The Metamorphosis of Tianxian pei Wilt L Idema, 2014-12-15 This

volume is the most extensive social and cultural history of twentieth-century Huangmei Opera to date. A regional Chinese theater originating in the Anqing countryside, Huangmei Opera gained popularity with the success of the 1950s play and movie *Tianxian pei* (Married to a Heavenly Immortal). Through a case study of this work, the author juxtaposes the complex process of rewriting and revising the play and movie against the rapidly changing cultural and ideological climate of the Communist theater reform movement. As a result, the traditional theme of filial piety becomes a struggle over class and free love. This volume features a full translation of the original play and its revision in the 1950s, as well as selected articles by playwrights, directors, performers, and critics. These primary sources allow readers to gain access to inside views of the contemporaries and their political and artistic concerns. Wilt Idema is one of the most important scholars in Chinese literary and cultural studies. Few in the academia can emulate him in both the spectrum of specializations and the depth of scholarship. From Yuan drama to Ming fiction and traditional folk culture to modern performing arts, Idema's work demonstrates a Sinologist's dedication, erudition, and originality at its best. *Tianxian pei* is arguably the most popular play in mid-twentieth-century China. In his book, Idema discusses the play's roots and ramifications, its incarnations in multiple genres and medial forms, and its significance in modern Chinese cultural politics. His critical insight is illuminating, and his translational expertise is impeccable. *The Metamorphosis of Tianxian pei* is a major contribution to the studies of Chinese folklore, literature, theatre, and media.

The Masters Speak, Twenty-Seven Dialogues, The Himalayan Journals M.G. Hawking, 2025-08-29. The dialogues presented in this book are transcribed from explorer M. G. Hawking's journals chronicling his conversations with extraordinary men and women he encountered in a remote region of the Himalayas, allowing readers to experience first-hand their expressions of the fundamental knowledge, essential principles of consciousness, and specific practices that can enable extraordinary perceptive abilities and powers. **Reviews:** What a rare resource! Hawking brings together an important anthology from an amazing number of adepts, masters with whom he engaged during a five-year trip to the Himalayas. I took pages of notes, highly beneficial for anyone on the path to enlightenment. Nothing else like this out there. Absolutely mind-blowing. I am a long-time student of the occult, and this book's knowledge far surpasses anything I have ever read in over 50 years of reading. Made abstract concepts clear. Truly life-changing for me. *Masters Speak* is an amazing read; the book is riveting. From the author: The knowledge and techniques presented in this book arise directly from the esoteric teachings of profoundly enlightened individuals. If studied with patience and fully integrated into your core belief system, these teachings will lay the foundation necessary to enable you to acquire very unique abilities. Yet nothing explained in this volume is supernatural or beyond the ability of a properly equipped individual. These abilities are not miracles. Quite the contrary: They do not require any capacities that are not inherent in the human species as a whole, if those capacities are properly recognized and developed. These discourses are intended for those whose passion for knowledge has instilled an enduring aspiration to see things whole, to pursue the deepest understanding of

consciousness and our true place and power in the Universe M G Hawking For untold millenniums this knowledge has been known only to a privileged few revelations long concealed from the world at large As entertaining as it is enlightening this is an incomparable book for anyone on a spiritual path or seeking greater knowledge and personal power 2025 Edition e reader page count 404 estimated varies with the reading device Includes Reference Citations and a Supplemental Material Section
