The Foreign Policy of Castlereagh, 1815-1822 Sir Charles Kingsley Webster,1925 The Foreign Policy of Castlereagh, 1812-1815 Sir Charles Kingsley Webster,1925 Castlereagh John Bew,2012 Hardly is a figure more maligned in British history than Robert Stewart Viscount Castlereagh One of the central figures of the Napoleonic Era and the man primarily responsible for fashioning Britain s strategy at the Congress of Vienna Castlereagh was widely respected by the great powers of Europe and America yet despised by his countrymen and those he sought to serve A shrewd diplomat he is credited with being one of the first great practitioners of Realpolitik and its cold eyed and calculating view of the relations between nations Over the course of his career he crushed an Irish rebellion and abolished the Irish parliament imprisoned his former friends created the largest British army in history and redrew the map of Europe Today Castlereagh is largely forgotten except as a tyrant who denied the freedoms won by the French and American revolutions John Bew s fascinating biography restores the statesman to his place in history offering a nuanced picture of a shy often inarticulate figure whose mind captured the complexity of the European Enlightenment unlike any other Bew tells a gripping story beginning with the Year of the French when Napoleon sent troops in support of a revolution in Ireland and traces Castlereagh s evolution across the Napoleonic Wars the diplomatic power struggles of 1814 15 and eventually the mental breakdown that ended his life Skillfully balancing the dimensions of Castlereagh s intellectual life with his Irish heritage Bew s definitive work brings Castleragh alive in all his complexity variety and depth

Marriott, 2018-04-17 This book represents on the one hand the fulfilment of a long cherished hope on the other an act of tardy expiation The crime for which expiation is offered is partly collective The reproach which lies on historians at large is considered in the Prologue The personal crime can be confessed only through the more intimate medium of a Preface More than thirty years ago I published a little book on George Canning John Murray 1903 in which I did less than justice to Castlereagh The error was not peculiar to me and might perhaps be regarded as venial in a budding politician and inexperienced historian who had spent some of the happiest evenings of his Oxford life in the famous club dedicated to Mr Canning's memory Yet all these years it has lain heavy on a conscience too tender perhaps for an active participant in politics That participation combined with other circumstances to delay the expiation even now inadequately made But however inadequate it cannot safely be deferred much longer
