YOUR COPY TODAY How to Receive Prosperity & Provision Rich Brott, 2008 3 John 2 says Beloved I pray that you may prosper in all things and be in health just as your soul prospers Proverbs 11 25 notes A generous man will prosper he who refreshes others will himself be refreshed Jeremiah 29 11 states For I know the plans I have for you declares the LORD plans to prosper you and not to harm you plans to give you hope and a future Author Rich Brott begins with the fact that God wants to provide good things for His children He wants for you to prosper and be successful in your God given gifts and callings But God is no vending machine nor does His promises come without conditions If God cannot trust you with a hundred dollars now how can He trust you with a thousand or a hundred thousand Christians have access to unlimited and unimaginable resources But with this access comes accountability This is a lot of trust that God places in our lives It is more than just finances It is our entire life and how we handle it with faithfulness responsibility accountability honesty and integrity You can learn how to Receive the Prosperity and Provision of God *35 Keys to Financial Independence* Rich Brott, 2007-06 In simple and easy to understand language author Rich Brott explains that financially you must live below your means If you have been living above your means you are already in serious debt with no hope of becoming debt free unless you quickly change your financial habits If you have been living within your means you may be debt free but you have little or no savings or investments to carry you through your retirement What you must begin to do is live below your means The book will show you how to do just that Once you've accomplished the basics of getting out of debt staying out of debt and continuing to live below your means then the next big hurdle is to set financial goals that will keep you invested in simple well diversified conservative investment vehicles The only way to reach a financial goal is to work at it The most important step in reaching that goal is to develop a plan to achieve it That's why it is so important to plan ahead for your retirement and your financial future While the idea of planning ahead and building a solid financial strategy for success can sometimes be intimidating and overwhelming once you get started it will become easier With a little planning and a better understanding of what your investment options are you too can successfully manage your money and pursue your financial goals *15 Biblical Responsibilities Leading to Financial Wisdom* Rich Brott, 2008 Attaining financial wisdom comes after learning some personal responsibilities We have to fulfill those responsibilities as well Some are very basic such as simply acknowledging that God owns it all Others have to do with productivity time management and learning how to plan ahead If you are to lead a prosperous and successful life you must apply biblical instruction to work hard and lead a disciplined life Then there is the responsibility of diligence not being wasteful and knowing how to be good stewards in the handling of our possessions We are to be accountable in caring for our resources give generously to God and seek wisdom in matters of finances Author Rich Brott explains these principles in simple easy to understand narrative **The Seven Secrets** John Hagee, 2005-07-22 Those looking for suggestions about improving personal effectiveness and personal growth will both enjoy and benefit from The Seven Secrets **Biblical Principles for Achieving Personal Success** Rich Brott, 2008 You were created with great

potential You have God given giftings and talents Sometimes potential is never realized Realizing your full potential is an ever continuing process of growth This involves a willingness to try new things new ways new ideas Dreams worth pursuing do not have to be big or unrealistic The important thing is living a dream that is really yours Those who are most fulfilled know what they want and go after it You have great God given capacity to succeed in life Your life can be full and rewarding People who never achieve their full potential live an empty life If you think you can't you won't Search for something that can't be done and do it This insightful book starts by asking you some thought provoking questions What is it that you are called to do What is the vision you have for your life What dreams do you have that are still ahead of you What were you born to do What is your purpose How will you achieve that calling in your lifetime Author Rich Brott helps you to understand the 8 Critical Insights You Must Discover in order to Achieve Personal Success in life The content is thorough the season is timely and you will be motivated and challenged to achieve your highest potential Biblical Principles for Staying Out of Debt Rich Brott, 2008 In easy to understand narrative author Rich Brott explains the great danger that all of us will make bad financial decisions It's not that we deliberately set out to do so we just follow cultural norms and wind up deep in debt While many are able to recognize bad spending habits and somber patterns and actively take corrective measures getting out of debt just brings you to the starting line Next comes a tenacious determination to stay out of debt After that follows a commitment to building long term financial security and independence The content of this book will help you to understand seven biblical principles for staying out of debt It starts out with how to have right thinking and knowing exactly where your money is going The book ends with teaching you how to set financial goals and how to invest for your future **Prosperity Has A Purpose** Rich Brott, 2008 Some people teach that we should give to get Others teach that we should sacrifice and withhold from our family in order to give more Neither extreme point of view is correct We must provide for our family We should not give to get Our attitude should be one of obedience and liberality The best way to give to the Lord is to understand all that He has given to us and then freely give back to Him Author Rich Brott provides a very balanced perspective in his latest book Prosperity Has a Purpose He notes that we gain by giving and we lose by withholding When we freely give to God regardless of our own personal need we allow God to be big in our lives We allow Him to provide for us This can only happen as we buy into the principle of freely giving If we are stingy in our giving and withhold from the Lord we miss the many blessings and provisions He wants to shower upon us Business, Occupations, Professions, & Vocations in the Bible Rich Brott, 2008 Since the beginning of time small business has played an important role in all societies and cultures It has been a vital part of community as craftsmen laborers manufacturers buyers and sellers exchange wares and talents From ancient times to modern times people have lived their lives centered around crafting something of value to use at home and to sell outside of their home Economies have been perpetuated as they centered around commercial activities and commerce From ancient Greece and Ethiopia to ancient India the ingenuity of humans beings and their ability to design

craft manufacturer and harvest have kept countries and kingdoms with food on the table This has allowed cities nations and kingdoms to prosper Economic entrepreneurship has a history of success in every area of the world It has sustained families cities and nations as it has created employment opportunities and economic growth Biblical Principles That Create Success Through Productivity Rich Brott,2008 According to author Rich Brott it is human nature to want something for nothing or at least to receive a maximum amount of return for a minimum amount of effort The old adage notes that we should work smarter not harder There is no doubt that the industrial revolution changed society forever But is there ever a legitimate excuse to not continue working hard But the bottom line is this For you to be successful with consistency you will have to give up the ever present desire to live a life of leisure fulfilling every personal whim and want and choose to remain productive for a good part if not all of your life God honors hard work He honors productivity It is the author s belief that God s method for success is to bless the good productive work ethics of ordinary people
