addresses practical concerns such as pricing sessions to account for the cost of oils, proper dilutions, sending products home with clients and effective formulations for specific ailments. Case studies present specific ailments in clinical scenarios with proper aromatherapy and massage treatments. Recipe Boxes provide directions for blending essential oils. Activity boxes develop readers' decision-making skills. Essential oil monographs discuss the history, traditional uses, safety considerations and most effective use in massage therapy of 50 individual essential oils. Review questions appear in every chapter.
