**Straighten Up and Fly Right** Will Friedwald,2020-06-03 One of the most popular and memorable American musicians of the 20th century Nat King Cole 1919 65 is remembered today as both a pianist and a singer a feat rarely accomplished in the world of popular music Now in this complete life and times biography author Will Friedwald offers a new take on this fascinating musician framing him first as a bandleader and then as a star In Cole s early phase Friedwald explains his primary task of keeping his trio going was just as much of a focus for him as his own playing and singing always a collective or group performance In the second act Cole s collaborators were more likely to be arranger conductors like Nelson Riddle and Gordon Jenkins rather than his sidemen on bass and guitar In the first act his sidemen were equals in the second phase

his collaborators were tasked exclusively with putting the focus on him making him sound good while being largely invisible themselves Friedwald brings his full musical knowledge to bear in putting the man in the work demonstrating how this duality appears over and over again in Cole's life and career jazz vs pop solo vs trio piano vs voice wife number one Nadine vs wife number two Maria the good songs vs the less than good songs the rhythm numbers vs the ballads the funny songs and novelties vs the serious songs of love and loss Cole as an advocate for the Great American Songbook vs Cole the intrepid explorer of other options world music rhythm for roughly ten years after the war the majority of hitmakers on the pop charts were veterans of the big band experience from Sinatra on down **Music News** ,1928 **JazzTimes** ,1997-06 JazzTimes has been published continuously since 1970 and is the recipient of numerous awards for journalism and graphic design A large cross-section of music aficionados and fans alike view JazzTimes as America's premier jazz magazine In addition to insightful profiles of emerging and iconic stars each issue contains over 100 reviews of the latest CDs Books and DVDs Published ten times annually JazzTimes provides uncompromising coverage of the American jazz scene *Ford News* ,1922
