It Came from the 80s! Francesco Borsetti, 2016-08-16 From their heyday in the 1950s and 1960s B movies declined in popularity through the 1970s As the big Hollywood studios began to make genre films with sky high budgets independent producers of low budget movies could not compete in theaters The sale of American International Pictures in 1979 and New World Pictures in 1983 marked the end of an era The emergence of home video in the 1980s marked the beginning of a new phase as dozens of B movies were produced each year for the small screen many becoming cult classics of science fiction horror and fantasy Through numerous interviews with producers directors photographers and actors this book sheds light on an overlooked corner of film history with behind the scenes stories of 28 low budget favorites from the 1980s

Harry Alan Towers Dave Mann, 2014-11-03 Harry Alan Towers reputation rests upon a corpus of 95 low budget productions shot post haste in every corner of the globe He took an integral part however in the development of the protocols that now underpin much transnational film production and he must be regarded as a pioneer Towers slash and burn strategy focused on parasitic back to back productions funded by rights bundles that were pre sold globally This strategy was substantially derived from his early days in broadcasting wherein he acted as a go between in the American and the British Commonwealth markets Though he became adept at procuring funds from pariah regimes and black market economies primarily he continued to act as a broker bringing together American equity investment and European finance under the auspices of EC co production agreements He was also quick to exploit the burgeoning niche markets becoming available in the wake of technological developments and government initiatives

The A to Z of African American Cinema S. Torriano Berry, Venise T. Berry, 2009-09-02 On 4 July 1910 in 100 degree heat at an outdoor boxing ring near Reno Nevada film cameras recorded and thousands of fans witnessed former heavyweight champion Jim Jeffries reluctant return from retirement to fight Jack Johnson a black man After

14 grueling rounds Johnson knocked out Jeffries and for the first time in history there was a black heavyweight champion of the world At least 10 people lost their lives because of Johnson s victory and hundreds more were injured due to white retaliation and wild celebrations in the streets Public screenings received instantaneous protests and hundreds of cities barred the film from being shown Congress even passed a law making it a federal offense to transport moving pictures of prizefights across state lines and thus the most powerful portrayal of a black man ever recorded on film was made virtually invisible This is but one of the hundreds of films covered in *The A to Z of African American Cinema* which includes everything from *The Birth of a Nation* to *Crash* In addition to the films brief biographies of African American actors and actresses such as Sidney Poitier James Earl Jones Halle Berry Eddie Murphy Whoopi Goldberg Denzel Washington and Jamie Foxx can be found in this reference Through a chronology a list of acronyms and abbreviations an introductory essay a bibliography appendixes black white photos and hundreds of cross referenced dictionary entries on actors actresses movies producers organizations awards film credits and terminology this book provides a better understanding of the role African Americans played in film history

What Fresh Lunacy is This? Robert Sellers, 2013-06-13 Oliver Reed may not have been Britain s biggest film star for a period in the early 70s he came within a hairsbreadth of replacing Sean Connery as James Bond but he is an august member of that small band of people like George Best and Eric Morecambe who transcended their chosen medium became too big for it even and grew into cultural icons For the first time Reed s close family has agreed to collaborate on a project about the man himself The result is a fascinating new insight into a man seen by many as merely a brawling boozing hellraiser And yet he was so much more than this For behind that image which all too often he played up to in public was a vastly complex individual a man of deep passions and loyalty but also deep rooted vulnerability and insecurities Why was a proud patriotic intelligent successful and erudite man so obsessed about proving himself to others time and time again Although the Reed myth is of Homeric proportions he remains a national treasure and somewhat peculiar icon Praise for other books by Robert Sellers *Hellraisers* *The Life and Inebriated Times of Richard Burton* *Richard Harris* *Peter O Toole* and *Oliver Reed* So wonderfully captures the wanton belligerence of both bingeing and stardom you almost feel the guys themselves are telling the tales *GQ Vic Armstrong* *The True Adventures of the World s Greatest Stuntman* This is the best and most original behind the scenes book I have read in years gripping and revealing *Roger Lewis Daily Mail* *Don t Let the Bastards Grind You Down* a rollicking good read Sellers has done well to capture a vivid snapshot of this exciting time *Lynn Barber Sunday Times*

Lash! Alvin Easter, 2004 All hands on deck to witness punishment Although whippings of men have been a commonly depicted punishment in the movies ever since the days of the nickelodeon no book until now has attempted to document this vital aspect of screen sadism By describing and then discussing the movie s hundred great male whipping scenes ranging from 1932 s *Mask of Fu Manchu* to 2004 s *Passion of the Christ* and featuring such famous actors as Burt Lancaster Alan Ladd Elvis Presley and John Wayne *Lash* tries to fill this void with wit perception
