extends far into the future and it is not limited by national boundaries Where can we find the descendants of Joseph the lost tribes of Ephraim and Manasseh This list of blessings eliminates most of the nations of the world as contenders To find them we must ask Which nations possess these blessings in our world When we understand that the modern descendants of Joseph are the people of the United States and Britain we see that over the past three centuries God has been true to His promises Though the United States and Britain do not appear in the Bible s prophecies of the end time under their present names God hasn t ignored these nations He identifies them in prophecy according to their ancestry Most people simply haven t known where to look for them
