Master Of Love And Mercy Cheng Yen:

Master of Love and Mercy: Cheng Yen Yu-ing Ching, 2002-01-01 When you are determined to do something now is as good a time as any Human beings by nature tend to take things for granted and think that they would last forever But life is short and all things are impermanent so we must treasure the moments where there is peace and when we are with our loved ones This book is written by Chinese American author Yu ing Ching through interviews with Master Cheng Yen the master s monastic disciples and her foster mother as well as Tzu Chi s staff volunteers and aid recipients The author engages readers with her thoughtful and intricate writing style enabling the latter to gain an understanding of Master Cheng Yen s life from childhood to young adulthood how the sudden passing of her father became an important turning point in her life and her eventual decision to pursue a monastic life With her unshakable faith and determination the Master never wavered in the face of adversity and difficulty Extending her love for her family to the world she made a vow to bring relief and aid to the poor and suffering and to nourish their minds with compassion and wisdom The book offers some insight into how a great religious leader and philanthropist who is revered by millions worldwide actively works to accomplish her noble mission of helping the poor and educating the rich At the beginning of each chapter and within sections of each chapter readers will find inspiring quotes from Master Cheng Yen These timeless words of wisdom not only serve as food for thought but also offer invaluable guidance

Biographical Dictionary of Chinese Women: v. 2: Twentieth Century Lily Xiao Hong Lee, 2016-07-08 The first biographical dictionary in any Western language devoted solely to Chinese women Biographical Dictionary of Chinese Women is the product of years of research translation and writing by scores of China scholars from around the world Volume II Twentieth Century includes a far greater range of women than would have been previously possible because of the enormous amount of historical material and scholarly research that has become available recently They include scientists businesswomen sportswomen military officers writers scholars revolutionary heroines politicians musicians opera stars film stars artists educators nuns and more

Toward a Modern Chinese Buddhism Don A. Pittman, 2001-02-01 The Venerable Master Taixu 1890 1947 is the most important and controversial Chinese Buddhist reformer of the twentieth century Viewed as dangerously rash by conservative Buddhists irrelevant by secular humanists and spiritually misguided by Christian missionaries Taixu was nevertheless committed to forging a socially engaged form of Buddhism and to organizing a Buddhist mission in the West His bold and inventive Buddhist revolution continues to shape aspects of a revitalized Buddhism in East Asia and around the world The present volume is the first major study in English to focus on the charismatic reformer and his teachings and provides a comprehensive and absorbing interpretation of Taixu s aims and the divisive controversies that surrounded him This nuanced work is richly documented with quotations from Taixu s own writings and from various Chinese intellectuals and evangelists of the period As the most politically involved of all the Buddhist leaders in the Republican period Taixu sought to present Mah y na Buddhism as the core of a new Chinese culture

and the only adequate foundation for a truly global civilization. Distancing himself from those masters who focused on otherworldly paradises and stressed dependence on celestial buddhas and bodhisattvas, he emphasized what could actually be accomplished in this world through the work of thousands of living bodhisattvas dedicated to building a pure land here and now. A realist who acknowledged the complexities of the human condition in an increasingly interdependent and violent world, Taixu was also a utopian who tried to imagine how Buddhists could begin to realize their ultimate ideals, ideals that in fact lay beyond the preservation of institutional Buddhism itself. Students of Buddhism, Chinese religion, contemporary Chinese history and culture, and Taiwan studies will welcome this study of a crucially important and intriguingly complex individual whose life encapsulates many of the forces and possibilities apparent within Chinese Buddhism in the contemporary world.

The spirit of great love. Volume two Shih Cheng Yen, 2022-11-01. The Spirit of Great Love Volume Two, originally published in 2003 during the SARS outbreak, covers topics such as Rich vs Poor, Desire and Faith, Wisdom and Life, Time and Good Deeds, and Happiness. In this collection of short stories from the past and present, Dharma Master Cheng Yen guides us in finding joy in our relationships and facing everything in life with a sense of ease. Everyone is inherently pure. As the pandemic spreads, it's admirable to see many people courageously giving. If everyone could harmoniously coexist with nature, we would return to the moral order of humility, reverence, vigilance, and civility. This is not only the key to preventing disease; it is the strength that keeps society stable.

The spirit of great love. Volume one Shih Cheng Yen, 2022-03-01. This is a book that showcases the love in our world through short stories about daily living or from Buddhist sutras. These stories about everyday people are like music notes that make up a symphony that reflects our modern times. We can also liken them to paintings that tell of undying love in this world. Through these stories, we go from understanding and caring about life to celebrating and creating life.

Doing Good Great Willie Cheng, Sharifah Mohamed, Cheryl Tang, 2015. From migrant workers and media freedom to housing slums, this book captures the gamut of social issues that plague Asia, telling the stories behind thirteen committed individuals who have effected great change in their respective causes. These stories are about the behemoths such as Dharma Master Cheng Yen from Taiwan and Sir Fazle Hasan Abed from Bangladesh, who lead some of the world's largest nongovernmental organizations, to Aki Ra from Cambodia and Sompop Jakantra from Thailand, whose smaller teams have saved hundreds of lives from landmines and prostitution, respectively. The social heroes portrayed have pursued seemingly quotidian causes that citizens of developed countries may take for granted, such as toilets in India, decent housing for the poor in Hong Kong, and mainly making life better for those whom society appears to have forgotten.

Reader Reviews: The people working to address social issues are not always as well documented as the issues themselves; it is important to bring an awareness of them into the mainstream media. It's easy to become overwhelmed by societal injustice, but these stories show that even when you can't count on your government to protect your rights, individuals working in social justice can make positive change.
